"Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -iBooks Official Review All's fair when you're in love with War. For Mia Ahlström, a world ruled by order is the only world she allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And while her five year plan includes finding her very own happily-evah-aftah, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had.

This is one crown you don't want. Born and raised in the Dregs, the last thing I expected was the "honor" of being recruited to Crown Princess Academy. And by honor, I mean fighting for my life against the fae that rule our world. Our first exam is in three weeks and not every student will make it out alive... don't these bimbos realize that? I'm not fooled. I know how ruthless the fae can be. All the princess initiates are captivated by Lucas, the sexy fae Crown Prince who, in turn, seems fixated on me. He can't know that I'm actually the most powerful Malice Caster in the Dregs. I'm sure my talents for the Criminal Guild won't earn me any extra credit in my princess classes. All my life I've stayed one step ahead of the two-faced fae and their Malice, the out of control black magic that has nearly wiped out all of humanity. This is my chance to do more than survive--this is my chance to fight back. I'll play the Crown Prince's game. I'll wear the tiny initiate crown, dance in my glittering pink dress, survive the deadly exams, and ultimately graduate as the Crown Princess all while he thinks I'm playing right into his plans. He's in for a surprise when I reveal who I am and wipe that sexy, smug grin off his face... I just hope my heart doesn't forget he's the enemy. This is an upper YA/NA paranormal and fantasy series with enemies-to-lovers romance and HEA.
