From international bestselling author Harriet Tyce comes a chilling psychological thriller set in one of Edinburgh's poshest neighborhoods, where a lavish New Year's Eve party ends in a gruesome double murder. Sylvie understands the crime she and Tess committed decades ago was wrong, and that's why she has buried the secret deep in her past—no one needs to know about the person Sylvie once was, especially since it would mean the end of her relationship and ruin her breakout legal career. But when Tess is diagnosed with cancer, she decides the time is right to make amends for past wrongs and organizes an extravagant New Year's Eve party as a backdrop for her dramatic confessions. As midnight approaches and the countdown begins, it seems one of the guests doesn't want a resolution. They want revenge. They want someone at this party to die. With a deliciously twisty plot and a heart-stopping finale, *It Ends at Midnight* is perfect for fans of Lucy Foley and Gillian Flynn, serving as an unnerving yet propulsive examination of exactly what we might be willing to say—and even believe—to justify our worst mistakes.

"Truly exciting...[Andrews] has moved into the winner's circle with *Heart Trouble*." — St. Louis Post-Dispatch The fifth installment of this popular series sends cleaning lady/sleuth Callahan Garrity after the killer of the most hated woman in Atlanta. Former cop, currently co-owner of the House Mouse housecleaning service, and freelance p.i., Callahan Garrity raises eyebrows when she accepts an assignment from the most hated person in Atlanta — a wealthy white socialite who killed a young Black girl in a drunken hit-and-run and was punished with no more than a slap on the wrist. Even Callahan's "Mice" are grumbling. But when a roadside murder turns up the heat on the racial tensions that have been simmering dangerously since Whitney Albright Dobbs received her laughably light sentence, Callahan realizes she'll have to pull out all the stops to trap a mean, mad killer — for the sake of justice and a city that's threatening to explode.

"Katherine Paterson illuminates the true meaning of Christmas in twelve modern-day stories written over the years for her husband, a pastor, to read to his congregation on each Christmas Eve. A man driving to see his dying father picks up a young hitchhiker who attempts to rob him; a proud and lonely widow is befriended by a persevering boy trying to earn a star for his church group; in Communist China, a female scholar and an old night watchman secretly bond together to read the Bible.

Whether depicting a child coping with disappointment or a couple awaiting the birth of their baby, all these stories present a vision of hope and peace harking back to that first Christmas two thousand years ago."--BOOK JACKET. NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city: "Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime."—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

Winner of the Guild of Food Writers General Cookbook Award 2020 'A manual for living and a declaration of hope' Nigella Lawson 'A moving testimonial to the redemptive power of cooking. Generous, honest and uplifting' Diana Henry There are lots of ways to start a story, but this one begins with a chicken... When the world becomes overwhelming, Ella Risbridger focuses on the little things that bring her joy, like enjoying a glass of wine when cooking, FaceTiming with a friend whilst making bagels, and sharing recipes that are good for the soul. One night she found herself lying on her kitchen floor, wondering if she would ever get up – and it was the thought of a chicken, of roasting it, and of eating it, that got her to her feet and made her want to be alive. *Midnight Chicken* is a cookbook. Or, at least, you'll flick through these pages and find recipes so inviting that you will head straight for the kitchen: roast garlic and tomato soup, uplifting chilli-lemon spaghetti, charred leek lasagne, squash skillet pie, spicy fish finger sandwiches and burnt-butter brownies. It's the kind of cooking you can do a little bit drunk, that is probably better if you've got a bottle of wine open and a hunk of bread to mop up the sauce. But if you settle down and read it with a cup of tea (or a glass of that wine), you'll also discover that it's an annotated list of things worth living for – a manifesto of moments worth living for. This is a cookbook to make you fall in love with the world again. Featuring an entire chapter on storecupboard recipes.
