The Bristish artist duo Anderson & Low has created a highly original art project based on the brilliant artifice of the spectacular sets from the latest James Bond movie, Spectre. Shooting entirely at Pinewood Studios, UK, the artist duo highlights a head-on collision of fantasy and reality by photographing the sets' massive scale and extraordinary detail. Allowing the bare soundstage to intrude on the images would normally shatter the illusion of the sets. In this case, however, it has the reverse effect and enhances the sense of illusion, artifice and wonder. Through a poetic and painterly eye, the beautifully designed and magnificently photographed images bring to life these detailed and massive tableaux, creating a poetry and narrative fantasy that mirrors the movie. This book represents a unique study in movie-making and constructed narratives in photography. Exhibition: Camera Work, Berlin 24.6.-27.8.2016

Readers can explore James Bond creator Ian Fleming’s writing on the pleasures of drinking and mix themselves fifty delicious cocktails from recipes inspired by his books and developed by award-winning London bar, Swift. Both Bond and Fleming were partial to a stiff drink. In both fiction and real life, cocktails were an important and well-chosen accompaniment to adventure and daring and

often relaxing. Fleming made the Martini famous with Bond’s ritual of always ordering it “shaken, not stirred”. But in every James Bond book a wide selection of strong, sophisticated and carefully crafted drinks are essential details to the story. The recipes in Shaken are divided into five categories: Straight Up; On the Rocks; Tall; Fizzy; and Exotic. Sip on inventions such as Smersh, Moneypenny, That Old Devil M and Diamonds Are Forever, as well as classic Bond cocktails such as the Vesper—and, of course, the Dry Martini. Each recipe is illustrated by a stunning full-color photo of the drink and wonderful extracts from Fleming’s writing—taken from the passage where the drink was featured or a place, character, or plot that inspired it. Shaken features a foreword written by the novelist’s nephew, Fergus Fleming, as well as plenty of his writing on whisky, gin, rum, and other spirits.

They also provide Bond buffs with behind-the-scenes gossip and rare information on unofficial Bond spin-offs, such as "OK Connery" and the various Bond-influenced TV series and films, and take into account all of 007's other film appearances, opening with a sideways look at Ian Fleming's original conception of Bond and following the trail of Bond on and off the screen through his portrayals: Sean Connery, George Lazenby, Roger Moore, Timothy Dalton, and current star Pierce Brosnan -- the Bond of the '90s.
