JAMARCUS GIANNA

111 Gründe, Boxen zu lieben John Wiley & Sons

Modern Israel is a place filled with contradictions: the beautiful landscape often rife with human conflict; the tranquil and the peaceful in constant struggle with terrible destruction; and amazing human love and kindness set against a backdrop of civil strife. Through the eyes of a writer like Batya Gur and her finest creation, Chief Superintendent Michael Ohayon, these complexities are treated with an intimate familiarity and rare depth of understanding. When a woman's body is discovered in the wardrobe warehouses of Israel Television, the brooding Ohayon embarks on a tangled and bloody trail of detection through the corridors and studios of Israel's official television station and, especially, through the relations, fears, loves, and courage of the people who make the station what it is. It is a journey that brings into question the very ideals upon which Ohayon -- and indeed the entire nation -- was raised, ideals that may have led to terrible crimes. Chief Superintendent Ohayon has spent his career surrounded by perplexing and horrific cases, but perhaps nothing disturbs him more deeply than what this mysterious woman's murder reveals. For the media, often at the center of the Israeli consciousness -- a place where political tensions; hostility; corruption; and the ethnic, social, and religious divisions that shake the nation come together -- may indeed be at the root of an unspeakable evil. Murder in Jerusalem is the crowning achievement of a magnificent career, this final installment in the Michael Ohayon series a wonderful parting gift from the incomparable Batya Gur -- one last fascinating visit to an always tumultuous land, in the company of a writer and a detective so many devoted readers have loved so well.

Weimar Culture: The Outsider as Insider Routledge

This book provides the first systematic overview of German sociology today. Thirty-four chapters review current trends, relate them to international discussions and discuss perspectives for future research. The contributions span the whole range of sociological research topics, from social inequality to the sociology of body and space, addressing pressing questions in sociological theory and innovative research methods. Max Schmeling and the Making of a National Hero in Twentieth-Century Germany Auer Verlag

Media Sport Stars considers how masculinity and male identity are represented through images of sport and sport stars. From the pre-radio era to today's specialist TV channels, newspaper supplements and websites, Whannel traces the growing cultural importance of sport and sportmen, showing how the very practices of sport are still bound up with the production of masculinities. Through a series of case studies of British and American sportsmen, Whannel traces the emergence of the sporting 'hero' and 'star', and considers the ways in which the lives of sport stars are narrated through the media. Focusing on figures like Muhammad Ali and David Beckham, whose fame has spread well beyond the world of sport, he shows how growing media coverage has helped produced a sporting system, and examines how modern celebrity addresses the issues of race and nation, performance and identity, morality and violence. From Babe Ruth to Mike Tyson, Media Sport Stars demonstrates that, in an era in which both morality and masculinity are perceived to be 'in crisis', sport holds a central place in contemporary culture, and sport stars become the focal point for discourses of masculinity and morality.

Rabbit's Blues John Benjamins Publishing

2017 Reprint of 1930 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition software. Influenced by the rise of the science of psychology and the turmoil of the early 20th century, The Hoax [also translated as A Perfect Hoax] is an ironic and affectionate story of illusion, self-deception, and impracticality in a practical world. Mario Samigli is in his seventies; he has all but given up his cherished aspirations as a writer and smiles at the world through his one remaining literary outlet--fables. When a travelling salesman with a taste for practical jokes persuades him that a Viennese publishing company wants to translate his early failed novel, Mario is caught in a fantasy of success and fame, and neglects his beloved invalid brother. The Hoax follows the elaborate prank as it escalates, forcing Mario blindly down a road that can only lead to disappointment.

Smita, Giulia, Sarah: three lives, three continents, three women with nothing in common, but nevertheless bound by a rare expression of courage . . . like three strands in a braid. Through the story of one woman's hair, three women's destinies are drawn together. India. Smita is an untouchable, married to a 'rat hunter', her job to clean with her bare hands the village latrines, just like her mother before her. Her dream is to see her daughter escape this same fate, and learn to read. When this hope is shattered, she decides to run away with the child, despite her husband's warnings, sacrificing what is most precious to her: her hair. Sicily. Giulia is a worker in her father's wig workshop, the last of its kind in Palermo. She classifies, washes, bleaches, and dyes the hair provided by the city's hairdressers. When her father is the victim of a serious accident, she quickly discovers the family company is bankrupt. Canada. Sarah is a reputed lawyer. As a twice-divorced mother of three children, she ploughs through cases at breakneck speed. Just as she is about to be promoted, she learns she has breast cancer. Her seemingly perfect existence begins to show its cracks . . . But this is only if one ignores the incredible lust for life that keeps her going. Laetitia Colombani's *The Braid* is the powerfully moving story of three women's courage in the face of adversity.

