The Dog Who Loved Too Much George Green Enterprises
 The heartwarming, classic true story of a dog who didn’t understand he’s a dog—and the imaginative boy who loved him. Funny and poignant, *The Dog Who Wouldn’t Be* is a lively portrait of an unorthodox childhood and an unforgettable friendship. Growing up in on the frontier of Saskatoon, Canada, the

legendary adventurer and naturalist, Farley Mowat, received a gift from his mom: a dog she bought for four cents. Farley quickly named him “Mutt.” Mutt displayed skills at hunting and retrieving that were either pure genius or just plain crazy—once going so far as to retrieve a plucked and trussed ruffed grouse from the grocer. Mutt also loved riding passenger in an open car wearing goggles and climbing both trees and ladders — the perfect companion for a child with a love for

animals and misadventures. Originally published for young people, this is a memoir by the author Never Cry Wolf that will delight dog lovers of all ages. "The Dog Who Wouldn't Be was, and will forever remain, one of my first and deepest literary loves. When I first read it as a child, it became my "gateway book" to Farley Mowat's other great works, books which inspired me throughout my life. Re-reading it as an adult . . . I fell in love all over again with the

eccentric and talented Mutt, with Farley's boyhood adventures, with the wild Saskatoon prairie. This classic remains one of the best biographies of an animal ever written—a masterful tribute to the bond between an extraordinary boy and an extraordinary dog." —Sy Montgomery, author of *Tamed and Untamed: Close Encounters of the Animal Kind*

As in *When Elephants Weep*, *The Face*

Marley & Me

HarperChristian + ORM
The heartwarming and unforgettable story of a family and the wondrously neurotic dog who taught them what really matters in life. Now with photos and new material. Is it possible for humans to

discover the key to happiness through a bigger-than-life, bad-boy dog? Just ask the Grogans. John and Jenny were just beginning their life together. They were young and in love, with not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley grew into a barreling, ninety-seven-pound streamroller of a Labrador retriever. He crashed through screen doors, gouged through drywall, and stole

women's undergarments. Obedience school did no good -- Marley was expelled. But just as Marley joyfully refused any limits on his behavior, his love and loyalty were boundless, too. Marley remained a model of devotion, even when his family was at its wit's end. Unconditional love, they would learn, comes in many forms. Marley & Me is John Grogan's funny, unforgettable tribute to this wonderful, wildly neurotic Lab and the meaning he brought to their lives.

 Amy Hempel's compassion, intensity, and illuminating observations have made her one of the most distinctive and admired modern writers. In three stunning books of stories, she has established a voice as unique and recognizable as the photographs of Cindy Sherman or the brushstrokes of Robert Motherwell. The Dog of the Marriage, Hempel's fourth collection, is about

sexual obsession, relationships gone awry, and the unsatisfied longings of everyday life. In "Offertory," a modern-day Scheherazade entertains and manipulates her lover with stories of her sexual encounters with a married couple as a very young woman. In "Reference # 388475848-5," a letter contesting a parking ticket becomes a beautiful and unnerving statement of faith. In "Jesus Is Waiting," a woman driving to New York sends a series of cryptically

honest postcards to an old lover. And the title story is a heartbreaking tale about the objects and animals and unmet desires that are left behind after death or divorce. These nine stories teem with wisdom, emotion, and surprising wit. Hempel explores the intricate psychology of people falling in and out of love, trying to locate something or someone elusive or lost. Her sentences are as lean, original, and startling as any in contemporary fiction.

The Dog who Insisted

He Wasn't Greystone Books Ltd

A New York Times Notable Book Nominated for the Man Booker Prize In this extraordinary, both comic and philosophically profound novel, the acclaimed author of *Netherland* uncovers the hidden contours of a glittering Middle Eastern city—and the quiet dilemmas of modernity. When our unnamed hero, a self-sabotaging and oddly existential lawyer, finds his life in New York falling apart, he seizes an

opportunity to flee to Dubai, taking a mysterious job for a fabulously wealthy Lebanese family. As he struggles with his position as the “family officer” of the capricious Batros brothers, he also struggles with the “doghouse,” a condition of culpability in which he feels trapped, even as he composes endless electronic correspondence—both sent and unsent—in an attempt to find a way out. An unforgettable fable for our globalized times, The

Dog is told with Joseph O’Neill’s hallmark eloquence, empathy, and stylistic mastery. *The Dog Year* Simon and Schuster Karen Pryor’s clear and entertaining explanation of behavioral training methods made Don’t Shoot the Dog a bestselling classic with revolutionary insights into animal—and human—behavior. In her groundbreaking approach to improving behavior, behavioral biologist Karen Pryor says, “Whatever the task, whether keeping a

four-year-old quiet in public, housebreaking a puppy, coaching a team, or memorizing a poem, it will go fast, and better, and be more fun, if you know how to use reinforcement.” Now Pryor clearly explains the underlying principles of behavioral training and reveals how this art can be applied to virtually any common situation. And best of all, she tells how to do it without yelling threats, force, punishment, guilt trips—or shooting the dog. From the eight

methods for putting an end to all kinds of undesirable behavior to the ten laws of “shaping” behavior, Pryor helps you combat your own addictions and deal with such difficult problems as a moody spouse, an impossible teen, or an aged parent. Plus, there’s also incredibly helpful information on house training the dog, improving your tennis game, keeping the cat off the table, and much more! “In the course of becoming a renowned dolphin trainer, Karen

