HANNAH SUTTON		
<i>Blood River</i> Simon and Schuster		
Gervelie was born in the Republic of the Congo in 1995. This is the true story of her flight from her home in Africa to seek refuge in the United Kingdom and is told in her words. It is the honest and heartrending story of a family torn apart by war and their courageous decision to seek a life of peace in the West. Other titles in the series: Hamzat's Journey, Mohammed's Journey, Meltem's Journey This is the first book in an acclaimed series highlighting the true stories of refugee children. Chosen as a Scholastic Book of the Year and as an Outstanding International Book by USBBY. CLICK HERE		
Letters 1947-1967 LeftWord Books		
Heart of Darkness centers around Marlow, an introspective sailor, and his journey up the Congo River to meet Kurtz, reputed to be an idealistic man of great abilities. Marlow takes a job as a riverboat captain with the Company, a Belgian concern organized to trade in the Congo. As he travels to Africa and then up the Congo, Marlow encounters widespread inefficiency and brutality in the Company's stations. The native inhabitants of the region have been forced into the Company's service, and they suffer terribly from overwork and ill treatment at the hands of the Company's agents. The cruelty and squalor of imperial enterprise contrasts sharply with the impassive and majestic jungle that surrounds the white man's settlements, making them appear to be tiny islands amidst a vast darkness.		
<i>The War That Doesn't Say Its Name</i> Abrams		
Selected by the Modern Library as one of the 100 best novels of all time • Nominated as one of America's best-loved novels by PBS's The Great American Read Introduction by Caryl Phillips Commentary by H. L. Mencken, E. M. Forster, Virginia Woolf, Ernest Hemingway, Bertrand Russell, Lionel Trilling, Chinua Achebe, and Philip Gourevitch Originally published in 1902, Heart of Darkness remains one of this century's most enduring works of fiction. Written several years after Joseph Conrad's grueling sojourn in the Belgian Congo, the novel is a complex meditation on colonialism, evil, and the thin line between civilization and barbarity. This edition contains selections from Conrad's Congo Diary of 1890—the first notes, in effect, for the novel, which was composed at the end of that decade. Virginia Woolf wrote of Conrad: "His books are full of moments of vision. They light up a whole character in a flash. . . . He could not write badly, one feels, to save his life."		
The Diary of the Revolution that Made Che Guevara a Legend Penguin		
Dear, dear, when the soft-hearts get hold of thing like that missionary's contribution they completely lose their tranquility they speak profanely and reproach Heaven for allowing such a find to live. Meaning me . They think it irregular. They go shuddering around, brooding over the reduction of that Congo population from 25,000,000 to 15,000,000 in the twenty years of my administration ; then they burst out and call me the King with Ten Million Murders on his Soul. They call me a 'record'.		
<i>Amalia Hernández and El Ballet Folklórico de México</i> Lerner Publishing Group		
"The Congolese conflict has been dubbed a "forever war," a conflict that defies resolution. As of 2016, the Congo was experiencing its twentieth year of violent conflict, one of worst humanitarian calamities of our time and climbing the all-time charts. According to one study, 5.4 million people have died between 1998 and 2007 alone, largely from disease, though fighting and violence is ongoing to this day. This study aims to explain the most recent phases of the conflict, why it has lasted for so long, where diplomats and peacemakers have gone wrong in their approach to solving		
		the violence, and how the Congo can help us understand contemporary armed conflict more broadly. Using the Congolese conflict as an illustrative case study, the author argues that three factors determine why conflicts there have persisted in some places while dwindling elsewhere: the cohesion, political culture, and constituencies of the belligerents. He finds that the more fragmented the belligerents, the more protracted the conflict becomes, and as they shift to see the conflict as an end in itself and to perceive violence as an acceptable and necessary tool of politics, the longer the conflict lasts. Finally, he develops a theory for how social constituencies shape negotiations between belligerents and the government by providing guarantees, brokering contacts, and presenting commitment problems"-- <i>Gervelie's Journey</i> Vintage
		Award-winning author and illustrator Duncan Tonatiuh tells the story of Amalia Hernández, dancer and founder of El Ballet Folklórico de México. Published in time for the 100th anniversary of Hernández's birth, <i>Danza!</i> is the first picture book about the famous dancer and choreographer. <i>Danza!</i> is a celebration of Hernández's life and of the rich history of dance in Mexico. As a child, Amalia always thought she would grow up to be a teacher, until she saw a performance of dancers in her town square. She was fascinated by the way the dancers twirled and swayed, and she knew that someday she would be a dancer, too. She began to study many different types of dance, including ballet and modern, under some of the best teachers in the world. Hernández traveled throughout Mexico studying and learning regional dances. Soon she founded her own dance company, El Ballet Folklórico de México, where she integrated her knowledge of ballet and modern dance with folkloric dances. The group began to perform all over the country and soon all over the world, becoming an international sensation that still tours today. Duncan Tonatiuh's picture books have been honored with many awards and accolades, including the Pura Belpré Award, the Robert F. Sibert Award, and the New York Times Best Illustrated Book Award. With Tonatiuh's distinctive Mixtec-inspired artwork and colorful drawings that seem to leap off the page, <i>Danza!</i> will enthrall and inspire young readers with the fascinating story of this important dancer and choreographer. Danza! Ocean Press (AU)