Journey Through America Berghahn Books

Roger Federer is an icon. One of the greatest tennis players of all time, he is also one of the most highly regarded and best-loved figures in the sporting world. Veteran tennis writer René Stauffer has been closely covering Federer's career for nearly twenty-five years. In this comprehensive biography, Stauffer talks at length to the man himself as well as family, friends, coaches and rivals to paint an unrivalled picture of this extraordinary athlete, family man, philanthropist, businessman and sporting ambassador. From Federer's early life in Basel, Switzerland, where he first picked up a tennis racquet, to the heights of his twentieth Grand Slam victory and all points in between, Stauffer explores the secrets of Federer's success, the hardships and doubts that he has faced and examines Federer's legacy in the modern game. Insightful, touching and revealing, this is the most definitive biography on Roger Federer ever written.

Soziologie - Sociology in the German-Speaking World NorthSouth Books

"Es muss nicht immer Malle sein", beschließt die weltoffene Biene aus dem Ruhrpott. Diesen Sommer geht es für sie zum allerersten Mal an die Ostsee! Schon lange schwärmt ihr Freund Karsten vom Paradies vor der Haustür. Nun ist es endlich soweit. Doch bald muss sich Biene ihre Schwierigkeiten mit Poseidons Küche eingestehen. Ihr und Karsten begegnen Menschen, denen ein halbes Nicken fast schon als Geschwätzigkeit gilt. Und als Biene ihre Lust am Nacktbaden entdeckt, muss sie erkennen, dass FKK nicht überall gern gesehen ist. Strömungen im Wasser und Reptilien an Land bergen ihre Gefahren, und possierliche Vögel verwandeln sich im Nullkommanix in reißende Monster. Trotz allem fühlt sich Biene zwischen Bodden und See bald richtig wohl, und dann bereitet ihr Karsten noch eine ganz besondere Überraschung. Der ultimative Reiseknigge für die deutsche Ostseeküste

Analysis of Jazz Conbook Verlag

A seminal work as melodious and haunting as the era it chronicles. First published in 1968, *Weimar Culture* is one of the masterworks of Peter Gay's distinguished career. A study of German culture between the two wars, the book brilliantly traces the rise of the artistic, literary, and musical culture that bloomed ever so briefly in the 1920s amid the chaos of Germany's tenuous post-World War I democracy, and crashed violently in the wake of Hitler's rise to power. Despite the ephemeral nature of the Weimar democracy, the influence of its culture was profound and far-reaching, ushering in a modern sensibility in the arts that dominated Western culture for most of the twentieth century. Vivid and eminently readable, *Weimar Culture* is the finest introduction for the casual reader and historian alike.

Vollständiges Bücher-Lexicon ... 1750-1910 Verlag die Werkstatt

Analysis of Jazz: A Comprehensive Approach, originally published in French as *Analyser le jazz*, is available here in English for the first time. In this groundbreaking volume, Laurent Cugny examines and connects the theoretical and methodological processes that underlie all of jazz. Jazz in all its forms has been researched and analyzed by performers, scholars, and critics, and *Analysis of Jazz* is required reading for any serious study of jazz; but not just musicians and musicologists analyze jazz. All listeners are analysts to some extent. Listening is an active process; it may not involve questioning but it always involves remembering, comparing, and listening again. This book is for anyone who attentively listens to and wants to understand jazz. Divided into three parts, the book focuses on the work of jazz, analytical parameters, and analysis. In part one, Cugny aims at defining what a jazz work is precisely, offering suggestions based on the main features of definition and structure. Part two he dedicates to the analytical parameters of jazz in which a work is performed: harmony, rhythm, form, sound, and melody. Part three takes up the analysis of jazz itself, its history, issues of transcription, and the nature of improvised solos. In conclusion, Cugny addresses the issues of interpretation to reflect on the goals of analysis with regard to understanding the history of jazz and the different cultural backgrounds in which it takes place. *Analysis of Jazz* presents a detailed inventory of theoretical tools and issues necessary for understanding jazz.