Pryor learned that positive reinforcement...is even more potent than prior scientific work had suggested...Don’t Shoot the Dog looks like the very best on the subject—a full-scale mind-changer” (The Coevolution Quarterly). Learn why pet owners rave, “This book changed our lives!” and how these pioneering techniques can work for you, too. *The Dog* Penguin Revisit the story of Jesus through the eyes of man’s best friend—a special dog named Barley. No one

expected Barley to have an encounter with the Messiah. He was homeless, hungry, and struggling to survive in first century Jerusalem. Most surprisingly, he was a dog. But through Barley’s eyes, the story of a teacher from Galilee comes alive in a way we’ve never experienced before. Barley’s story begins in the home of a compassionate woodcarving family who finds Barley as an abandoned, nearly-drowned pup. Tales of a special teacher from

Galilee are reaching their tiny village, but when life suddenly changes again for Barley, he carries the lessons of forgiveness and love out of the woodcarver's home and through the dangerous roads of Roman-occupied Judea. On the outskirts of Jerusalem, Barley meets a homeless man and petty criminal named Samid. Together, Barley and his unlikely new master experience fresh struggles and new revelations. Soon Barley is swept up into the current of history, culminating in

an unforgettable encounter with the truest master of all as he bears witness to the greatest story ever told. "An incredibly inspiring and beautiful tale of a blessed journey of lessons learned as told through the voice of one man's (and humanity's) best friend, a loving dog named Barley. Ron Marasco transports both heart and mind heralding understanding and acceptance while weaving rich religious history within the pages of this unique adventure." —Kristen Chenoweth,

Tony and Emmy award-winning actress "If you need a spirit-lift, a book of hope, a read that will urge you to believe that hope is worth the risk, you are holding the right book. Do yourself a favor—read and enjoy!" —Max Lucado, New York Times bestselling author of *How Happiness Happens* and *Anxious for Nothing* "Some of the greatest life lessons about courage, loyalty, trust, and patience . . . I've learned from my dog. Read *The Dog Who Was There* and learn an

amazing lesson about faith.” —Andy Andrews, New York Times bestselling author of *The Noticer* and *The Traveler’s Gift* “The Dog Who Was There is a page-turning read that stops and opens the heart. Revealing profound truth with compelling grace, Ron Marasco offers a singular vision of the greatest story ever told.” —Beth Henley, Pulitzer Prize-winning playwright of *Crimes of the Heart* and *The Jacksonian* “The Dog Who Was There is a wonderful, engaging book

that adds a completely new perspective to the Passion story. Ron Marasco has created a character in Barley who will entertain and inspire readers. The retelling of Christ’s ministry through the human characters connects the reader in a unique way to the Gospel message, but it is Barley who will charm people of all ages.” —Kevin Baxter, EdD, Superintendent of Catholic Schools, Archdiocese of Los Angeles Inspirational standalone novel with biblical elements. The Dog Who Couldn't Stop Loving Viking Books for Young Readers
Extraordinary new insights into the minds and lives of our fellow creatures from two of the world’s top animal authors, Elizabeth Marshall Thomas and Sy Montgomery. A Mail on

Sunday “Critic’s Pick” Best Read of the Year “In their writing and in their lives and in their remarkable friendship, Liz and Sy break down false barriers and carry us closer to our fellow creatures.”—from the foreword by Vicki Constantine Croke, author of *Elephant Company Tamed and Untamed*—a collection of essays penned by two of the world’s most celebrated animal writers, Sy Montgomery and Elizabeth Marshall Thomas—explores the minds, lives, and

mysteries of animals as diverse as snails, house cats, hawks, sharks, dogs, lions, and even octopuses. Drawing on stories of animals both wild and domestic, the two authors, also best friends, created this book to put humans back into the animal world. The more we learn about what other animals think and do, they explain, the more we understand ourselves as animals, too. Writes Montgomery, “The list of attributes once thought to be unique to our species—from using tools

to waging war—is not only rapidly shrinking, but starting to sound less and less impressive when we compare them with other animals’ powers.” With humor, empathy, and introspection, Montgomery and Thomas look into the lives of all kinds of creatures—from man’s best friend to the great white shark—and examine the ways we connect with our fellow species. Both authors have devoted their lives to sharing the animal kingdom’s magic with others, and their

combined wisdom is an indispensable contribution to the field of animal literature. The book contains a foreword by Vicki Constantine Croke, author of the bestseller Elephant Company.
