*Perdurabo, Revised and Expanded Edition* Watkins Media Limited Aleister Crowley (1875-1947) has been seen variously as a man of notorious sexual habits, a satanic occultist, and latterly an icon of the 1960s love generation. But Crowley was neither a mere sexual predator nor a vulgar black magician. He was the synthesiser of what he termed 'Magick'. In this cogent and intensely readable account of Crowley's life and occult progress, Francis X King examines each of the three main sources of Magick - thus throwing much new light on Crowley himself, and doing much to explain the continuing admiration for his writings.

**An Interpretation of Aleister Crowley's Search for Meaning**  
Lulu.com

The name "Aleister Crowley" instantly conjures visions of diabolic ceremonies and orgiastic indulgences—and while the sardonic Crowley would perhaps be the last to challenge such a view, he was also much more than "the Beast," as this authoritative biography shows. Perdurabo (the magical name Crowley chose

when inducted into the Hermetic Order of the Golden Dawn) traces Crowley's remarkable journey from his birth as the only son of a wealthy lay preacher to his death in a boarding house as the world's foremost authority on magick. Along the way, he rebels against his conservative religious upbringing; befriends famous artists, writers, and philosophers (and becomes a poet himself); is attacked for his practice of "the black arts"; and teaches that science and magick can work together. While seeking to spread his infamous philosophy of "Do what thou wilt shall be the whole of the Law," Crowley becomes one of the most notorious figures of his day. Based on Richard Kaczynski's twenty years of research, and including previously unpublished biographical details, Perdurabo paints a memorable portrait of the man who inspired the counterculture and influenced generations of artists, punks, wiccans, and other denizens of the demimonde.

**Aleister Crowley** St. Martin's Press

"A Magick Life is a detailed and extensively researched biography, a uniquely unbiased study of one of the twentieth century's most charismatic, misinterpreted and controversial

figures, a brilliant polymath whose considerable intellect and talent were crushed by his self-destructiveness."--Back cover

**The Life of Aleister Crowley** Perdurabo, Revised and Expanded Edition  
The Life of Aleister Crowley

Aleister Crowley (1875-1947) is one of the most famous and significant authors in the history of western esotericism. Crowley has been long ignored by scholars of religion whilst the stories of magical and sexual practice which circulate about him continue to attract popular interest. "Aleister Crowley and the Temptation of Politics" looks at the man behind the myth - by setting him firmly within the politics of his time - and the development of his ideas through his extensive and extraordinarily varied writings. Crowley was a rationalist, sympathetic to the values of the Enlightenment, but also a romantic and a reactionary. His search for an alternative way to express his religious feelings led him to elaborate his own vision of social and political change. Crowley's complex politics led to his involvement with many key individuals, organisations and groups of his day - the secret service of various countries, the German Nazi party, Russian political activists, journalists and politicians of various persuasions, as well as other writers - both in Europe and America. "Aleister Crowley and the Temptation of Politics" presents a life of ideas, an examination of a man shaped by and shaping the politics of his times.

An Introduction to the Life, Work & Philosophy of Aleister Crowley  
North Atlantic Books

The Life and Legacy of One of History's Most Fascinating Magicians Thelema is one of the most powerful and influential systems of magick the world has ever known. But to truly

understand the philosophy and practice of Thelema, you need to understand its charismatic founder, Aleister Crowley. Thelema reveals this enigmatic figure in all of his provocative and brilliant glory, providing a biography of Crowley and showing how his work evolved to become a paradigm-shifting system of magick. This book also explores the texts and writings that form the basis of Thelema, and it provides step-by-step instructions for practicing the basic rites and rituals of this often-misunderstood tradition. Thelema provides a multifaceted method for spiritual attainment that focuses on manifesting your true will. Discover how Crowley developed his remarkable techniques, and learn how to begin or deepen your own magical practice with elements of Qabalah, Gnosticism, Eastern philosophy, Egyptian spirituality, tarot, and more. Along the way, you'll learn about Crowley's involvement in the Golden Dawn and the O.T.O., his clandestine activities during both world wars, and the nature and influence of his personal relationships. Includes photos Foreword by Lon Milo DuQuette Praise: "Colin Campbell's earlier works have shown him to be one of the most thorough and thoughtful Thelemic authors of our era. In Thelema, Campbell brings this same acumen and clarity of expression to the life and work of Aleister Crowley. The book covers a wide range of territory—historical, theoretical, and practical—and will be a useful resource for beginners and more advanced students alike."—David Shoemaker, author of *Living Thelema*

