In the Time of the Butterflies HarperCollins UK		<i>Lion and Blue</i> Andersen Press USA	<i>Vow of Thieves</i> HarperCollins Children's Books
A lion searches for the blue Brazilian butterfly he loves and is rewarded for his faithfulness.		"Something's up. Something big too, very big. At school, in the village, whoever you meet, it's all anyone talks about. It's like a sudden curse has come down on us all. It makes me wonder if we'll ever see the sun again." It's 1943, and Lily Tregenza lives on a farm, in the idyllic seaside village of Slapton. Apart from her father being away, and the 'townie' evacuees at school, her life is scarcely touched by the war. Until one day, Lily and her family, along with 3000 other villagers, are told to move out of their homes - lock, stock and barrel. Soon, the whole area is out of bounds, as the Allied forces practise their landings for D-day, preparing to invade France. But Tips, Lily's adored cat, has other ideas - barbed wire and keep-out signs mean nothing to her, nor does the danger of guns and bombs. Frantic to find her, Lily makes friends with two young American soldiers, who promise to help her. But will she ever see her cat again? Lily decides to cross the wire into the danger zone to look for Tips herself... Now, many years later, as Michael is reading his Grandma Lily's diary, he learns about The Amazing Story of Adolphus Tips - and wonders at how one adventurous cat could still affect their lives sixty years later. Ages: 8+	A stunning new classic from master storyteller Michael Morpurgo for readers of 9+, in the vein of PRIVATE PEACEFUL and THE BUTTERFLY LION This is a landmark new novel from the nation's favourite storyteller, set in the unique landscape of the Camargue in the South of France during WW2. There, a young autistic boy lives on his parents' farm among the salt flats, and the flamingos that live there. There are lots of things he doesn't understand: but he does know how to heal animals. He loves routine, and music too: and every week he goes to market with his mother, to ride his special horse on the town carousel. But then the Germans come, with their guns, and take the town. A soldier shoots a flamingo from the sky, and it falls to earth terribly injured. And even worse is to come: the carousel is damaged, the horses broken. For this vulnerable boy, everything is falling apart. Only there's a kind sergeant among the Germans - a man with a young boy of his own at home, a man who trained as a carpenter. Between them, perhaps boy and man can mend what has been broken - and maybe even the whole town...

This is a collection of three novels about animals by award-winning former Children's Laureate, Michael Morpurgo, packaged as a classic gift set.		Vow of Thieves is the thrilling sequel to Dance of Thieves, set in the same world as Mary E. Pearson's New York Times-bestselling Remnant Chronicles. Kazi and Jase have survived, stronger and more in love than ever. Their new life now lies before them—the Ballengers will be outlaws no longer, Tor's Watch will be a kingdom, and Kazi and Jase will meet all challenges side by side, together at last. But an ominous warning mars their journey back, and they soon find themselves captured in a tangled web of deceit woven by their greatest enemies and unlikeliest allies, a place where betrayals run deeper and more deadly than either had thought possible, and where timeless ambitions threaten to destroy them both.	It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo’s dictatorship. It doesn’t have to. Everybody knows of Las Mariposas—“The Butterflies.” In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo’s rule. Through the art and magic of Julia Alvarez’s imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

A lifetime of tales from the nation’s favourite storyteller, and award-winning author of WAR HORSE – the perfect gift for any book-lover.		The debut short-story collection from the acclaimed author of The Chalk Man, hailed as “Britain’s female Stephen King” (Daily Mail), featuring eleven bone-chilling and mind-bending tales “All hail the queen of scream. A Sliver of Darkness is C. J. Tudor at her spine-tingling, nightmare-inducing best. Read it if you dare.”—Chris Whitaker, New York Times bestselling author of We Begin at the End Time slips. Doomsday scenarios. Killer butterflies. C. J. Tudor’s novels are widely acclaimed for their dark, twisty suspense plots, but with A Sliver of Darkness, she pulls us even further into her dizzying imagination. In “The Lion at the Gate,” a strange piece of graffiti leads to a terrifying encounter for four school friends. In “Final Course,” the world has descended into darkness, but a group of old friends make time for one last dinner party. In “Runaway Blues,” thwarted love,	This story is not a story at all. It all happened. On New Year's Day Becky Morley begins to write her diary. By March, her world has changed for ever. Foot-and-mouth disease breaks out on a pig farm hundreds of miles from the Morleys' Devon home, but soon the nightmare is a few fields away. Local sheep are infected and every animal is destroyed. Will the Morleys' flock be next? Will their pedigree dairy herd, the sows with their piglets, and Little Josh, Becky's hand-reared lamb, survive? Or will they be slaughtered too? The waiting and hoping is the most agonizing experience of Becky's life . . .
