International Dictionary of Films and Filmmakers: Actors and actresses Basic Books

REMARKABLE BIOGRAPHY OF AN ICON There's little debate that Robert De Niro is one of the greatest screen actors of his generation, perhaps of all time--if not, in fact, the greatest. His work, particularly in the first 20 years of his career, is unparalleled. Mean Streets, the Godfather Part II, Taxi Driver, the Deer Hunter, and Raging Bull all dazzled moviegoers and critics alike, displaying a talent the likes of which had rarely--if ever--been seen. De Niro became known for his deep involvement in his characters, assuming that role completely into his own life, resulting in extraordinary, chameleonic performances. Yet little is known about the off-screen De Niro--he is an intensely private man, whose rare public appearances are often marked by inarticulateness and palpable awkwardness. It can be almost painful to watch at times, in powerful contrast to his confident movie personae. In this elegant and compelling biography, bestselling writer Shawn Levy writes of these many De Niro--the characters and the man--seeking to understand the evolution of an actor who once dove deeply into his roles as if to hide his inner nature, and who now seemingly avoids acting challenges, taking roles which make few apparent demands on his overwhelming talent. Following De Niro's roots as the child of artists (his father, the abstract painter Robert De Niro Sr., was widely celebrated) who encouraged him from an early age to be independent of vision and spirit, to his intense schooling as an actor, the rise of his career, his marriages, his life as a father, restaurateur, and businessman, and, of course, his current movie career, Levy has written a biography that reads like a novel about a character whose inner turmoil takes him to heights of artistry. His many friendships with the likes of Martin Scorsese, Meryl Streep, Harvey Keitel, Shelley Winters, Francis Ford Coppola, among many others, are woven into this extraordinary portrait of DeNiro the man and the artist, also adding a depth of understanding not before seen. Levy has had unprecedented access to De Niro's personal research and production materials, creating a new impression of the effort that went into the actor's legendary performances. The insights gained from DeNiro's intense working habits shed new perspective on DeNiro's thinking and portrayals and are wonderful to read. Levy also spoke to De Niro's collaborators and friends to depict De Niro's transition from an ambitious young man to a transfixing and enigmatic artist and cultural figure. Shawn Levy has written a truly engaging, insightful, and entertaining portrait of one of the most wonderful film artists of our time, a book that is worthy of such a great talent.

Australia's Toxic Medical Culture Penguin

From a leading figure in Australian medicine comes this edition of this immensely user-friendly reference that employs a symptom-based approach to clinical practice. For the full range of conditions met in primary practice, you'll review approach to the patient, the physical exam, probable causes, differential diagnosis, and treatment strategies. Throughout, Dr. Murtagh adds his own clinical pearls that are both insightful and a delight to read. Superb illustrations demonstrate examination technique and abundant use of tables and charts makes diagnosis quick and easy. Most importantly, the clinical insights of internationally recognized authority Dr. John Murtagh make this a unique and useful resource for the physician, nurse practitioner or physician assistant.

Media Review Digest, 1982 Hal Leonard Corporation

This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those

who may be particularly susceptible, and to assessing the potential risks of tobacco products.

In Other Words Saint James Press

A New York Times Bestseller and #1 Wall Street Journal Bestseller! LET TRUMP BE TRUMP: THE INSIDE STORY OF HIS PRESIDENCY is the ultimate behind-the-scenes account of how he became President of the United States. Donald Trump was a candidate, and now a president, like none that have come before. His startling rise to the White House is the greatest political tale in the history of our republic. Much has been written about this once-in-a-millennial event but all of those words come from authors outside the orbit of Donald Trump. Now, for the first time, comes the inside story. Written by the guys in the room--two of Trump's closest campaign advisors--Let Trump Be Trump is the eyewitness account of the stories behind the headlines. From the Access Hollywood recording and the Clinton accusers, to Paul Manafort, to the last-moment comeback and a victory that reads like something out of the best suspense novel, Let Trump Be Trump pulls back the curtain on a drama that has mesmerized the whole world--including the palace intrigues of the Mooch, Spicer, Preibus, Bannon, and more. By turns hilarious and intimate, Let Trump Be Trump also offers a view of Donald Trump like you've never seen him, the man whose success in business was built not only on great skill but on loyal relationships and who developed the strongest of bonds with the band of outsiders and idealists who became his team because they believed in him and his message. Written by Trump's campaign manager, the fiery Corey Lewandowski, and Dave Bossie, the consummate political pro and the plaintiff in the famous Citizens United Supreme Court case who helped steer the last critical months of the Trump campaign, Let Trump Be Trump is destined to be the seminal book about the Trump campaign and presidency.

