Humphreys V. Commissioner of Internal Revenue Penguin		FOREWORD BY BRENE BROWN and POSTSCRIPT FROM BRAIN PICKINGS CREATOR MARIA POPOVA Rock star, crowdfunding pioneer, and TED speaker Amanda Palmer knows all about asking. Performing as a living statue in a wedding dress, she wordlessly asked thousands of passersby for their dollars. When she became a singer, songwriter, and musician, she was not afraid to ask her audience to support her as she surfed the crowd (and slept on their couches while touring). And when she left her record label to strike out on her own, she asked her fans to support her in making an album, leading to the world's most successful music Kickstarter. Even while Amanda is both celebrated and attacked for her fearlessness in asking for help, she finds that there are important things she cannot ask for-as a musician, as a friend, and as a wife. She learns that she isn't alone in this, that so many people are afraid to ask for help, and it paralyzes their lives and relationships. In this groundbreaking book, she explores these barriers in her own life and in the lives of those around her, and discovers the emotional, philosophical, and practical aspects of THE ART OF ASKING. Part manifesto, part revelation, this is the story of an artist struggling with the new rules of exchange in the twenty-first century, both on and off the Internet. THE ART OF ASKING will inspire readers to rethink their own ideas about asking, giving, art, and love.
This is not your typical birds-and-the bees discussion. Inside this book is an exploration of the real questions you have about sex and your sexuality—all the ones you're too afraid to ask out loud (especially to your parents. Shudder.). Drawn from actual questions and with totally honest answers about what is and isn't okay to look at, think about, and do, this book breaks down what God really has to say about keeping your clothes on. Let's face it, the sex talk you got and the messages you hear at church aren't always that helpful when it comes to what is really going through your mind (or bothering you elsewhere) in real life. And asking those questions is not exactly easy when you want a real answer instead of, "You'll go blind." But in these pages, no topic is off-limits, and the answers you'll see are a real discussion of what you want to know (and exactly what the Bible does and does not say on the topic), or even what it means if you've already experimented. From pre-marital sex to masturbation to the temptations of porn and what it means to be a technical virgin—and questions about homosexuality—Questions You Can't Ask Your Mama About Sex is a go-to handbook for the things you need to know but don't want to ask out loud. Questions You Can't Ask Your Mama About Sex: comes from authors with decades of experience on the topics of relationships and sex, who have been featured on The TODAY Show, Good Morning America, The Daily Show, Anderson Cooper 360, as well as in The New York Times and Buzzfeed uses a straight-forward approach to answer over 50 questions teens have asked goes beyond "how far is too far?" to look at the nuances and real things you wonder about and face—done though straight-forward and honest discussion		Supreme Court Grand Central Publishing
<i>Why Women Don't Ask</i> Kyle Books		Did you know that by failing to negotiate her starting salary for her first job, a woman may sacrifice over a half a million pounds in earnings by the end of her career? Yet, as research reveals, men are four times as likely to ask for higher pay than are women with the same qualifications. In this eye-opening book, Linda Babcock and Sara Laschever draw on research in psychology, sociology, economics and organisational behaviour as well as dozens of interviews to explore the personal and societal reasons why women seldom ask for what they need, want and deserve at work and at home. Why Women Don't Ask - a sensation when published in the US in 2003 - is a call to arms that will help you recognise the ways in which our culture perpetuates inequalities - and how you can begin to overcome them.
The men of a posse on the trail of an outlaw begin to turn on one another What made Jake Worthy rob his hometown bank? Was it stupidity? Daring? Or did he simply not think the men of Quirt, Arizona, had the skill to catch him? Three days out of Quirt, the group sent after Worthy is coming apart at the seams. The richest man in town is complaining about the hardships of the trail. Alongside him are a couple of greenhorns, a few refugees from the saloon, and a redheaded man whose steely confidence the sheriff simply does not trust. By law, the chase must end at the county line—but Sheriff Fawcett fears the posse is beyond his control. To capture Worthy and retrieve the stolen gold, the men of Quirt will push themselves to the limit, even if it means turning outlaw themselves.		Operation Joy Lulu.com
<i>The Late John Marquand</i> Independently Published		Have you ever had a burning question that seemed off limits or inappropriate to ask about Christianity, the Bible, or Jesus? You Can't Ask That! gathers 50 of the most provocative, challenging, or otherwise taboo questions that many of us have wondered about but few have actually asked. Edited by Christian Piatt, who once had a bible thrown at his head for asking too many questions during a Sunday school class, this collection considers nothing off limits and takes the hard questions seriously. Responses from theology professors, pastors, lay leaders, and other progressive Christians range from the personal to the profound and from sarcastic to deeply touching. By offering multiple perspectives to those banned questions, readers can craft their own answers. Better yet, they'll understand that questioning faith is not taboo; it's the foundation of a strong and growing faith.
