ERNESTO CARMELO

The Siege of Quebec and the Battle of the Plains of Abraham

Kluwer Law International B.V.

Conquête ottomane de l'Égypte (1517) propose de mesurer l'impact de la défaite mamelouke face aux Ottomans sur les structures sociales, politiques et culturelles de l'Égypte, ainsi que sur les équilibres géopolitiques en Méditerranée, et d'étudier comment les contemporains perçurent l'événement. Conquête ottomane de l'Égypte (1517) examines how far Selim I's victory and the subsequent fall of the Mamluk sultanate altered the political, social and cultural structures in Egypt, how far it transformed the balance of powers in the Mediterranean, and how contemporaries perceived this major event.

In accordance with Article 102 of the Charter and the relevant General Assembly Resolutions, every treaty and international agreement registered or filed and recorded with the Secretariat since 1946 is published in the United Nations Treaty Series. At present, the collection includes about 30,000 treaties reproduced in their authentic languages, together with translations into English and French, as necessary. The Treaty Series, where treaties are published in the chronological order of registration, also provides details about their subsequent history (i.e., participation in a treaty, reservations, amendments, termination, etc.). Comprehensive Indices covering 50-volume-lots are published separately. A Standing Order service is available for the Series and out-of-print volumes are available on microfiche.

The Collection of ICC Arbitral Awards 1996-2000 contains extracts of cases handled by the ICC Court of Arbitration, one of the world's most respected arbitral institutions. This most recent collection supplements three previous and successful volumes containing awards from the periods 1974-1985, 1986-1990 and 1991-1995. This collection is a practical reference tool, containing three types of useful indexes incorporating information from all three volumes: a consolidated analytical table, in both English and French, contains extensive cross-references based on the terminology used in awards and case notes; a chronological index lists the awards; a key word index, also provided in both languages, allows the reader to locate the material of interest quickly and easily. In addition to providing a wealth of information in a highly accessible manner, this book includes case notes and expert commentaries on the awards. This publication is an indispensable reference work for anyone interested in international arbitration and in the reasoning of international arbitrators on the interpretation and application of contractual clauses, international conventions, and the law of international trade. It is invaluable to both scholars and practitioners involved in the drafting and negotiation of international commercial contracts and the resolution of international commercial disputes. A bibliography and index are included.

A History of the Early Part of the Reign of James the Second
London : J. Harrison and Son

Amorcé par l'arrêt Köbler, un mouvement jurisprudentiel récent a conduit la Cour de justice à concevoir divers mécanismes qui permettent aux justiciables de sanctionner, directement ou indirectement, une juridiction nationale qui a méconnu son obligation de renvoi préjudiciel. C'est ainsi que les justiciables pourront solliciter la remise en cause de la chose décidée, voire de la chose jugée ou encore, chercher à engager la responsabilité «judiciaire» de l'État. On pressent pourtant que les solutions, très restrictives, forgées par la Cour de justice sont supplantées par les dispositifs nationaux. Ceux-ci paraissent en effet plus aisés à actionner, voire plus performants, qu'il s'agisse de la violation du droit au juge légal, comme en Allemagne ou en Espagne, ou encore de l'introduction du dispositif législatif suédois. La présentation - sans égal à ce jour - de près de vingt rapports nationaux permettra de mieux apprécier l'effectivité de la protection juridictionnelle dont disposent les justiciables via le renvoi préjudiciel. L'intérêt de cet ouvrage est d'autant plus vif que l'adhésion prochaine de l'Union européenne à la Convention européenne des droits de l'homme se traduira vraisemblablement par une revitalisation des dispositions permettant de sanctionner une violation de l'obligation de renvoi préjudiciel. Cet ouvrage s'adresse principalement aux magistrats et aux avocats, ainsi qu'aux universitaires spécialisés dans l'étude du droit processuel.

This collection contains a selection of papers presented at the very First All-European Canadian Studies Conference that took place in The Hague, October 24-27, 1990. This unique meeting took place for the first time in the history of Canadian Studies. The focus of the papers is on the future rather than the past and it took place at a moment in time when Canada went through major crises that raised serious doubts about the country's future. The papers of this volume explore the main issues and problems that Canada faces. The volume contains sections on demography, environmental problems, economic transformations, Canadian identity, political power structure, aboriginal issues and Canada's international relations. As a whole the book takes stock where Canada stands and where it is going.
