Rich is fifteen and plays guitar. When his girlfriend asks him to perform at protest rally, he jumps at the chance. Unfortunately, the police show up, and so does Rich's dad. He's in big trouble. Again. To make matters worse, this happens near the anniversary of his uncle's death from a drug overdose years ago. Rich's dad always gets depressed this time of year, but whenever Rich asks questions about his late uncle, his dad shuts down. Frustrated by his dad's silence, Rich sneaks into his office and breaks into a locked cabinet that holds his dad's prized possession: an electric guitar signed by Jimi Hendrix. Before he knows it, Rich is transported to the side of a road in Upstate New York with a beautiful girl bending over him. It will take him a while to realize it's 1969, he's at Woodstock, and the girl's band of friends includes his fifteen-year-old dad and his uncle, who's still alive. In *Are You Experienced?* by Jordan Sonnenblick, what Rich learns, who he meets, and what he does could change his life forever.

Are You Experienced? Scholastic Inc.

From first-time novelist Jordan Sonnenblick, a brave and beautiful story that will make readers laugh and break their hearts at the same time. Thirteen-year-old Steven has a totally normal life: he plays drums in the All-Star Jazz band, has a crush on the hottest girl in the school, and is constantly annoyed by his five-year-old brother, Jeffrey. But when Jeffrey is diagnosed with leukemia, Steven's world is turned upside down. He is forced to deal with his brother's illness and his parents' attempts to keep the family in one piece. Salted with humor and peppered with devastating realities, *DRUMS, GIRLS, AND DANGEROUS PIE* is a heartwarming journey through a year in the life of a family in crisis. *1940 Edition* Feiwel & Friends

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

His older brother, Steven, lost it and took off to Africa to be in a drumming circle and "find himself." Rizzoli Publications

An unbelievably hilarious middle-grade true story from bestselling author Jordan Sonnenblick. In a typical school year, every kid has one or two things go wrong. But for Jordan, there's A LOT going wrong ALL THE TIME. Take this year. Here are some of the thing going wrong: -- His teacher hates him. Like, really hates him. Like, is totally out to get him even when he's trying to be good, and is willing to fail him on the simplest things, like show and tell. -- He has a slight breathing problem because of his asthma. And breathing is never really an optional activity. -- His pet snake has given birth to way, way, way too many baby snakes, all who need a home. -- He is finding that becoming The World's Best Drummer in no time whatsoever is maybe not the easiest goal. -- There are bullies ready to stomp him when all he has to defend himself with is a lunchbox. And all this doesn't even include the freak swing set accident, the fears inside his head, or the funniest class presentation ever. By keeping his cool (some of the time), banging on the drums (a lot), and keeping his sense of humor (all the time), Jordan's going to try to make it through the year... and grow up to write a book about it!

Dancing Home Houghton Mifflin Harcourt

In this timely tale of immigration, two cousins learn the importance of family and friendship. A year of discoveries culminates in a performance full of surprises, as two girls find their own way to belong. Mexico may be her parents' home, but it's certainly not Margie's. She has finally convinced the other kids at school she is one-hundred percent American—just like them. But when her Mexican cousin Lupe visits, the image she's created for herself crumbles. Things aren't easy for Lupe, either. Mexico hadn't felt like home since her father went North to find work. Lupe's hope of seeing him in the United States comforts her some, but learning a new language in a new school is tough. Lupe, as much as Margie, is in need of a friend. Little by little, the girls' individual steps find the rhythm of one shared dance, and they learn what "home" really means. In the tradition of *My Name is Maria Isabel*—and simultaneously published in English and in Spanish—Alma Flor Ada and her son Gabriel M. Zubizarreta offer an honest story of family, friendship, and the classic immigrant experience: becoming part of something new, while straying true to who you are.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to

members of our race.
