Rolex, founded in 1905 by Hans Wilsdorf, is a Swiss company manufacturing, distributing and selling luxury watches. Its flagship Oyster exists

since 1945. With a turnover of CHF 4.5 billion in 2012, it is the first global brand of luxury watches at Omega and Breitling In 1905, Hans Wilsdorf moved to London and founded with his brother Alfred Davis, a watch manufacturing company called their two names, Wilsdorf & Davis. At that time, the majority of the production is done in Switzerland, the architects of this country then being alone can make small enough mechanical movements to fit in a pocket watch.

Rolex Submariner Story. Ediz. Speciale Guido Mondani Editore e Ass
This short novel tells the thrilling story of a watch, a Rolex GMT Master made

of gold, silent witness of drama, intrigue, death, adventure, love, tragedy. This incredible journey begins in Cuba, and from there it travels to Africa, South America, Europe, North America, Asia... It's well known Fidel Castro's passion for Rolex watches, this is the starting point of this trip, on the wrist of his friend, the Argentinian Ernesto Guevara, but it wouldn't stay long with him. This beautiful piece, a masterpiece of Swiss watchmaking, is taken on a fantastic voyage around

the world, along with the greed of those who craved it. A trip witnessing the tragic nature of human condition.

How can you tell a fake watch from a real one? Where are fakes made? What grades of quality can one find among so-called "replicas"? How can one buy a watch on the internet? How can one avoid fraudulent copies? These are just some of the questions to which any wristwatch enthusiast

needs to find answers in an era when counterfeiting luxury products has become an industry in its own right. This book, of which the greater part is devoted to the most prestigious watch brands, provides readers with vital information on identifying fakes. It aims to ensure that buying a watch from a private individual, from a professional or on the internet (the global hub for the sale of fake watches) does not turn out to be a nightmare! Illustrated with over 500

photos, the differences between original and counterfeit models are exposed in detail (mechanisms, dials, bracelets, etc.). To our knowledge, no other work of this type has been published to date, doubtless due to the explosive nature of this fascinating topic.

 For more than a century, Rolex has stood apart as the most

legendary brand of watch in the world. Ever the record setter--the Daytona, belonging to actor Paul Newman, was auctioned by Phillips in New York in October 2017 for \$17.8 million--it comes as no surprise that Rolex is the most collected watch label in the world. Published to celebrate The Vintage Watch Company's 25th anniversary in 2020, the book contains a unique pictorial collection of vintage Rolex watches that have passed through the shop during the past

25 years. From early Rolex pocket watches to the world's first wristwatches, elegant in their simplicity yet revolutionary in their impact, to the very first Submariners, iconic Daytonas, and jewel-encrusted Crown collections, the mesmerizing archive of vintage timepieces charts the extraordinary rise of an extraordinary brand. *Steel Rolex Acciaio Acc Art Books*

The name Rolex is recognized around the world. It has become an

icon of beauty, quality, accuracy, style, and taste. While there are other fine manufacturers of timepieces, none has reached this pinnacle of public respect and acclaim. The watches produced by Rolex over the last 100 years are celebrated in this lavishly illustrated classic, now in a revised and expanded third edition. Over 30 newly discovered wristwatches are included in this volume, along with new information and a revised value guide. In addition there are

detailed looks at some of Rolex's legendary movements. Dowling and Hess, both acknowledged Rolex authorities, have captured the watches' beauty in color photography and present the most thorough and extensive history written of the company. The watches and the extensive information this book offers to collectors make it a truly useful volume, one that will be cherished by watch lovers around the world.

Rolex Damiani Limited Today Rolex Passion is the most updated edition on Rolex wristwatches: a book that illustrates and describes all vintage and modern models, including timepieces introduced at Baselworld 2017. Rolex Passion also represents the first “social book” by Mondani, tradition combined with the future: the code QR on the cover of the book takes you directly to our page on

Facebook (“Rolex Passion by Mondani”), which has more than half a million followers and is updated with images and information about different watches every day. On this page you can also find watches that are on sale at the most reliable and known retailers worldwide. Another important new element of this book is the large section entirely dedicated to the Rolex watches of our Clients and Followers from all over the world, with unpublished pictures,

which arrive directly from the network profiles of our Clients and Followers. A unique opportunity to see wonderful timepieces in constantly different and original contexts. Furthermore, “Rolex Passion” is also the first book of the dealers, since it includes a large chapter on dealers, retailers and vendors worldwide, who are recommended to you by Mondani. This book is perfect for those who are approaching the world of Rolex watches. “Rolex Passion” takes the reader on a journey through the

entire production of watches and illustrates the history and the main technical features of all the references. This volume should be present in the bookcase of our Clients, who already own other editions by Mondani, since it is a real novelty, which allows one to follow the most active and updated page about Rolex on Facebook. The preface of this book was written by Roman Sharf, a dealer of new and second wrist luxury watches in Philadelphia. He is esteemed throughout the

world and has great experience in the watch market. ROLEX PASSION TOPICS: Rolex Passion describes on more than 350 pages the whole production of the Genevan Maison from the first models up to the present day. This book also illustrates important details, small differences, special features of bezels, dials and hands and a lot more. Rolex Passion is divided in categories in alphabetic order and represents a general guideline, which describes all the references, but

also satisfies the demands of those who require more detailed information, for example: the customized Serpico y Laino dials, the chronographs, which were produced only in very small numbers, the characteristics of the Paul Newman models, watches with tropical dials, the calibers, the timepiece, which was called "Padellone," the evolution and the range of dials of the Datejust and Day-Date, the Texano, the complications of the Sky-Dweller, the evolution of the diver's models from

the James Bond up to the James Cameron, the Oysterflex, the ceramic bezel inserts (including those of the modern Daytona), etc. The last chapters describe all the models, which were presented at Baselworld, like for example the Sea-Dweller, ref. 126600 with red writing, the new Sky-Dweller in stainless steel with a blue dial, the Yacht-Master with a sapphire and diamond set bezel and a lot more. The chapter "Shots from the Web" is absolutely new. It illustrates photos of Rolex

watches from all over the world: models, which are rare or common, modern or vintage, in good or less good condition, are presented on different and original backgrounds. The Rolex Story Wristwatch Highlights 'Movements in Time with Breitling and Rolex?' is the most conclusive unauthorized history ever published on quality watches. Discover how 6 year old Leon Breitling started his watch making career. How and why the Rolex name was formed. The positive impact World

War I & II had on watch invention and production. The most factual guide on how to identify fake Rolex & Breitling watches. Plus the history of Ball, Cartier, IWC, Longines, Omega, Patek Philippe, and Zenith watches.
