GLOVER HARRINGTON

Harper's Magazine Рипол Классик

My poems are about places on Cape Ann, in the wider world, and in interior places of mind and heart. I often write poetry about beauty as revelatory of transcendent meanings in nature, community, and intuitions of the divine. The introduction reveals my literary and religious connections to Lucy Larcom, a nineteenth-century writer who is most famous for her book of prose, *A New England Girlhood Outlined from Memory* and her book of poetry, *Wild Roses of Cape Ann*. For both my historical soul sister and for me, beauty is sacramental, signaling the Creator in creation. Beauty is beatitude infused. I invite you to contemplate with me. Perhaps our paths will converge. It is my hope that you will discover challenge, comfort, and even joy.

Compass American Guides: Cape Cod, 1st Edition Compass America Guides

Eric Sloane's evocative oils of America's landscape and material culture shimmer with immense historical and nostalgic appeal. This original hardcover collection gathers nearly a hundred of his finest paintings, with subjects ranging from New England to the American Southwest.

Hunger in America University Rochester Press

Harper's informs a diverse body of readers of cultural, business, political, literary and scientific affairs.

Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 Bloomsbury Publishing USA

Selected by The New York Times Book Review as a Notable Book of the Year A revelatory tale of science, adventure, and modern myth. When the writer Donovan Hohn heard of the mysterious loss of thousands of bath toys at sea, he figured he would interview a few oceanographers, talk to a few beachcombers, and read up on Arctic science and geography. But questions can be like ocean currents: wade in too far, and they carry you away. Hohn's accidental odyssey pulls him into the secretive world of shipping conglomerates, the daring work of Arctic researchers, the lunatic risks of maverick sailors, and the shadowy world of Chinese toy factories. *Moby-Duck* is a journey into the heart of the sea and an adventure through science, myth, the global economy, and some of the worst weather imaginable. With each new discovery, Hohn learns of another loose thread, and with each successive chase, he comes closer to understanding where his castaway quarry comes from and where it goes. In the grand tradition of Tony Horwitz and David Quammen, *Moby-Duck* is a

compulsively readable narrative of whimsy and curiosity.

Carl W. Peters Penguin

Four acclaimed novels by "a born storyteller," the New York Times–bestselling author of *The Rules of Magic* and *The Dovekeepers* (Entertainment Weekly). One of today's most beloved authors of lyrical fiction with a touch of magic, Alice Hoffman boasts a body of work that has been praised by readers and critics from the very beginning. This collection includes her first novel, plus three more of her outstanding tales. *Property Of*: Hoffman's debut about teenage girls in mascara and leather and their attraction to local toughs is "a remarkably envisioned novel, almost mythic in its cadences" (The New York Times). *The Drowning Season* intertwines the stories of two women named Esther: a granddaughter, who yearns to escape the Long Island shore and the coldness of the family matriarch; and her grandmother, who fled her abusive parents in Russia decades before. This novel "casts the spell of all great fairy tales. It takes daily life and transforms it into myth as we watch" (Chicago Sun-Times). *Fortune's Daughter*: A New York Times Notable Book, this luminous novel of a restless young traveler and a fortune-teller with a secret is a tribute to the profound mysteries of motherhood and childbirth from a writer who, in the words of Amy Tan, "takes seemingly ordinary lives and lets us see and feel extraordinary things." *At Risk* is a New York Times bestseller that "will leave few dry eyes" (Library Journal). In 1980s America, a family copes with their daughter's terrifying AIDS diagnosis.

Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years, and it has also diversified in terms of the types of stories being told—and persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative, organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads, *Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books.

Wild Roses of Cape Ann Crown

Important American periodical dating back to 1850.

Eric Sloane's America Manchester University Press

A New York Times bestseller from the author of *The Rules of Magic*: In 1980s America, a family copes with their daughter's terrifying diagnosis. In a lovely old house near the coast of Massachusetts, the Farrells go through the routines of a typical August morning. Eight-year-old Charlie, a junior biologist and dinosaur expert, tries to collect one of his insect specimens. His sister, Amanda, a talented gymnast who at eleven years old is already saving her money to try out for the Olympics, prepares for her last meet of the summer. Ivan, their absent-minded father, is involved with his work as an astronomer. Out in the garden, his wife, Polly, wonders how she can trick her children into eating more zucchini. They are a family as unique and ordinary as any other, but their world will soon be shattered when Amanda is diagnosed with the disease that has been making headlines lately: AIDS. The new and still-mysterious ailment scares them—and their friends and neighbors as well. In an instant, everything that gave their lives meaning is ripped away, and the intimacy that once came so naturally vanishes. Too overcome with grief to turn to each other, Ivan and Polly seek solace elsewhere. Charlie is abandoned by his best friend and, for long stretches at a time, forgotten by his parents. Amanda, who holds on to her dreams so tightly, must somehow find a way to let go. Torn apart by the prospect of their loss, Polly, Ivan, and Charlie must find the courage to come back together again—for Amanda's sake and for their own. *At Risk* is an exquisite book about true sorrow and even truer devotion.

