you, a church usher, as though we were talking face-to-face. The ideas in this book have been shared with me through the years by ushers like you. Some ideas will be familiar; a few will be new; but all will need to be translated into the way you do things in your church. *Letters on Missions*

Environment for Worship, The Greeter and Usher Handbook provides a guide to the responsibilities of those who are generally the first faces visitors encounter in church: the usher and the greeter.  Church Usher: Servant of God (A Concise Ministry Manual)
 Updated Edition by David R. Enlow is a brief concise book 68 pages in length that give the

church a good look at an often overlooked vital ministry within the church. In the past, the role of the church usher has often been underestimated by church leadership. Anyone can help do this job some say. Proven methods of effective ushering is a concept, but the ministry of ushering takes on new dignity and in this practical and biblically based study prepared in consultation with ushers

from small to large churches. Church Usher: Servant of God may be used as a self-improvement study for individuals or taught in a class setting. Head ushers will find it an excellent reference tool for the execution of their duties for their team. Each short chapter ends with a summary and thought provoking questions to stir discussion and to help with further study. *Serving as a Church Usher* Createspace Independent Publishing Platform As we enter our church, the first person we often see is the usher. While many may look at the position of usher as simply a social one, it can be so much more. In "Ushering with a Mission," author Victor L. Davis presents the first comprehensive guide specifically addressed to the needs of the usher. The traditional approach to ushering focused on the task of meeting, seating, and greeting worshippers. The typical training manual addressed techniques ushers should use in carrying out those duties. Davis's "Ushering with a Mission" goes a step further and emphasizes the importance of disciplining the individual usher. Ushering is viewed as a ministry rather than a committee or

<p>board activity. The ministry of ushering is approached from a Christ-centered, biblical perspective. Ushering is not something we simply do because, "It's our Sunday to usher." We do it because it is a lifestyle, resulting from the overflow of the Spirit-filled life. "Ushering with a Mission" stresses the importance of Bible study, prayer, and personal evangelism with nonbelievers. Ushers will find fellowship</p>	<p>with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior, Jesus Christ. <i>Church Usher</i> Christian Publications The perfect time-saving idea for pastors and their assistants who want to write sensitive, effective letters for every occasion.  In my youth I would watch the ushers at church and thought it would be neat to usher. It didn't look hard and I'd get to greet everyone. When I got old enough I volunteered and was hooked. After I was married and moved to the big city, the church I attend was very large, and like most

churches they needed ushers. I was promoted very quickly and the responsibility didn't bother me. Then I was drawn to a new daughter church. This was a challenge, a brand new church. I offered what I could. When things got settled I was running one of the services. When the Head ushers spot came open I didn't think I was ready, so I prayed about it. A calmness came over me

and I knew then it was what God wanted me to do.' David Foos, Head Usher, Canyon Hills Community Church, Bothell, Washington

A Guide for the Church Usher

B&H Books
I started writing this book in 1994. That was the year the LORD graciously commissioned me to raise for Him Quality leaders. I started with Ministers' and Pastors' workshop. Training for ushers was the second assignment I handled among the

three fold mandates the LORD gave me in 1994. But, no book was written by me back then, neither did I come across any specialized book on Ushers, Greeters and Protocols in one volume, 20 years ago. I have been privileged to conduct Training courses across the length and breadth of Nigeria on Ushering ministry for 20 years. I have interacted with over 400 churches from over 280

denominations in conferences and seminars but I never wrote a book on this topic. Our outfit, Christian Leadership Skills, have been involved in mass training for ushers in churches that counted 120,000 on Sundays with Ushers' workforce of about 4,000. I have written 36 books todate, but none on Ushers, Protocol and Greeters until now. A particular mega church invited us to

deliver training for ushers and crowd controllers twice within three months in their headquarters church. Their invitation came a bit late I could not be there physically. I didn't have a book on Ushers or crowd control. Only a manual. Churches get confused on the role of ushers as different from protocol officers. I have witnessed ushers and protocols fight for territories

in churches. A particular church head usher insists that he must stay side by side with the protocol officer by the altar, very close to the anointed. There was no book to show where each belong. A particular ministry scrapped the word "Ushers" from the list of ministries. The General Overseer banned the entire ushers from officiating in the length and breadth of the church. His reason?

Brethren have the Holy Spirit to direct them. No need for Ushers and the church went on "smoothly thereafter". I had no book to give to the man of God. No book I could give, until 20 years later! Who are Ushers? Who are Protocol officers? Who are Greeters? Who are Traffic Controllers? I didn't write any book to explain. I only explain during workshop session. Now the explanation has become

handy.

A field-tested guide to the management and finance of church congregations, revised for a new generation. Clergy are generally

equipped to preach and provide spiritual care. But when it comes to budgets, insurance, fire safety, and church management many find themselves at a loss. The Church Administration and Finance Manual is the classic guide to running a church, written to answer key questions for clergy and lay leaders. Not simply a theoretical resource, the Manual provides suggestions

for almost every aspect of parish administration: position descriptions, financial forms, materials for stewardship and Christian education, building use and safety issues, employee record keeping, and much more. This revised edition offers guidance on many new topics that are of vital importance to churches, including protecting children, information security,

approaches to preventing and responding to violence, planned giving, social media, and hybrid work and worship. Whether clergy are just out of seminary or well-seasoned in parish life, the Manual is full of excellent guidelines, tools, and forms for improving the management of the parish. *Church Administration and Finance Manual* Harrison House Publishers

Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations make all the headlines, but Duncan sees something else at work-- drawing a direct line between the church's lack of diversity

and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, *Dear Church* offers a bold new vision for the future of Duncan's denomination and the broader mainline Christian community of faith. *Dear Church* rejects the narrative of church decline and

calls everyone-- leaders and laity alike--to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary

path of Jesus. *Letters Concerning the Constitution and Order of the Christian Ministry* Createspace Independent Publishing Platform Build an Usher and Greeter Program That Keeps Visitors Coming Back. Your guests' first impression of your church is determined by the way they are treated when they first walk in the door. An usher's or greeter's welcome attitude is often what

causes them to return. The Ministry of Church Ushers and Greeters video training course is a must for every usher and greeter in your church. These practical sessions will show your staff and volunteers what greeting and ushering are all about...the welcome attitude. They will be encouraged and motivated when they realize how their ministry can become a powerful tool for growth.

Your members will be amazed as more visitors return to your open doors and your well-trained ushers.