*Group Magick Rituals* Weiser Books

This definitive work on the occult's "great beast" traces the arc of his controversial life and influence on rock-and-roll giants, from the Rolling Stones to Led Zeppelin to Black Sabbath. When

Aleister Crowley died in 1947, he was not an obvious contender for the most enduring pop-culture figure of the next century. But twenty years later, Crowley's name and image were everywhere. The Beatles put him on the cover of Sgt. Pepper's Lonely Hearts Club Band. The Rolling Stones were briefly serious devotees. Today, his visage hangs in goth clubs, occult temples, and college dorm rooms, and his methods of ceremonial magick animate the passions of myriad occultists and spiritual seekers. Aleister Crowley is more than just a biography of this compelling, controversial, and divisive figure—it's also a portrait of his unparalleled influence on modern pop culture.

LIBER L. VEL BOGUS THE REAL CONFESSION OF ALEISTER CROWLEY \_\_\_\_\_

Love it or Loathe it If you have even one toe-tip dipped in planet-Crowley You MUST READ this book ""The issues aired in this publication are of immense significance to all with an interest in Edward Alexander Crowley, be this Magickal, mundane or monetary. If correct, they fall into the category of proper 'shit hits the fan' stuff! To my mind, it appears almost certain that there was no 'cross-examination' of Rose, no Boulak visit, no reception, no Aiwass, no Book of the Law, no lost manuscript and no Thelema. All were fantasies conjured from the mind of an obsessive psychopath, in furtherance of his grand delusion of 'I, Crowley, the Chosen One.'"" GET IT... BEFORE IT GETS YOU...

*Aleister Crowley, British Intelligence, and the Occult* Yale University Press

Christianity is not only the cause but the symptom of slavery. Crowley's tongue is at its sharpest in this indictment of

Christianity. The World's Tragedy is more relevant than ever with the current rise of the Fundamentalist Movement. With incisive commentary by Crowley experts Pegardie, Hyatt, and Duquette. *Blood & Mistletoe* Weiser Books

It's like a meme come true... Professor Niels Belanger is having the week from hell. The chair of his department has quit. The cute waitress at Cafe du Monde won't speak to him. And now one of his students is trying to kill him. Belanger has stumbled into the deadly fantasy world of Nicholas Young, a partying frat boy whose unhealthy obsession with acting out urban legends has gone just a teensy bit over to the dark side. Everything changes when Belanger encounters the most unusual woman he has ever met: a wildly nonconformist goth who technically shouldn't exist. Yet the fact that she does forces him to accept that something much bigger and stranger is warping the shopworn fabric of reality. But are the two of them enough to stop a Millennial under-achiever from impossibly destroying the world?"

**Understanding Aleister Crowley's Thoth Tarot** Markosia Enterprises

Aleister Crowley is best known today as a founding father of modern occultism and his influence can be found everywhere in popular culture. Crowley, also known as the Great Beast, has been the subject of several biographies, some painting him as a misunderstood genius, others as a manipulative charlatan. None of them have looked seriously at his career as an agent of British Intelligence. Using documents gleaned from British, American, French and Italian archives, Secret Agent 666 sensationally reveals Crowley's role in many government plots.

### Wheel/Weiser

"For over thirty years, Lon Milo DuQuette has written incisively about tarot, magick, qabalah, divination, and provided introductory material for the most renowned authors on these topics, such as Aleister Crowley, Israel Regardie, John Dee, Frater Achad, Rodney Orpheus, H. P. Lovecraft, Phyllis Seckler, John Michael Greer, Susan Montag, Donald Michael Kraig, and many others. Collected here are Lon's best writings, each crafted with an eye toward the importance and immortality of the work with his studied insight and scholarship, along with his renowned sense of humor. Considered as a whole, this collection of writings provides an invaluable introduction to many aspects and personalities of the occult and esoteric world by one of the foremost authorities on such arcane subjects"--

Aleister Crowley in England Oxford University Press

The acclaimed author of *Witches, Druids, and King Arthur* presents a "lucid, open-minded" cultural history of the Druids as part of British identity (Terry Jones). Crushed by the Romans in the first century A.D., the ancient Druids of Britain left almost no reliable evidence behind. Historian Ronald Hutton shows how this lack of definite information has allowed succeeding British generations to reimagine, reinterpret, and reinvent the Druids. Hutton's captivating book is the first to encompass two thousand years of Druid history and to explore the evolution of English, Scottish, and Welsh attitudes toward the forever ambiguous figures of the ancient Celtic world. Druids have been remembered at different times as patriots, scientists, philosophers, or priests. Sometimes portrayed as corrupt, bloodthirsty, or ignorant, they were also seen as fomenters of rebellion. Hutton charts how the

Druids have been written in and out of history, archaeology, and the public consciousness for some 500 years, with particular focus on the romantic period, when Druids completely dominated notions of British prehistory. Sparkling with legends and images, filled with new perspectives on ancient and modern times, this fascinating cultural study reveals Druids as catalysts in British history.