Cambridge Magazine Macmillan

Watched religiously every week by more than 32.1 million young Americans, ages 12-34, MTV has changed the face of music and television. The popular "Beavis and Butt-head" books and The Real World have all been mainstays on the New York Times bestseller list. With Now What?!, MTV offers a guide to living in the real world--covering everything from getting a job to signing an apartment lease.

National Guide to a Preventive Health Assessment for Aboriginal and Torres Strait Islander People Houghton Mifflin

The New York Times--bestselling "skeptical environmentalist" argues that panic over climate change is causing more harm than good. Hurricanes batter our coasts. Wildfires rage across the American West. Glaciers collapse in the Arctic. Politicians, activists, and the media espouse a common message: climate change is destroying the planet, and we must take drastic action immediately to stop it. Children panic about their future, and adults wonder if it is even ethical to bring new life into the world. Enough, argues bestselling author Bjorn Lomborg. Climate change is real, but it's not the apocalyptic threat that we've been told it is. Projections of Earth's imminent demise are based on bad science and even worse economics. In panic, world leaders have committed to wildly expensive but largely ineffective policies that hamper growth and crowd out more pressing investments in human capital, from immunization to education. False Alarm will convince you that everything you think about climate change is wrong -- and points the way toward making the world a vastly better, if slightly warmer, place for us all.

John Woo McGraw-Hill Professional Publishing

National Bestseller The inside story of how A League of Their Own--one of the most beloved baseball movies of all time--developed from an unheralded piece of American history into a perennial cinematic favorite. Featuring exclusive interviews and behind the scenes memories from the original cast and creators, . No Crying in Baseball is a rollicking, revelatory deep dive into a one-of-a-kind film. Before A League of Their Own, few American girls could imagine themselves playing professional ball (and doing it better than the boys). But Penny Marshall's genre outlier became an instant classic and significant aha moment for countless young women who saw that throwing like a girl was far from an insult. Part fly-on-the-wall narrative, part immersive pop nostalgia, No Crying in Baseball is for readers who love stories about subverting gender roles as well as fans of the film who remain passionate thirty years after its release. With key anecdotes from the cast, crew, and diehard fanatics, Carlson presents the definitive, first-ever history of the making of the treasured film that inspired generations of Dottie Hinsons to dream bigger and aim for the sky.

Rememberings Open Road Media

young women who are interested in her profession, discussing such pertinent topics as style, make-up, hair, wardrobe, portfolios, and exercise. Original.

De Niro Rutgers University Press

Part travelogue, part social history, and part family saga, this book investigates the politics of heritage tourism and collective memory. Acclaimed historian Daniel J. Walkowitz visits key Jewish heritage sites from Berlin to Belgrade to Warsaw to New York to discover which stories of the Jewish experience get told and which get silenced.

