Sir Arthur Conan Doyle (1859-1930) was a Scottish physician and writer. Although he wrote a number of series, such as his Professor Challenger stories, he is by far best known as the creator of Sherlock Holmes. In later life he gained notoriety for his belief in spiritualism and the Cottingley Fairies. The Memoirs of Sherlock Holmes is the second anthology of Sherlock Holmes short stories, which had been published in The Strand Magazine in 1892 and 1893. It includes "The Final Problem," which was Doyle's unsuccessful attempt to end the series; fans eventually convinced him to bring Holmes back. Also included in this edition is "The Cardboard Box," missing from the first English edition of the Memoirs, but present in the first American one. This book is in the Deseret Alphabet, a phonetic alphabet for writing English developed in the mid-19th century at the University of Deseret (now the University of Utah).

The Memoirs of Sherlock Holmes - Sherlock Holmes 5 (+Biography and Bibliography) (Glossy Cover Finish): The Memoirs of Sherlock Holmes is a collection of Sherlock Holmes stories, originally published in 1894, by Arthur Conan Doyle.

Sherlock Holmes: Sherlock Holmes is a fictional detective of the late 19th and early 20th centuries, who first appeared in publication in 1887. He is the creation of Scottish born author and physician Sir Arthur Conan Doyle. A brilliant London-based detective, Holmes is famous for his intellectual prowess, and is renowned for his skillful use of deductive reasoning (somewhat mistakenly - see inductive reasoning) and astute observation to solve difficult cases. He is arguably the most famous fictional detective ever created, and is one of the best known and most universally recognizable literary characters in any genre. Conan Doyle wrote four novels and fifty-six short stories that featured Holmes. All but four stories were narrated by Holmes' friend and biographer, Dr. John H. Watson, two having been narrated by Holmes himself, and two others written in the third person. The first two stories, short novels, appeared in Beeton's Christmas Annual for 1887 and Lippincott's Monthly Magazine in 1890. The character grew tremendously in popularity with the beginning of the first series of short stories in The Strand Magazine in 1891; further series of short stories and two serialized novels appeared almost right up to Conan Doyle's death in 1930. The stories cover a period from around 1878 up to 1903, with a final case in 1914.

The Return of Sherlock Holmes Book Summary: The memoirs of Sherlock Holmes see Sherlock Holmes and his friend, Dr. Watson, pursuing the strangest of cases across Britain once again. This edition boasts of stories where Holmes deals with challenges that defy the understanding of most people. Conan Doyle's genius shines through as he spins tales and shapes them around the extraordinary ability of Holmes. The bizarre cases that Holmes takes up are fascinating, for they fall beyond the mundane. Indulge children in this volume of stories that have enthralled readers over generations. Sherlock Holmes and Dr. Watson have once again taken up some of the most intriguing cases. Join them