Magick, Rock and Roll, and the Wickedest Man in the World Yoga Publications Society

New commentaries on Aleister Crowley's *Book of the Law* reveal how it is connected to both Right- and Left-Hand Paths • Examines each line of the *Book of the Law* in the light of modern psychology, Egyptology, Gurdjieff's teachings, and contemporary Left-Hand Path thought • Explores Crowley's identification with the First Beast of Revelations as well as his adoption of the Loki archetype for becoming a vessel of love for all humanity • Recasts the *Cairo Working* as a text of personal sovereignty and a relevant tool for personal transformation • Includes commentary on the *Book of the Law* by Dr. Michael A. Aquino, who served as High Priest of the Temple of Set from 1975 to 1996 Received by Aleister Crowley in April 1904 in Cairo, Egypt, the *Book of the Law* is the most provocative record of magical working in several hundred years, affecting not only organizations directly associated with Crowley such as the *Ordo Templi Orientis* but also modern Wicca, Chaos Magic, and the Temple of Set. Boldly defying Crowley's warning not to comment on the *Book of the Law*, Ipsissimus Don Webb provides in-depth interpretation from both Black and White Magical perspectives, including commentary from Dr. Michael A. Aquino, who served as High

Priest of the Temple of Set from 1975 to 1996. Webb examines each line of the Book in the light of modern psychology, Egyptology, existentialism, and competing occult systems such as the teachings of G. I. Gurdjieff and contemporary Left-Hand Path thought. Discarding the common image of Crowley formulated in a spiritually unsophisticated time when the devotee of the Left-Hand Path was dismissed as a selfish evil doer, Webb unveils a new side of Crowley based on his adoption of the Loki archetype and his aim to become a vessel of love for all humanity. In so doing, he shows how the Book of the Law is connected to both Right- and Left-Hand Paths and reveals how Crowley's magical path of mastery over the self and Cosmos overthrew the gods of old religion, which had kept humanity asleep to dream the nightmare of history. Providing in-depth analysis of Crowley's sources and his self-identification with the First Beast of Revelation from a profound esoteric perspective, Webb takes his views out of the Golden Dawn matrix within which he received the Book of the Law and radically recasts the Cairo Working as a text of personal sovereignty and a relevant tool for personal transformation.

Philosophy for Life and Other Dangerous Situations Simon and Schuster

In 2009 Roy Huteson Stewart set out on an expedition into unknown realms to chronicle the life and times of the so-called "wickedest man in the world". His artwork for what would become the graphic novel *Aleister Crowley: Wandering the Waste* is now collected in its truest, rawest form. Here are the pencils, inks, and collages depicting all the glorious filth and splendor of a life lived at the extreme limits of human knowledge and sanity. Truly an

art book to savor. 'Aleister Crowley: Art of the Waste', a must-have for anyone who loves Aleister Crowley.

**The Magick of Aleister Crowley** Penguin

In the original ten volumes of the Equinox, Aleister Crowley succeeded in synthesizing the aim of religion and the method of science. Israel Regardie's selections in *Gems of the Equinox* make a volume that is invaluable to readers, students, and adepts. It includes material on Crowley's magical order, magical rituals, yoga, invocations, and sex magick, among many other topics. *Gems from the Equinox* is a unique resource that serves as a veritable textbook for the magical orders AA and O.T.O.

Although it is written for the advanced practitioner, beginners will gain much from its many pages of wisdom, including yoga postures and breathing techniques, ceremonial rituals and meditations, an Enochian magick primer, and *The Book of the Law*. In *Gems from the Equinox*, Israel Regardie's selections of Aleister Crowley's writings synthesize the aim of religion and the method of science, making it invaluable to readers, students, and adepts. *Gems* is a must have for every student of Occultism, Mysticism, Thelema, Magick, and comparative religion.

*Liber DXXXVI* Nicolas-Hays, Inc.