International Index to Film Periodicals McFarland

'The financial investigation of the decade... Money Men instantly enters the canon of great financial crime books' Bradley Hope, author of The Billion Dollar Whale 'A rip-roaring ride into the underworld of the global economy' Tom Burgis, author of Kleptopia 'Required reading' The Economist 'A cross between the Enron scandal and Rosemary's Baby' John Lanchester, London Review of Books 'Reads like a crime drama' New Statesman 'The culmination of years of careful investigative work... Gripping' Evening Standard 'A thrilling, head-spinning book' Irish Times 'A rollercoaster read that reveals everything that's wrong with our financial system' Catherine Belton Now adapted as the Netflix documentary Skandal!, this is the stranger-than-fiction story of Wirecard, once a \$30 billion tech darling, now a smouldering wreck, by the journalist who brought it crashing down - perfect for those who loved Bad Blood and Empire of Pain. When journalist Dan McCrum followed a tip to investigate the hot new tech company challenging Silicon Valley, everything about Wirecard looked a little too good to be true: offices were sprouting up around the world, it was reporting runaway growth and the CEO even wore a black turtleneck in tribute to Steve Jobs. In the space of a few short years, the company had come from nowhere to overtake industry giants like Commerzbank and Deutsche Bank on the stock market. As McCrum dug deeper, he encountered a story stranger and more dangerous than he ever imagined: a world of short sellers and whistleblowers, pornographers and private militias, hackers and spies. Before long he realised that he wasn't the only one in pursuit. Shadowy figures were following him through the streets of London, high-flying lawyers were sending ominous letters to his boss, and he was named as the prime suspect in a criminal inquiry. The race was on to prove his suspicions and clear his name. Money Men is the astonishing true story of Wirecard's multi-billion-dollar fraud, Europe's biggest new tech darling revealed as a house of cards. Uncovering fake bank accounts, fake offices and possibly even a fake death, McCrum offers a searing exposé that will finally lay bare the truth.

The Remembered and Forgotten Jewish World Allyn & Bacon A comprehensive critical reference guide for film, video, and DVD discusses both popular movies and independent and international movies; reviews more than ten thousand films, including films from more than fifty countries; offers five different indexes--by star, director, theme, genre, and national origin--and more. Original. 25,000 first printing.

Conspiracy Cinema Pocket Books

A Companion to Martin Scorsese A Companion to Martin Scorsese "This valuable book brings the exceptional scale of Martin Scorsese's film work into clear view. His achievements are monumental, and the essays collected in this work provide wonderfully detailed and vivid analyses of his oeuvre. A comprehensive study of the most exciting filmmaker working today." Robert Burgoyne, University of St Andrews A Companion to Martin Scorsese, Revised Edition is a comprehensive collection of original essays assessing the career of one of America's most prominent contemporary filmmakers. The first reference work of its kind, this book contains contributions from influential scholars in North America and Europe. The essays use a variety of analytic approaches to study numerous aspects of Scorsese's work, from his earliest films to his place within the history of American and world cinema. They consider his work in relation to auteur theory, the genres in which he has worked, his use of popular music, and his recent involvement with film preservation. Several of the essays offer fresh interpretations of some of Scorsese's most influential films, including Mean Streets, Taxi Driver, Raging Bull, GoodFellas, Gangs of New York, Hugo, and The Irishman. Others take a broader approach and discuss the representation of violence, ethnicity, religion, sexuality, gender, race, and other themes across his work. With insights that will interest film scholars as well as movie enthusiasts, this is an important contribution to the scholarship of contemporary American cinema.

Elle Wheatmark, Inc.

A photographic look into the world of vinyl record collectors--including Questlove--in the most intimate of

environments—their record rooms. Compelling photographic essays from photographer Eilon Paz are paired with in-depth and insightful interviews to illustrate what motivates these collectors to keep digging for more records. The reader gets an up close and personal look at a variety of well-known vinyl champions, including Gilles Peterson and King Britt, as well as a glimpse into the collections of known and unknown DJs, producers, record dealers, and everyday enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

Anthology of Medical Conditions Ten Speed Press
Stone himself serves as guide to this no-holds-barred retrospective—an extremely candid and comprehensive monograph of the renowned and controversial writer, director, and cinematic historian in interview form. Over the course of five years, Academy Award-winning filmmaker Oliver Stone (*Midnight Express*, *Scarface*, *Platoon*, *JFK*, *Natural Born Killers*, *Snowden*) and New York Times bestselling author Matt Zoller Seitz (*The Wes Anderson Collection*) discussed, debated, and deconstructed the arc of Stone's outspoken, controversial life and career with extraordinary candor. This book collects those conversations for the first time, including anecdotes about Stone's childhood, Vietnam, his struggles with post-traumatic stress disorder, and his continual struggle to reinvent himself as an artist. Their dialogue is illustrated by hundreds of never-before-seen photographs and documents from Stone's personal archive, dating back to Stone's birth: personal snapshots, private correspondence, annotated script pages and storyboards, behind-the-scenes photography, and production files from all of his films to date—through 2016's *Snowden*, and including Stone's epic Showtime mini-series *Untold History of the United States*. Critical commentary from Seitz on each of Stone's films is joined by original essays from filmmaker Ramin Bahrani; writer, editor, and educator Kiese Laymon; writer and actor Jim Beaver; and film critics Walter Chaw, Michael Guarneri, Kim Morgan, and Alissa Wilkinson. At once a complex analysis of a master director's vision and a painfully honest critical biography in widescreen technicolor, *The Oliver Stone*

