The Golden Age Of TelevisionsIn the United States, the current Golden Age of Television, or Peak TV, has been a period widely regarded as being marked by a large number of "high quality", internationally acclaimed television programs. Named in reference to the original Golden Age of Television in the 1950s, the period has also been referred to as the "New", "Second" or "Third Golden Age of Television". The various names reflect disagreement over whether shows of the 1980s and 1990s belong to a since-concluded golden era or Golden Age of Television (2000s-present) - WikipediaThe first Golden Age of Television is the era of live television production in the United States, roughly from the late 1940s through the late 1950s. According to The Television Industry: A Historical Dictionary, "the Golden Age opened with Kraft Television Theatre on May 7, 1947, and ended with the last live show in the Playhouse 90 series in 1957;" the Golden Age is universally recognized to have ended by 1960, as the television audience and programming had shifted to less critically acclaimedGolden Age of Television - WikipediaAs Silicon Valley upstarts and legacy media companies do battle over our screens, whatever happened to the golden age of television?