"Is Detroit heaven?" Aleister Crowley asked his field organizer, Charles Stansfeld Jones. It certainly seemed so at the time: Bookman Albert W. Ryerson was selling Crowley's books and publishing the latest installment of *The Equinox*. Several prominent Masons were interested in establishing the Lakes Region of *Ordo Templi Orientis*. Jones was in high demand teaching classes on magick and Thelema. But things turned suddenly sour. When slow sales dragged the *Universal Book*

Stores into bankruptcy, the activities of the O.T.O. were luridly thrust onto the front pages of the daily news. The Equinox was declared obscene and all copies impounded. The O.T.O. love cult was blamed for everything from broken homes and Hollywood's wild parties to the mysterious murder of film director William Desmond Taylor. The revised and significantly expanded blue Equinox centennial edition of *Panic in Detroit* chronicles this chapter of Thelemic history through an original historical essay by Aleister Crowley biographer Richard Kaczynski; over forty previously-unpublished letters from Crowley and his circle; never-before-seen transcripts of the Universal Book Stores' bankruptcy trial, in which Crowley, *The Equinox*, and O.T.O. figure prominently; fifty newspaper article transcripts documenting what was later dubbed the "mess in the press"; a street guide to Aleister Crowley's Detroit; an essay on the unlikely disappearance, recovery, and preservation of Crowley's "rariora" in years after his death; and much, much more.

*Secret Agent 666* Llewellyn Worldwide

Covers all aspects of astrology, including interpretation and analysis of all the signs and planets along with information on applying psychological methods to astrology.

**Panic in Detroit** Red Wheel

Wilson brings this complex and enigmatic figure to life and provides an engrossing portrait of the self-styled Great Beast, the man whom the contemporary press dubbed "The Wickedest Man in the World."

**A Biography of Aleister Crowley** Weiser Books

At last, the unexpurgated, true story of the amazing Aleister Crowley—philosopher, poet, artist, writer, magus, explorer,

parapsychology—and spy. Packed with fresh research and previously unpublished 'Crowleyana.' For 100 years, Aleister Crowley's true achievements have been suppressed and his true character defaced in a campaign of vilification unparalleled in British history. Until now, Crowley's life has not been written—it has been written over. Tobias Churton is a world authority on Freemasonry, Rosicrucianism, and Gnosticism. In writing Aleister Crowley, he enjoyed complete access to all Crowley's restricted papers, unpublished letters and personal diaries kept in a trust at London's Warburg Institute and in the Ordo Templi Orientis archives. Ninety percent of the authentic material here has never before been published.

*The Nature of the Beast* Weiser Books

A biographical history of Aleister Crowley's activities in Berlin from 1930 to 1932 as Hitler was rising to power • Examines Crowley's focus on his art, his work as a spy for British Intelligence, his colorful love life and sex magick exploits, and his contacts with magical orders • Explores Crowley's relationships with Berlin's artists, filmmakers, writers, and performers such as Christopher Isherwood, Jean Ross, and Aldous Huxley • Recounts the fates of Crowley's friends and colleagues under the Nazis as well as what happened to Crowley's lost art exhibition Gnostic poet, painter, writer, and magician Aleister Crowley arrived in Berlin on April 18, 1930. As prophet of his syncretic religion "Thelema," he wanted to be among the leaders of art and thought, and Berlin, the liberated future-gazing metropolis, wanted him. There he would live, until his hurried departure on June 22, 1932, as Hitler was rapidly rising to power and the black curtain of intolerance came down upon the city. Known to his

friends affectionately as “The Beast,” Crowley saw the closing lights of Berlin’s artistic renaissance of the Weimar period when Berlin played host to many of the world’s most outstanding artists, writers, filmmakers, performers, composers, architects, philosophers, and scientists, including Albert Einstein, Bertolt Brecht, Ethel Mannin, Otto Dix, Aldous Huxley, Jean Ross, Christopher Isherwood, and many other luminaries of a glittering world soon to be trampled into the mud by the global bloodbath of World War II. Drawing on previously unpublished letters and diary material by Crowley, Tobias Churton examines Crowley’s

years in Berlin and his intense focus on his art, his work as a spy for British Intelligence, his colorful love life and sex magick exploits, and his contacts with German Theosophy, Freemasonry, and magical orders. He recounts the fates of Crowley’s colleagues under the Nazis as well as what happened to Crowley’s lost art exhibition--six crates of paintings left behind in Germany as the Gestapo was closing in. Revealing the real Crowley long hidden from the historical record, Churton presents “the Beast” anew in all his ambiguous and, for some, terrifying glory, at a blazing, seminal moment in the history of the world.