Experience is as daring, intense, and provocative as Stone's films—it's an Oliver Stone movie about Oliver Stone, in the form of a book. Both this book and Stone's highly anticipated film, *Snowden*, will be released in September 2016 to coincide with Stone's seventieth birthday (September 15, 1946). Also available from Matt Zoller Seitz: *Mad Men Carousel*, *The Wes Anderson Collection: Bad Dads*, *The Wes Anderson Collection: The Grand Budapest Hotel*, and *The Wes Anderson Collection*.

Human Resource Management John Wiley & Sons

A comprehensive critical reference guide for film, video, and DVD discusses both popular movies and independent and international movies; reviews more than 9,500 films, including films from more than fifty countries; offers five different indexes; and much more. Original.

Musical Review McFarland

(Book). Now in paperback! In this collection of interviews conducted between 1982 and 2004, music journalist, cultural commentator and Rolling Stone contributing editor Anthony DeCurtis conjures themes of songwriting, spirituality, making music and filmmaking out of his subjects. They include such icons as Keith Richards, Bono, Johnny Cash, Iggy Pop, Woody Allen, Eminem, Trey Anastasio, Paul McCartney, George Harrison, Bruce Springsteen, Phil Spector, Martin Scorsese, and Al Pacino. "Few are as qualified as DeCurtis to take you along for the ride, be it in Harrison's black Ferrari or in his other revealing sit-downs with pop culture's most captivating figures." Rolling Stone

Dust & Grooves Hachette Books

From the acclaimed, controversial singer-songwriter Sinéad O'Connor comes a revelatory memoir of her fraught childhood, musical triumphs, fearless activism, and of the enduring power of song. Blessed with a singular voice and a fiery temperament, Sinéad O'Connor rose to massive fame in the late 1980s and 1990s with a string of gold records. By the time she was twenty, she was world famous—living a rock star life out loud. From her trademark shaved head to her 1992 appearance on Saturday Night Live when she tore up Pope John Paul II's photograph,

Sinéad has fascinated and outraged millions. In *Rememberings*, O'Connor recounts her painful tale of growing up in Dublin in a dysfunctional, abusive household. Inspired by a brother's Bob Dylan records, she escaped into music. She relates her early forays with local Irish bands; we see Sinéad completing her first album while eight months pregnant, hanging with Rastas in the East Village, and soaring to unimaginable popularity with her cover of Prince's "Nothing Compares 2U." Intimate, replete with candid anecdotes and told in a singular form true to her unconventional career, Sinéad's memoir is a remarkable chronicle of an enduring and influential artist.

The Complete Idiot's Guide to Being a Model Lj Publishing

The only guide to this emerging genre of cinema. One hundred million people around the world have watched one of these films and this is the first book to explain and explore what they are seeing. Lighthearted, funny, and interactive, this is the definitive and only guide to this intriguing and immensely popular form of modern entertainment.

Access Skyhorse Publishing Inc.

They were almost The Pendletones--after the Pendleton wool shirts favored on chilly nights at the beach--then The Surfers, before being named The Beach Boys. But what separated them from every other teenage garage band with no musical training? They had raw talent, persistence and a wellspring of creativity that launched them on a legendary career now in its sixth decade. Following the musical vision of Brian Wilson, the Beach Boys blended ethereal vocal harmonies, searing electric guitars and lush arrangements into one of the most distinctive sounds in the history of popular music. Drawing on original interviews and newly uncovered documents, this book untangles the band's convoluted early history and tells the story of how five boys from California formed America's greatest rock 'n' roll band.
