Picnics! Singing! Fireworks! It's time to celebrate the best day of all--the Fourth of July! Newbery Medalist Jerry Spinelli and award-winning illustrator Larry Day join forces to celebrate America's birthday, the Fourth of July. A responsible little boy who's eager to do his part wakes up joyful and ready to celebrate his favorite day of all. But there's a lot of work to do--pies to be baked, deviled eggs to be filled--and the boy has lots of jobs to complete before he can enjoy the fun . . . the world's best picnic! Face painting! A band concert! And then, after what seems like the longest wait ever . . . he can kick back and enjoy the fireworks with the rest of the country. This delicious and spirited book celebrates small town America and is full of nostalgia for times gone by, yet absolutely of the moment.

How to Make Art for Joy's Sake Walter Foster Publishing

The beauty of a watercolor painting lies in its diaphanous layers, delicate strokes, and luminous washes. However, the very features that define the beauty of the medium can make it difficult to master. This complete guide to understanding the relationships between color, value, wetness, and composition unravels the mysteries of watercolor to help your practice evolve. Experienced teacher and acclaimed artist Tom Hoffmann offers a unique, inquiry-based approach that shows you how to translate any subject into the language of watercolor. With Hoffmann as your guide, you'll learn the key questions to ask yourself at every turn and time-tested methods to help you reach solutions.

Hoffmann's thorough explanations and step-by-step demonstrations delineate the process of composing a painting in watercolor, while art from more than thirty-five past and present masters, including John Singer Sargent, Ogden Pleissner, George Post, Emil Kosa, Jr., Mary Whyte, Trevor Chamberlain, Lars Lerin, Torgeir Schjøberg, Piet Lap, Leslie Frontz, and Alvaro Castagnet serve to illustrate and inspire. Whether you're a serious beginner or a seasoned practitioner, this book will guide you toward the all-important balance between restraint and risk-taking that every watercolorist seeks.

Creative Watercolor and Mixed Media Leaping Hare Press

A guide that shows painters, drawers, doodlers, and urban sketchers how to bring their drawings to life with colorful, bold, yet accessible painting methods. Watercolor sketching is a rapidly emerging technique that enlivens sketches done in pen or pencil with the expressive washes, glazes, and luminous hues of watercolor. This lushly illustrated resource teaches artists on the go how to sketch with watercolor, rendering subjects efficiently and without inhibitions. Readers are guided through all aspects of the medium, from fundamental techniques including wet-on-wet, glazing, and washes; materials and supplies; and little known tips and tricks for getting the most out of watercolor (for example, just sprinkling a little salt on your painting creates a texture that's impossible to achieve with a brush.) A strong focus color theory provides a solid foundation for enhancing drawings with vibrant hues.

David Dewey has compiled the most comprehensive book on watercolors featuring modern materials and methods for mastering this medium. In this complete introduction, you will learn how to handle watercolors effectively by becoming acquainted with the essentials of theory, technique, practice, and design principals. Unfold the tricks behind: Choosing the right materials and tools, along with discerning differences between brands Mastering basic skills, such as composing, rendering shadow and light, and perspective Understanding color theory, harmonies and chords, progression perception, and illusion Painting still life, figure, landscape, and architecture subjects to scale Incorporating mixed media including gouache, colored pencil, pastel, and collage Dewey's detailed instruction makes this beguiling medium accessible as never before. As visual artists can learn much from examining good art, he includes a rich, full-color array of his own work in addition to a variety of classic works accompanied by his analysis. The *Watercolor Book* has been a requisite guide for serious watercolor painters and educators since its initial publication in 1995. David Dewey has regularly exhibited his watercolor paintings throughout the United States for over 30 years. His work is included in many major museums, such as the Newport Art Museum and Portland Museum of Art, and in private collections. He has had a long successful teaching career, having taught at Parson's School of Design, The National Academy of Design School, and The Lyme Academy College of Fine Arts. Dewey also conducts popular watercolor workshops in New England, New York, and Europe. David Dewey and his wife Kathy divide their time between their homes in Blairstown, New Jersey and Owl's Head, Maine.

Kristy Rice's joy-focused approach to watercolor art has won the hearts of fans worldwide. Here she teaches the basics of painting, infusing the learning process with wit, wisdom, and laughter. Rice shows all levels of painters how to make "art for joy's sake." She offers her quirky, joy-focused guidance on preparation, including the materials you really need (and don't need), and walks you through "Basics and Details." "Five Exercises" enhances your ways of brush handling, muscle memory, color mixing, and texture, and "20 Leaves" helps you put them all together. "Five Techniques" lets you experience flowers, fruits, veggies, landscapes, and patterns. And the projects--or as Kristy calls it, the "Ready to Fly" list--include Leaves and Greens; Take a Walk Pattern; Textile Pattern; Gem and Rock Pattern; Imaginary Landscape; Bouquet; and Watercolor Fragments. A great duo: use this book with the Art for Joy's Sake Journal!