At Risk Open Road Media

A woman in trouble tries to change her life in a “beautifully written” novel about “the complex demands and joys and risks of all kinds of love” (Kim Edwards, #1 New York Times–bestselling author of *The Memory Keeper's Daughter*). Jo Sinclair, a single parent of four children, has fled an abusive relationship, winding up in Sea Cove, New Jersey, in front of *The Breakers*, a salty old hotel in the process of renovation. In this unlikely setting, Jo is intent on finding a way to renovate herself, to reclaim the promising life that was derailed by pregnancy when she was fourteen. She impulsively convinces the owner to give her a job painting the rooms and settles in with her youngest child, thirteen-year-old Nick. A grand cast of characters wanders through this little world, among them Iris Zephyr, the hotel's ninety-two-year-old permanent boarder; Charlie, a noble mixed breed dog; Wendy, Jo's tough eighteen-year-old daughter, who has suffered most from her mother's past mistakes; and Marco, the nearby gas station owner, who seems likely to become her mother's next mistake. But soon Jo's former teacher, a well-known and exuberant poet, arrives on the premises to stir everything up, including Jo's yearning for a life of art and committed love. *At The Breakers* is a deeply felt and beautifully written novel about forgiveness and reconciliation by the acclaimed author of *Come and Go*, Molly Snow. Its heroine, put through the fire, comes out with a chance for happiness—if she can muster the faith, courage, and optimism to take that chance. “Incisive, witty prose.” —Kirkus Reviews

At The Breakers Courier Corporation

When prosperous lawyer Ernest Brendel mysteriously disappeared, along with his wife Alice, and their 8-year-old daughter Emily, friends in the close-knit Rhode Island neighborhood worried that family had been kidnapped. It would be agonizing months in a massive FBI search before they would know the heartbreaking truth. The shaken community began to lose hope that the family would ever be found alive. Their worst fears were confirmed when heavy rains from a tropical storm uncovered Alice and Ernest Brendel's badly decomposed bodies--shot with a giant crossbow, strangled, and buried in the quiet woods of the town. Lying under her mother's corpse was little Emily's lifeless body, now a silent witness to her killer's shocking identity. Like a hand pointing from the grave, the evidence led authorities to one of Ernest Brendel's closest and most trusted friends. What Ernest couldn't have known was that Christopher Hightower--a Sunday school teacher and respected member of the community--was a psychotic liar obsessed with greed, jealousy, and murderous revenge.

NEW BOOK! There's more to the Cape than the beach, and this new illustrated guide showcases the breadth and depth of this popular part of Massachusetts.

"Motor Trips", Eastern America St. Martin's Paperbacks

A disarmingly involving portrait of a family struggling to stay together through the Great Depression, *The Cape Ann* is an unforgettable story of life from a child's-eye view. Lark Erhardt, the six-year-old narrator of *The Cape Ann*, and her fiercely independent mother dream of owning their own house; they have their hearts set on the Cape Ann, chosen from a house catalog. But when Lark's father's gambling threatens the down payment her mother has worked so hard to save, Lark's mother takes matters into her own indomitable hands.

Explorer's Guide Cape Cod, Martha's Vineyard & Nantucket (12th Edition) BoD – Books on Demand Throughout his life Peters depicted the ordinary places and people of America. From Rochester to Rockport, Peters made an amazingly coherent group of fascinating, masterful American pictures.

Building a Foundation for Families The Countryman Press

On her farm in Massachusetts, nutritionist Diana Rodgers has found a way back to a healthy, active lifestyle with a focus on nutritious and delicious eating, raising animals, growing vegetables, and balancing work and play. Anyone can have the same healthy, balanced lifestyle and a closer connection to their food—whether you live in a house in the suburbs, a farmhouse in the countryside, or an apartment in the city. The Homegrown Paleo Cookbook shows you how. With more than 100 seasonal Paleo recipes, guides to growing your own food and raising animals, and inspiring how-tos for crafts and entertaining, The Homegrown Paleo Cookbook is a guide not just for better eating, but for better living—and a better world.

Proceedings of the American Academy of Arts and Sciences Acorn Press (AU)

Arguing that women use autobiography and performance for expression and as a means of

controlling their public and private selves, the contributors of these 11 essays examine the lives and work of a variety of artists ranging from actors as working women in the eighteenth century to monologists and performance artists today. Subjects include several performers, including Alma Ellerslie, Kitty Marion, Ina Rozant, Susan Glaspell, Adrienne Kennedy, Emma Robinson, Lena Ashwell, Tilly Wedekind, Clare Dowie, Janet Cardiff, Tracey Emin, and, in an interview, Bobby Baker, as well as essays on Latina theater and lesbians as performers constructing themselves and their community.