as they investigate disappearances, violent murders, and burglary and solve the mystery of a strange yellow-faced figure and an unusual business agreement. A collection of eleven short stories, The Memoirs of Sherlock Holmes introduces Mycroft, Holmes' elder brother, in 'The Adventure of the Greek Interpreter,' and Professor James Moriarty, the criminal mastermind and Holmes' archenemy, in 'The Adventure of the Final Problem.' The stories continue to thrill their readers. The Memoirs of Sherlock Holmes are a collection of twelve short stories published in The Strand as further episodes of the Adventures between December 1892 and December 1893 with original illustrations by Sidney Paget. They were first published as a collection in 1894. They include one of the most famous Sherlock Holmes stories, "The Adventure of the Final Problem", in which Doyle "killed" Holmes. Several of the stories are told in a way which is more from Holmes' own point of view, as he tells Watson some of the early work that he did before meeting the doctor. · "The Adventure of the Silver Blaze" · "The Adventure of the Cardboard Box" [note 1] · "The Adventure of the Yellow Face" · "The Adventure of the Stock-Broker's Clerk" · "The Adventure of the Gloria Scott" (Holmes's first case, described to Watson) · "The Adventure of the Musgrave Ritual" (another early case, told by Holmes to Watson) · "The Adventure of the Reigate Puzzle" · "The Adventure of the Crooked Man" · "The Adventure of the Resident Patient" · "The Adventure of the Greek Interpreter" (Mycroft appears for the first time) · "The Adventure of the Naval Treaty" · "The Adventure of the Final Problem" (Watson reports the death of Holmes) About the Author: Arthur Conan Doyle was born on 22 May 1859 in Edinburgh into a prosperous Irish family. He trained as a doctor, gaining his degree from Edinburgh University in 1881. He worked as a surgeon on a whaling boat and also as a medical officer on a steamer travelling between Liverpool and West Africa. He then settled in Portsmouth on the English south coast and divided his time between medicine and writing. Sherlock Holmes made his first appearance in 'A Study of Scarlet', published in 'Beeton's Christmas Annual' in 1887. Its success encouraged Conan Doyle to write more stories involving Holmes but, in 1893, Conan Doyle killed off Holmes, hoping to concentrate on more serious writing. A public outcry later made him resurrect Holmes. In addition, Conan Doyle wrote a number of other novels, including 'The Lost World' and various non-fictional works. These included a pamphlet justifying Britain's involvement in the Boer War, for which he was knighted and histories of the Boer War and World War One, in which his son, brother and two of his nephews were killed. Conan Doyle also twice ran unsuccessfully for parliament. In later life he became very interested in spiritualism.

The Memoirs of Sherlock Holmes - The Sherlock Holmes Collector's Library Les Prairies Numeriques

The Memoirs of Sherlock Holmes, published in 1894, is the second collection of Sherlock Holmes stories published in book form. All of the stories included in the collection previously appeared in The Strand Magazine between 1892 and 1893. They purport to be the accounts given by Dr. John Watson of the more remarkable cases in which his friend Mr. Sherlock Holmes becomes involved in his role as a consulting detective. This collection has several memorable features. The first British edition omitted the story "The Adventure of the Cardboard Box" which appeared in The Strand in 1893. This story did appear in the very first American edition of the collection, immediately following "Silver Blaze," but it was quickly replaced by a revised edition which omitted it. Apparently these omissions were at the specific request of the author, who was concerned that its inclusion of the theme of adultery would make it unsuitable for younger readers. The story was, however, eventually included in

the later collection *His Last Bow*, but it is out of chronological position there. In this Standard Ebooks edition (as in most modern British editions), we have included this story to restore it to its correct chronological place in the Holmes canon. The *Memoirs of Sherlock Holmes* is also notable because by this time Doyle had tired of the Holmes character and decided to kill him off, so that this was intended to be the last Holmes collection ever to be published. It contains several of the best-known Holmes stories, including "Silver Blaze," "The Musgrave Ritual," and "The Greek Interpreter," which introduces Sherlock's brother Mycroft; and of course "The Final Problem" in which Holmes struggles with his nemesis Professor Moriarty. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Memoirs of Sherlock Holmes Independently Published Torc Classics is proud to present the second volume in our Sherlock Holmes collection: *The Memoirs of Sherlock Holmes*. Each book in this collection contains the text from the earliest printed edition available. All original text has been verified against the original versions in *The Strand Magazine* and is included in its original typography, unlike other version which often change the text and use typography that often alters the meaning or the flavor of the writing. Also, no tiny fonts and walls of unreadable text like some versions you may have seen. All of Torc Classics' books feature: Text that has been carefully proofread to avoid errors common in other versions. A beautiful cover that captures the spirit of the work in a classic style. The complete text in an easy-to-read font similar to the original with the correct typography. *The Memoirs of Sherlock Holmes* is a collection of twelve short stories by Arthur Conan Doyle, featuring his fictional detective Sherlock Holmes: "The Adventure of Silver Blaze," "The Adventure of the Cardboard Box," "The Adventure of the Yellow Face," "The Adventure of the Stockbroker's Clerk," "The Adventure of the Gloria Scott," "The Adventure of the Musgrave Ritual," "The Adventure of the Reigate Squire," "The Adventure of the Crooked Man," "The Adventure of the Resident Patient," "The Adventure of the Greek Interpreter," "The Adventure of the Naval Treaty," "The Final Problem." The stories were first serialized in *The Strand Magazine* between July 1891 and June 1892, and are printed here in their original order. Doyle included four of the twelve stories from this collection in his twelve favorite Sherlock Holmes stories, picking "The Adventure of the Speckled Band" as his overall favorite. There are three other books in this series: *The Adventures of Sherlock Holmes*, *The Return of Sherlock Holmes*, and *His Last Bow: Reminiscences of Sherlock Holmes*. If you like this edition, please consider buying those stories as well.

