Now a major film directed by Armando Iannucci, starring Dev Patel, Tilda Swinton, Hugh Laurie, Peter Capaldi and Ben Whishaw Dickens's epic, exuberant novel is one of the greatest coming-of-age stories in literature. It chronicles David Copperfield's extraordinary journey through life, as he encounters villains, saviours, eccentrics and grotesques, including the wicked Mr Murdstone, stout-hearted Peggotty, formidable Betsey Trotwood, impecunious Micawber and odious Uriah Heep. Dickens's great Bildungsroman (based, in part, on his own boyhood, and which he described as a 'favourite child') is a work filled with life, both comic and tragic.

Award-winning Claire Tomalin, author of A Life of My Own, sets the standard for sophisticated and popular biography, having written lives of Jane Austen, Samuel Pepys, and Thomas Hardy, among others. Here she tackles the best recognized and loved man of nineteenth-century England, Charles Dickens; a literary leviathan whose own difficult path to greatness inspired the creation of classic novels such as Great Expectations, David Copperfield, Oliver Twist, and Hard Times. From his sensational public appearances to the obsessive love affair that led him to betray, deceive, and break with those closest to him, Charles Dickens: A Life is a triumph of the biographer's craft, a comedy that turns to tragedy in a story worthy of Dickens' own pen.

Great Expectations Penguin

Great Expectations by Charles Dickens belongs to a mature period of writer's creativity. The author's criticism is pointed at the empty and very often dishonest life of gentlemen which is opposed to a plain existence of ordinary workers. The autobiographic motives can be seen in the story of the main character. Dickens put a lot of his own hesitations and his grief to this novel. At first, he had in mind a tragic ending and led the story to it.

However, he knew what his readers preferred, so he didn't choose to finish Great Expectations with their complete destruction.

ABOUT THE BOOK Until the summer after my second year of college, I despised Charles Dickens. I couldn't stomach his outdated witticisms and had no patience for his Gothic writing style. In high school, when my AP English teacher assigned A Tale of Two Cities, I read Chapters 1-10 and gave up. I could stand to fail an English test since it was my best subject. I couldn't stand to spend one more second trudging through the doldrums of Charles Darnay's self-righteousness and Sydney Carton's unrequited sob-fest. Everything changed when I signed up for an annual week-long educational program called "Dickens Universe". I was a literature major at the University of California, Santa Cruz (UCSC) and the completion of Dickens Universe, part of UCSC's world-renowned Dickens Project, meant I'd receive a full quarter's course credits in just one week. The incentive was greater than my distaste for Dickens, so I enrolled and bought a copy of that year's featured novel: David Copperfield. My preconceptions about Charles Dickens began to melt away within minutes of my arrival on the first day. Dickens experts from 35 of the world's top universities gathered beneath the redwood groves of the UCSC campus for lectures, study groups, and Victorian-style tea each day. MEET THE AUTHOR April graduated from University of California, Santa Cruz in 2011 with a BA degree in English literature and a minor in history focused on the Islamic world. A lifelong storyteller and working journalist based in Santa Cruz, CA, she is currently the senior contributing writer for Good Times Weekly, Santa Cruz County's largest print and online publication. April also works as a professional writer/editor. Her topics of interest range from arts and music to political and environmental pieces. She has always lived near the ocean and grew up surfing with her dad on the Central Coast of California. Her favorite outdoor hobbies include backpacking in the Sierra Nevadas, bicycling in the Bay Area, hiking through the redwoods of Northern CA, and she has recently taken up rock climbing.