This lively, beginning German text is the perfect choice for those who want to move in a more communicative direction without abandoning a focus on grammar. Deutsch: Na Klar! uses a solid four-skills approach with a difference: the vocabulary, grammar, and reading sections are integrated with authentic materials, allowing students to learn language and culture simultaneously. German materials (advertisements, menus, newspaper articles, etc.) are used to present new vocabulary, introduce grammar points, and launch communicative activities. A listening-comprehension tape is tied to the text-book to help students improve listening skills.

"Wildly entertaining . . . as it unfolds, brutal truths about class and gender and violence emerge, take hold and shudder through the novel's final pages." —Megan Abbott, national bestselling author

As a boy, Hans Stichler enjoys a fable-like childhood among the rolling hills and forests of North Germany, living an idyll that seems uninterrupted—until two disasters change his life forever. He falls into the guardianship of his eccentric English aunt Alex, who invites him to come to university at Cambridge, where she teaches art history. Alex will ensure his application to St. John's College is accepted, but in return Hans must help her investigate a secretive Cambridge institution known as the Pitt Club. The Club has existed at Cambridge for centuries, its long legacy of tradition, privilege, and decadence largely unquestioned. As Hans makes his best efforts to prove Club material, including training for the university boxing team, he is drawn into a glamorous world of debauchery and macho solidarity. And when he falls in love with fellow student Charlotte, the stakes of his deception are raised. For there are dark secrets in the Club's history, as well as in its present—and Hans soon finds himself in the inner sanctum of a dangerous institution, forced to grapple with the notion that sometimes one must do wrong to do right. "The Club starts out as a poignant coming-of-age tale and then morphs into an intelligent, fast-paced thriller that scrutinizes class divides and gender imbalance." —Minneapolis Star Tribune "A timely, beautifully paced novel about class and prestige in the #MeToo era." —Booklist

[Fettnäpfchenführer Ostsee](#) Grove Press

Currently the notion of "sustainability" is used in an inflationary manner. Therefore the authors start with a definition which is stable to serve as an anchor for further research as well as for discussions among scientists, managers and politicians, ideally across different disciplines. The character of this book is purely conceptual. The argumentation is based on comparison of new and demanding requisites with existing models (process and network architectures in the field of logistics). Formerly neglected impacts on the environment will be included. Main features of a new approach will be developed which are capable to avoid these impacts and to align logistics with the requirements of sustainability. In order to make logistics sustainable large parts will have to be reinvented. The focus needs to be on decoupling transportation activities from economic growth rates.

[Vollständiges Bücher-Lexicon enthaltend alle von 1750 bis zu Ende des Jahres 1832 \[-1910\] in Deutschland und in den angrenzenden Ländern gedruckten Bücher](#) Routledge

This is really two books in one: a valuable reference resource, and a groundbreaking case study that represents a new approach to constructional semantics. It presents a detailed descriptive survey, using extensive examples collected from the Internet, of German verb constructions in which the expressions durch ('through'), über ('over'), unter ('under'), and um ('around') occur either as inseparable verb prefixes or as separable verb particles. Based on that evidence, the author argues that the prefixed verb constructions and particle verb constructions themselves have meaning, and that this meaning involves subjective construal processes rather than objective information. The constructions prompt us to distribute focal attention according to patterns that can be articulated in terms of Talmy's notion of [perspectival modes]. Among the other topics that play an important role in the analysis are incremental themes, reflexive trajectors, fictive motion, [multi-directional paths], and [accusative landmarks].