		VINTAGE VOYAGES- A world of journeys, from the tallest mountains to the depths of the mind When Daily Telegraph correspondent Tim Butcher was sent to cover Africa he quickly became obsessed with the idea of recreating H.M. Stanley's famous expedition - but travelling alone. Despite warnings that his plan was 'suicidal', Butcher set out for the Congo's eastern border with just a rucksack and a few thousand dollars hidden in his boots. Making his way in an assortment of vessels including a motorbike and a dugout canoe, helped along by a cast of characters from UN aid workers to a campaigning pygmy, he followed in the footsteps of the great Victorian adventurers.
		<i>HEART OF DARKNESS</i> Ocean Press
		A celebration of August Wilson's journey from a child in Pittsburgh to one of America's greatest playwrights August Wilson (1945–2005) was a two-time Pulitzer Prize-winning playwright who had a particular talent for capturing the authentic, everyday voice of black Americans. As a child, he read off soup cans and cereal boxes, and when his mother brought him to the library, his whole world opened up. After facing intense prejudice at school from both students and some teachers, August dropped out. However, he continued reading and educating himself independently. He felt that if he could read about it, then he could teach himself anything and accomplish anything. Like many of his plays, <i>Feed Your Mind</i> is told in two acts, revealing how Wilson grew up to be one of the most influential American playwrights. The book includes an author's note, a timeline of August Wilson's life, a list of Wilson's plays, and a bibliography.
		<i>Feed Your Mind</i> Penguin
		The famous Cuban revolutionary's journals from the Congo war reveal a master of guerrilla warfare training men who would shape the future of the continent for the next forty years. Original.
		Radio Congo Leuven University Press
		A European trading concern hires Marlow to pilot a boat up the Congo River in search of Kurtz—a first-class ivory agent and the manager of the company's highly profitable Inner Station—who is believed to be on his deathbed. With a handful of pilgrims as his passengers and a crew of cannibals, Marlow steams his way into the African interior. The terrifying discovery he makes at the end of his journey and the horrors he witnesses along the way have thrilled and disturbed readers for more than a century. A searing indictment of imperialism and a haunting exposé of mankind's savage nature, <i>Heart of Darkness</i> is Joseph Conrad's masterpiece. This ebook has been professionally proofread to ensure accuracy and readability on all devices. <i>Heart of Darkness</i> is a classic of world literature. The book tells a story about a voyage up the Congo River into the Congo Free State, in the heart of Africa. Marlow, the story's narrator, tells his story to friends aboard a boat anchored on the River Thames, London, England. This setting provides the frame for Marlow's story of his obsession with the ivory trader Kurtz, which enables Conrad to create a parallel between London and Africa as places of darkness. Central to Conrad's work is the idea that there is little difference between so-called civilized people and those described as savages; <i>Heart of Darkness</i> raises important questions about imperialism and racism. Joseph Conrad acknowledged that <i>Heart of Darkness</i> was in part based on his own experiences during his travels in Africa. In 1890, at the age of 32, he was appointed by a Belgian trading company to serve as the captain of a steamer on the Congo River. Joseph Conrad (1857-1924), was a Polish author who wrote in English after settling in England. Conrad is regarded as one of the greatest novelists in English, though he did not speak the language fluently until he was in his twenties. He wrote stories and novels, often with a nautical setting, that depict trials of the human spirit in the midst of an indifferent universe. He was a master prose stylist who brought a distinctly non-English tragic sensibility into English literature. Contents: <i>Heart of Darkness</i> <i>Memoirs & Letters: A Personal Record</i> ; or <i>Some Reminiscences</i> <i>The Mirror of the Sea</i> <i>Notes on Life & Letters</i> <i>Biography & Critical Essays: Joseph Conrad (A Biography)</i> by Hugh Walpole <i>Joseph Conrad</i> by John Albert Macy <i>A Conrad Miscellany</i> by John Albert Macy <i>Joseph Conrad</i> by Virginia Woolf
		<i>The Diaries of the Revolutionary War in the Congo</i> Random House
		The first-ever edition of Che Guevara's letters, the vast majority never-before published in English in any form. Ernesto Che Guevara was a voyager—and thus a letter writer—for his entire adult life. The letters collected in <i>I Embrace You with All My Revolutionary Fervor: Letters 1947-1967</i> range from letters home during his Motorcycle Diaries trip, to the long letter to Fidel after the success of the Cuban revolution in early 1959 (from which the book's title comes), from the most personal to the intensely political, revealing someone who not only thought deeply about everything he encountered, but for whom the process of social transformation was a constant companion from his youth until shortly before his death. His letters give us Che the son, the friend, the lover, the guerrilla fighter, the political leader, the philosopher, the poet. Che in these letters is often playful, funny, sometimes sarcastic, and deeply affectionate. His life was short, and these twenty years, from when he was 19 until days before his death, show it was also incredibly rich and full. As his daughter Aleida Guevara, also a doctor like her father, writes, "When you write a speech, you pay attention to the language, the punctuation and so on. But in a letter to a friend or a member of your family, you don't worry about those things. It is you speaking, in your authentic voice. That's what I like about these letters; they show who Che really was and how he thought. This is the true political testimony of my father."

