The YCT (Level I) assesses test takers' ability in daily use of Chinese. Test takers who are able to pass the YCT (Level I) can understand and use some of the most common Chinese phrases and sentences and possess the ability to further their Chinese language studies. The YCT (Level I) is intended for young students who have studied Chinese for three months, with 2-3 class hours per week. These students have mastered 80 commonly used words and related grammar patterns. The "International Chinese Language Education Standards for Chinese Proficiency Levels" were released on March 31, 2021 and will be formally implemented on July 1, 2021. Within just two months of the release, I became the first person in the world to compile a vocabulary list with the best possible English. This was made possible thanks to the 10 years of effort I put into building my database, which includes over 500,000 vocabulary words that served as the foundation for editing my

textbooks. Students who have used my vocabulary list have called it "life-saving" for their exams. My book provides a quick revision guide for those preparing for exams, so be sure to grab a copy! We appreciate your support as we strive to create better content for you. It has taken us years of hard work to edit this book, so please respect our copyrights.

YCT 1 (New Youth Chinese Test 1) Vocabulary Book - A Quick "LIFE SAVING" Reference to Success Version 2019, 80 Words Independently Published

The exercises in this book will help you master more than 100 Chinese characters (and more than 200 words) including all those that you would need to know in order to achieve level 1 proficiency on the YCT. The lessons build your vocabulary one character at a time and include practice sentences and phrases that use a variety of grammar patterns. For example: 一 one 一个 One (of something) 一个人 One person. 一个小人 A/One small person. 十一个 Eleven small people. 十一个 Eleven small women. 十一个女人 Eleven women are very small. 二十一个女人 Twenty-one women are very small. And so on. As each new character is introduced you will be shown how it is written (the stroke order), the traditional (long) form if any, and the separable components of that character. This will help you learn to decompose, recognize, and remember the characters. Finally, the activity sections and reading comprehension exercises will help you remember the meanings of the characters and vocabulary through spaced repetition. When you finish this book you will know a little more than 26 percent of the characters you will encounter in any given text on average.

YCT 1 Learn Chinese Easy For Children and Adolescents, 2022 Edition, is a manual that utilizes a very simple and easy method of understanding to learn Chinese. Our method uses the latest update of the YCT vocabulary and is based on learning that new vocabulary in each lesson using flashcards. Unlike other manuals, our instruction includes grammar explanations based on the words that you

are learning in the lesson, and up to 4 practice exercises per lesson. Including flashcards with the manual instruction enhances our method of teaching and will increase your level of comprehension. Although this manual is mainly geared towards children and adolescents, adults can also learn Chinese with our flashcard lessons in a fun and easy way. Learning Chinese is not difficult if it is taught with the goal of having fun while learning. This is why we believe that our manual with the current YCT vocabulary will also be useful for language professionals to teach. Each lesson uses our flashcard method simply and most importantly effectively. In addition to the manual, there is also a video with an explanation of Pinyin and Tones. We know that you will find it as useful as we have in teaching the language. The Editors.