[111 Gründe, Boxen zu lieben](#) Harper Collins

In his eulogy of saxophonist Johnny Hodges (1907-70), Duke Ellington ended with the words, "Never the world's most highly animated showman or greatest stage personality, but a tone so beautiful it sometimes brought tears to the eyes--this was Johnny Hodges. This is Johnny Hodges." Hodges' unforgettable tone resonated throughout the jazz world over the greater part of the twentieth

century. Benny Goodman described Hodges as "by far the greatest man on alto sax that I ever heard," and Charlie Parker compared him to Lily Pons, the operatic soprano. As a teenager, Hodges developed his playing style by imitating Sidney Bechet, the New Orleans soprano sax player, then honed it in late-night cutting sessions in New York and a succession of bands led by Chick Webb, Willie "The Lion" Smith, and Luckey Roberts. In 1928 he joined Duke Ellington, beginning an association that would continue, with one interruption, until Hodges' death. Hodges' celebrated technique and silky tone marked him then, and still today, as one of the most important and influential saxophone players in the history of jazz. As the first ever biography on Johnny Hodges, *Rabbit's Blues* details his place as one of the premier artists of the alto sax in jazz history, and his role as co-composer with Ellington.

[Alexanderplatz, Berlin](#) Routledge

A Companion to American Sport History presents a collection of original essays that represent the first comprehensive analysis of scholarship relating to the growing field of American sport history. Presents the first complete analysis of the scholarship relating to the academic history of American sport. Features contributions from many of the finest scholars working in the field of American sport history. Includes coverage of the chronology of sports from colonial times to the present day, including major sports such as baseball, football, basketball, boxing, golf, motor racing, tennis, and track and field. Addresses the relationship of sports to urbanization, technology, gender, race, social class, and genres such as sports biography. Awarded 2015 Best Anthology from the North American Society for Sport History (NASSH)

Wer ist beim legendären 1. FC Union Berlin "Wertvollster Spieler aller Zeiten"? Wolfgang "Potti" Matthies, der zwischen 1974 und 1988 in 253 Pflichtspielen das Tor der Eisernen hütete. Frank Nussbücker erzählt die Lebensgeschichte einer starken Persönlichkeit, die auf dem Platz regierte, gewagte Ausflüge aus dem Strafraum unternahm, lange ohne Handschuhe spielte und von einer bis heute anhaltenden Vereinstreue durchdrungen ist. Mitspieler und Nachfolger bei Union wie Joachim Sigusch, Rolf Weber oder Ronny Nikol kommen ebenfalls zu Wort.

[Hansa Sanage Publishing House Llp](#)

Amerikafahrt by Wolfgang Koeppen is a masterpiece of observation, analysis, and writing, based on his 1958 trip to the United States. A major twentieth-century German writer, Koeppen presents a vivid and fascinating portrait of the US in the late 1950s: its major cities, its literary culture, its troubled race relations, its multi-culturalism and its vast loneliness, a motif drawn, in part, from Kafka's *Amerika*. A modernist travelogue, the text employs symbol, myth, and image, as if Koeppen sought to answer de Tocqueville's questions in the manner of Joyce and Kafka. Journey through America is also a meditation on America, intended for a German audience and mindful of the destiny of postwar Europe under many Americanizing influences.

[Lily, the Little Elf Princess](#) W. W. Norton & Company

What is life really like for the elite athlete? How does the experience of being a professional sports person differ from the popular perceptions of fans, journalists or academics? Why might elite sports people experience mental health difficulties away from the public gaze? In the first book-length study of its kind, Kitrina Douglas and David Carless present the life stories of real elite athletes alongside careful analysis and interpretation of those stories in order to better understand the experience of living in sport. Drawing on psychology, sociology, counselling, psychotherapy and narrative theory, and on narrative research in sports as diverse as golf, track and field athletics, judo and hockey, they explore the ways in which the culture of sport interacts with the mental health, development, identity and life trajectories of elite and professional sports people in highly pressurised and sometimes unhealthy environments. By casting light on a previously under-researched aspect of sport, the book makes a call for strategies to be put in place to minimise difficulties or distress for athletes, for support to be tailored across the different life phases, and highlights the potential benefits in terms of athlete well-being and improved performance. The book also considers how these important issues relate to broader cultural and social factors, and therefore represents important reading for any student or professional with an interest in sport psychology, coaching, sport sociology, youth sport, counselling, or exercise and mental health.