A Penguin Enriched eBook Classic Abrams

Che Guevara "disappeared" from Cuba in 1965 to lead a guerrilla mission to support a revolutionary movement in the Congo. Until recently, very little has been known of this mission which proved to be a disastrous failure. This book publishes extensive excerpts from Guevara's fascinating, and sometimes shockingly frank, diary of the Congo experience.

Heart Of Darkness (Annotated Classic Edition) ReadHowYouWant.com

This book presents the first anthology of Flemish prose on the Congo, the former colony of Belgium, in English translation. Because of the Dutch language barrier, Flemish literature on the Congo has traditionally remained inaccessible to and thus neglected by international scholarship, as opposed to French or English prose on this part of the African continent. That this particular perspective has thus far remained underexposed, or even disregarded, is all the more regrettable in light of the fact that the vast majority of Belgians who went to work in the African colony came from Flanders. The Congo in Flemish Literature now represents a key step towards filling this lacuna by providing an overview of the different societal attitudes towards the colonial undertaking prevailing in Belgium during and after the colonial era, the way the relationship between Belgium and the Congo changed over time, subject to the zeitgeist and sociopolitical and economic

developments, and the individual authors' varying points of view with regard to the colonisation. Flemish Congo prose offers a fascinating glimpse into Belgium's colonial past and legacy, primarily during the colonial era, but also at the time of its violent aftermath following Congolese independence on 30 June 1960, and well into the following decades.

