To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

"You will have the privilege to see and to participate in the most glorious and mightiest sweeping revival that has ever been known in Christian history!" —Smith Wigglesworth This revelation was part of a prophecy given in 1936 by legendary evangelist and healing minister Smith Wigglesworth to a young man named David du Plessis. The revival Wigglesworth foresaw was a continuation of the Pentecostal movement into the charismatic renewal that continues to this day. Later, in 1961, God gave Rev. Tommy Hicks a vision of the continuation of that revival: a worldwide movement in which the "Awakening Giant"—the body of Christ—receives spiritual power and authority on such a scale as has not been seen since the book of Acts. This book retells these two amazing prophecies in their

entirety and also discusses their implications for the world today. The revival of God's church continues, but it won't be complete until every Spirit-filled believer understands his or her unique role in its fulfillment. Study these prophecies and ask God to reveal how He would use you to bring the greatest revival in history to completion.

After-school programs, scout groups, community service activities, religious youth groups, and other community-based activities have long been thought to play a key role in the lives of adolescents. But what do we know about the role of such programs for today's adolescents? How can we ensure that programs are designed to successfully meet young people's developmental needs and help them become healthy, happy, and productive adults? *Community Programs to Promote Youth Development* explores these questions, focusing on essential elements of adolescent well-being and healthy development. It offers recommendations for policy, practice, and research to ensure that programs are well designed to meet young people's developmental needs. The book also discusses the features of programs that can contribute to a successful transition from adolescence to adulthood. It examines what we know about the current landscape of youth development programs for America's youth, as well as how these programs are meeting their diverse needs. Recognizing the importance of adolescence as a period of transition to adulthood, *Community Programs to Promote Youth Development* offers authoritative guidance to policy makers, practitioners, researchers, and other key stakeholders on the role of youth development programs to promote the healthy development and well-being of the nation's youth.

Mom and Dad, You've got to get us out of here! When you get this letter, COME IMMEDIATELY! -- Charlie The brother-sister pairs who arrive for the summer at Camp Happy Harmony are almost too busy fighting with each other to notice how strange the camp really is. Not only are the campers forced to wear bizarre uniforms, eat gross food, and do chores all day, but the members of the family that runs the camp fight constantly--with each other. Are the campers in danger? Or--in spite of sibling wars--do they need to stick together to solve the mystery humming under the surface of Camp Happy Harmony?

Another collection of hilarious real-life letters from kids at summer camp sure to amuse anyone who's ever been a homesick child or a parent of one. From the editor of the bestselling *P.S. I Hate It Here* comes an all-new, even more outrageous and laugh-out-loud funny collection of real letters written by children ages eight to sixteen to their parents about their adventures at summer camp. Written with the same wit and honesty as those in the first book, these new letters take the reader on a familiar adventure that conjures up the experience of being away from home, and the hilarious and lasting memories that accompany that special place called sleepaway camp. Praise for *P.S. I Still Hate It Here* "Will give you and your friends a good laugh while you're at the beach and the kids are away." —Geek Mom

Essential reading for scholars, poetry lovers, and anyone with an interest in Rainer Maria Rilke, German poetry, or the creative impulse, these ten letters of correspondence between Rilke and a young aspiring poet reveal elements from the inner workings of his own poetic identity. The letters coincided with an important stage of his artistic development and readers can trace many of the themes that later emerge in his best works to these messages—Rilke himself stated these letters contained part of his creative genius.

Weird, decadent, degenerate, racially mixed, superstitious, theocratic, effeminate, and even hyper-literate, Byzantium has long been regarded by many as one big curiosity. According to Voltaire, it represented "a worthless collection of miracles, a disgrace for the human mind"; for Hegel, it was "a disgusting picture of imbecility." *A Cabinet of Byzantine Curiosities* will churn up these old prejudices, while also stimulating a deeper interest among readers in one of history's most interesting civilizations. Many of the zanier tales and trivia that are collected here revolve around the political and religious life of Byzantium. Thus, stories of saints, relics, and their miracles—from the hilarious to the revolting-abound. Byzantine bureaucracy (whence the adjective "Byzantine"), court scandals, and elaborate penal code are world famous. And what would Byzantium be without its eunuchs, whose ambiguous gender produced odd and risible outcomes in different contexts? The book also contains sections on daily life that are equally eye-opening, including food (from aphrodisiacs to fermented fish sauce), games such as polo and acrobatics, and obnoxious views of foreigners and others (e.g., Germans, Catholics, Arabs, dwarves). But lest we overlook Byzantium's more honorable contributions to civilization, also included are some of the marvels of Byzantine science and technology, from the military (flamethrowers and hand grenades) to the theatrical ("elevator" thrones, roaring mechanical lions) and medical (catheters and cures, some bizarre). This vast assortment of historical anomaly and absurdity sheds vital light on one of history's most obscure and orthodox empires.

It's Complicated Westminster John Knox Press

An up-to-date discussion of early Christian paraenesis in its Graeco-Roman and Hellenistic Jewish contexts in the light of one hundred years of scholarship, issuing from a research project by Nordic and international scholars. The concept of paraenesis is basic to New Testament scholarship but hardly anywhere else. How is that to be explained? The concept is also, notoriously, without any agreed-upon definition and it is even contested. Can it at all be salvaged? This volume reassesses the scholarly discussion of paraenesis - both the concept and the phenomenon - since Paul Wendland and Martin Dibelius and argues for a number of ways in which it may continue to be fruitful.

Natural language generation is a field within artificial intelligence which looks ahead to the future when machines will communicate complex thoughts to their human users in a natural way. Generation systems supply the sophisticated knowledge about natural languages that must come into play when one needs to use wordings that will overpower techniques based only on symbolic string manipulation techniques. Topics covered in this volume include discourse theory, mechanical translation, deliberate writing, and revision. *Natural Language Generation Systems* contains contributions by leading researchers in the field. Chapters contain details of grammatical treatments and processing seldom reported on outside of full length monographs.

Military family support programs have proliferated in recent years, but there has been little evaluation of whether these programs are meeting their key objectives. To help fill this gap, a RAND study explored the curriculum, themes, and outcomes of Operation Purple, a free weeklong summer camp program for youth with a deployed parent.

For every parent who's ever received a letter from a homesick child or anybody who's ever written their parents with crazy requests from their bunk, *P.S. I Hate It Here: Kids' Letters From Camp* will delight with hilarious and heartwarming real-life letters. In the bestselling tradition of nostalgic looks at classic rites of passage, such as *Camp Camp* and *Bar Mitzvah Disco*, *P.S. I Hate It Here: Kids' Letters from Camp* captures a childhood experience shared by millions. This collection of real letters written by children ages eight to sixteen to their parents about their adventures at summer camp are laugh-out-loud funny and will have readers reminiscing about their own camp days. More than 150 letters cover all the imaginable scenarios of sleep away camp, from acing the cabin lice inspection, to rowing in the "ricotta" race, to breaking the bad news about a retainer lost in the wilderness. These letters reveal that kids are wittier and more sophisticated than we might assume, and that the experience of being away from home for the first time creates hilarious and lasting memories. Inspired by her daughter's "melodramatic rants" from camp, Diane Falanga collected 150 hilarious, poignant letters from kids 8-16 ... Read it and remember. - *People Magazine* Whether your kid is in camp or you cherish your own memories of s'mores and Color Wars,
