This comprehensive history of African American fraternities and sororities celebrates the spirit of Black Excellence in higher education that has produced American

leaders in politics, sports, arts, and culture such as Kamala Harris, Colin Kaepernick, Michael Jordan, Thurgood Marshall, and Toni Morrison, and is sure to be a treasured resource for generations to come. America's Black fraternities and sororities are a unique and vital part of 20th century African American history, providing young black achievers with opportunities to support each other while they serve their communities and the nation. From pioneering work in the suffragette movement to extraordinary strides during the Civil Rights era to life-changing inner-city mentoring programs, members of these organizations share a proud tradition of brotherhood, sisterhood,

and service. Today, America's nine black fraternities and sororities are millions of members strong with chapters at HBCUs, Ivy League Schools, and colleges across the nation including Stanford University, Howard University, and the University of Chicago. **Zeta Phi Beta Lined Journal** Zondervan EBONY is the flagship magazine of Johnson Publishing. Before You Pledge: Essential Information You Should Know About the Divine Nine is an important read for all those considering joining a Black Greek Letter Organization or for anyone wanting to simply learn about the origin of this august body of black men and women. The dawn of the twentieth century brought many challenges to young

African American students seeking enrollment at all-white college campuses. Intense racial prejudice forced many black students to leave predominantly white universities. And at the same time, on Historically Black College campuses, the desire for fellowship through shared social experiences led to the rise of Black Greek life, starting with Cornell University in New York. Alpha Phi Alpha, the first black fraternity formed at a predominantly white university in 1906, would point the way for similar organizations to develop. Between 1906 and 1922, eight Black Greek Letter Organizations were formed, with a ninth in 1963. Known collectively as the "Divine Nine," these five fraternities and four sororities would go on to shape the course of Black America. Together, these young black men and women would face down racial prejudice, take the lead in the fight for social justice, in the end, reshape the American cultural landscape. Finally, no other group of people can claim to have the sheer degree of accomplishments in all areas of human activity in the United States and in

many other parts of the world compared to the Divine Nine.

"Track star Kiara Michaels didn't expect to find two lifelong friends at her sorority membership interview. But life had other plans, leading her to meet Donna--a Bible quoting straight talker--and Gloria--a loquacious high achiever. In the semesters following membership induction, Kiara confesses a festering secret, Donna steers a bumpy course with her unfaithful boyfriend, and Gloria can't find a love match. When a lustful encounter and brutal assault turn Kiara's collegiate experience upside down, the two friends are her saving grace."--Page 4 of cover.

*ZφB: Zeta Phi Beta Sorority - Blank Lined Journal Notebook*

For many women, sororities represent the pinnacle of girlfriend relationships. For others, they represent a mysterious connection that can only be understood by those who are members. In this edition of The Girlfriend Code(tm) Anthology Series, members of sororities deliver heart-felt accounts of how joining a sorority has impacted their

relationships with their gyrlfriends—those that existed prior to joining and those developed as a result of joining. The Gyrlfriend Code (tm) Sorority Edition delivers powerful stories of sisterhood, commitment, and unity. Although written by members of different organizations: Delta Sigma Theta Sorority, Inc., Sigma Gamma Rho Sorority, Inc. Alpha Kappa Alpha Sorority, Inc., and Zeta Phi Beta Sorority, Inc., these stories contain recurring themes of unbreakable bonds that transcend letters or colors. The authors affectionately display their love of their chosen organizations and an appreciation for the connections they've cultivated as a result of membership. Regardless of length of membership,

if they joined as an undergraduate or alumna; whether first-generation or legacy, each author expresses how sorority membership has changed her life for the better. Readers will find encouragement within the narratives of this edition. For those hoping to one day join a sorority, you will get a glimpse into the dynamics of being a sorority gyrlfriend. For those who are already members, you will reflect on the role you currently play as a sorority gyrlfriend. All will find hope, love, inspiration, and most importantly, sisterhood. Join Visionary Author Ashley Little, along with Co-Authors Dr. Marquita S. Blades, Jay Anise, Sharon Phillips Jarrett, Dr. Elondra D. Napper, Nicole R. Ingram-Diaz, Dr. Sharon H. Porter, Tiffani Wills, D. Chanel

Johnson, Dr. Essie McKoy, Dr. Melissa Noland Chester, Tywauna Wilson, Danielle N. Wallace, Dr. Torre Brown, and Cynthia L. Coaxum as they share 15 unique voices, perspectives and codes to help transform the way we see ourselves, connect support, and uplift our gyrlfriends!