Congo Diary and Other Uncollected Pieces Seven Stories Press

A group of white men journeys up the Congo River to invade the jungles of the Belgian Congo, in an effort to rob the natives of their ivory.

Che in Africa ABC-CLIO

Offers excerpts from the diaries and other writings of the Argentine-born guerrilla leader that inspired the biographical film "Che," including sections taken from "Reminiscences of the Cuban Revolutionary War" and "The Bolivian Diary."

Congo Diary Doubleday Books

Marlow, a seaman and wanderer, recounts his physical and psychological journey in search of the infamous ivory trader Kurtz. Traveling up river to the heart of the African continent, he gradually becomes obsessed by this enigmatic, wraith-like figure. A haunting and hugely influential Modernist masterpiece, *Heart of Darkness* explores the limits of human experience as well as the nightmarish realities of imperialism. Part of a major series of new editions of Conrad's most famous works in Penguin Classics, this Enriched eBook contains Conrad's Congo Diary. Enriched eBook Features Editor Timothy S. Hayes provides the following specially commissioned features for this Enriched eBook Classic: * Filmography * Telling Africa's Story Today: Recent Films About Africa * Contemporary Reviews of *Heart of Darkness* * Further Reading * Character Sketches * Diagram of a Typical Congo Steamer, ca. 1890 * Images of the Congo * Enriched eBook Notes The enriched eBook format invites readers to go beyond the pages of these beloved works and gain more insight into the life and times of an author and the period in which the book was originally written for a rich reading experience.

The Crime of the Congo Simon and Schuster

Ernesto Che Guevara's diary of his revolutionary struggle in Congo alongside Cuban guerrillas. In

April 1965, Che Guevara set out clandestinely from Havana to Congo to head a force of some 200 veteran Cuban soldiers to assist the African liberation movement against Belgian colonialists, four years after the assassination of the democratically elected socialist president of Congo, Patrice Lumumba. This diary deals with what Che admits was a "failure," and he examines every painful detail about what went wrong in order to draw constructive lessons for planned future guerrilla movements. Unique among his books, Congo Diary gives us Che's brutal honesty and his story-telling ability as he recounts this fascinating episode of guerrilla warfare unblinkingly and without sugar coating or jargon. Considered by some to be Che's best book, it is also one of the few that he had a chance to edit for publication after writing it.

The Diaries of Ernesto Che Guevara Simon and Schuster

These African diaries--written when Che Guevara tried to help the people of the Congo throw off the yoke of colonial imperialism--afford a very personal insight into the thoughts and emotions of one of the 20th century's greatest revolutionary martyrs. of photos.

Posada and His Day of the Dead Calaveras Picador

Three kinetically distilled long poems by the singular American poet who "transfigures 'thought' into a weave of lexical magic" (Philip Lamantia) "The poet is endemic with life itself," Will Alexander once said, and in this searing pas de trois, *Refractive Africa: Ballet of the Forgotten*, he has exemplified this vital candescence with a transpersonal amplification worthy of the Cambrian explosion. "This being the ballet of the forgotten," he writes as diasporic witness, "of refracted boundary points as venom." The volume's opening poem pays homage to the innovative Nigerian-Yoruban author Amos Tutuola; it ends with an encomium to the modernist Malagasy poet Jean-Joseph Rabearivelo—two writers whose luminous art suffered "colonial wrath through refraction." A tribute to the Congo forms the bridge and brisé vole of the book: the Congo as "charged aural colony" and "primal interconnection," a "subliminal psychic force" with a colonial and postcolonial history dominated by the Occident. Will Alexander's improvisatory cosmicity pushes poetic language to the point of most resistance—incantatory and swirling with magical laterality and recovery.