The Memoirs of Sherlock Holmes Independently Published THE MEMOIRS OF SHERLOCK HOLMES is a collection of Sherlock Holmes stories, originally published in 1894, by Arthur Conan Doyle. The twelve stories (eleven in American editions) of the *Memoirs* are: "Silver Blaze", "The Adventure of the Cardboard Box", "The Adventure of the Yellow Face", "The Adventure of the Stockbroker's Clerk", "The Adventure of the Gloria Scott", "The Adventure of the Musgrave Ritual", "The Adventure of the Reigate Squire", "The Adventure of the Crooked Man", "The Adventure of the Resident Patient", "The Adventure of the Greek Interpreter", "The Adventure of the Naval Treaty", "The Final Problem". The first London edition of the *Memoirs* in 1894 did not include "The Adventure of the Cardboard Box", although all twelve stories had appeared in the *Strand Magazine*. The reasoning behind the suppression is unclear. In Britain the story was apparently removed at Doyle's request as it included adultery and so was unsuitable for younger readers.

The Memoirs of Sherlock Holmes Createspace Independent Publishing Platform

The *Memoirs of Sherlock Holmes* By Arthur Conan Doyle The *Memoirs of Sherlock Holmes* is a collection of short stories by Arthur Conan Doyle, first published late in 1893 with 1894 date. It was the second collection featuring the consulting detective Sherlock Holmes, following *The Adventures of Sherlock Holmes*. Like the first it was illustrated by Sidney Paget. The twelve stories were originally published in *The Strand Magazine* from December 1892 to December 1893 as *The Adventures* number 13 to 24. For instance, "The Final Problem" was published under the subheading "XXIV.-The Adventure of the Final Problem." Doyle determined that these would be the last Holmes stories, and intended to kill off the character in "The Final Problem". Reader demand stimulated him to write another Holmes novel in 1901-1902, *The Hound of the Baskervilles*, set before "The Final Problem". Next year a new series, *The Return of Sherlock Holmes*, begins with the aftermath of "The Final Problem", in which it is revealed that Holmes actually survived. The sequence of stories matches that of the magazine series, December 1892 to December 1893, when "The Adventure of the Naval Treaty" was published in two parts, October and November. "The Adventure of Silver Blaze" "The Adventure of the Cardboard Box" - not in the first edition, nor many other eds. "The Adventure of the Yellow Face" "The Adventure of the Stockbroker's Clerk" "The Adventure of the Gloria Scott" "The Adventure of the Musgrave Ritual" "The Adventure of the Reigate Squire" "The Adventure of the Crooked Man" "The Adventure of the Resident Patient" "The Adventure of the Greek Interpreter" "The Adventure of the Naval Treaty" "The Final Problem" The first London edition of the *Memoirs* in 1894 did not include "The Adventure of the Cardboard Box", although all twelve stories had appeared in the *Strand Magazine*. The first U.S. edition included the story, but it was very quickly replaced with a revised edition that omitted it. The reasoning behind the suppression is unclear. In Britain the story was apparently removed at Doyle's request as it included adultery and so was unsuitable for younger readers. This may have also been the cause for the rapid removal of the story from the U.S. edition, and some sources state that the publishers believed the story was too scandalous for the American public. As a result, this story was not republished in the U.S. until many years later, when it was added to *His Last Bow*. Even today, most American editions of the canon include it with *His Last Bow*, while most British editions keep the story in its original place in *The Memoirs of Sherlock Holmes*.