In addition to journalism and informational pieces, April writes creative prose and poetry that can be viewed, alongside a portfolio of her journalistic work, on her website: AprilMichelleShort.com. Among her favorite authors is Anais Nin, who said, "We write to taste life twice, in the moment and in retrospect." EXCERPT FROM THE BOOK The Personal History, Adventures, Experience and Observation of David Copperfield the Younger of Blunderstone Rookery (Which He Never Meant to Publish on Any Account), or more commonly, David Copperfield, is Dickens' eighth and perhaps most intimate novel. Originally published in 1850, the novel first appeared in serial form, or segments in the above-described "penny dreadfuls" a year previous to its compilation. David Copperfield closely follows events from Dickens' own life, and many Dickens analysts believe the novel's title character, David Copperfield, represents Charles Dickens himself. This would make David Copperfield a fictional biography of sorts. David Copperfield was Dickens' first novel to be written in first-person point of view narration, and whether or not Copperfield is based on Dickens, the novel is certainly the most autobiographical of Dickens' collection. The novel's 1867 edition includes a preface by the author, in which he writes, "...like many fond parents, I have in my heart of hearts a favourite child. And his name is David Copperfield." Tales from 1,001 Nights Penguin UK

In this personal journey through a unique performing art, David Copperfield profiles some of the world's most groundbreaking magicians. From the sixteenth-century magistrate who wrote an early book on conjuring, to the roaring twenties and the man who fooled Houdini, to the woman who levitated, vanished, and caught bullets in her bare hands, David Copperfield's History of Magic takes you on a wild journey through the remarkable feats of some of the greatest magicians in history. The result is a sweeping tale that reveals how these astonishing performers were outsiders who used magic to escape class, challenge conventions, transform popular culture, explore the innermost workings of the human mind, and inspire scientific discovery. Their incredible stories are complemented by more than 100 never-before-seen photographs of artifacts from Copperfield's exclusive Museum of Magic, including a sixteenth-century manual on sleight-of-hand; Houdini's straitjackets, handcuffs, and water torture chamber; Dante's famous sawing-in-half apparatus; Alexander's high-tech turban that allowed him to read people's minds; and even some coins that may have magically passed through the hands of Abraham Lincoln. By the end of the book, you'll be sure to share Copperfield's passion for the power of magic.

David Copperfield (with an Introduction by Edwin Percy Whipple) Penguin UK

The captivating story of an innocent boy alone in an uncaring society, David Copperfield is unquestionably the most autobiographical of all Charles Dickens's novels. Born in bleak 19th-century London, David Copperfield's life is shaped by his struggle for survival, starting with his menacing stepfather, Mr. Murdstone. His friendship with the blustering, jovial Mr. Micawber adds hilarity and warmth to his otherwise dismal days, while the sinister, sniveling clerk Uriah Heep is an endless source of both amusement and revulsion. As David grows up, he is torn between his fascination with the beautiful, spoiled Dora and his devotion to his childhood friend Agnes. An unforgettable portrayal of childhood, David Copperfield's message of hope and determination amidst life's harsh realities makes this story one of Dickens's greatest masterpieces.

With an essay by F. R. Leavis. 'Now, what I want is, Facts. Teach these boys and girls nothing but Facts. Facts alone are wanted in life. Plant nothing else, and root out everything else' Coketown is dominated by the figure of Mr Thomas Gradgrind, school owner and model of Utilitarian success.

Feeding both his pupils and his family with facts, he bans fancy and wonder from young minds. As a consequence his obedient daughter Louisa marries the loveless businessman and 'bully of humility' Mr Bounderby, and his son Tom rebels to become embroiled in gambling and robbery. And, as their fortunes cross with those of free-spirited circus girl Sissy Jupe and victimised weaver Stephen Blackpool, Gradgrind is eventually forced to recognise the value of the human heart in an age of materialism and machinery. Treasure Island and The Ebb-Tide Modernista

Born six months after his father's death, David faces many hardships growing up in nineteenth-century England

Penguin English Library **A Christmas Carol** Farrar, Straus and Giroux

"One more step, Mr Hands," said I, "and I'll blow your brains out!" In Treasure Island, a weathered old sailor known as Billy Bones arrives at the inn of young Jim Hawkins's parents - and it is the start of an adventure beyond anything he could have imagined. For when Bones dies mysteriously, Jim stumbles across a map of a mysterious island in his sea chest - where 'X' marks the spot of a stash of buried pirate gold. Setting sail with his friends on the ship Hispaniola to recover the treasure, Jim soon realizes that he's not the only one who knows about the hoard. Suddenly he is thrown into a world of treachery, mutiny, castaways and murder and, at the centre of it all, is the charming but sinister Long John Silver, who will stop at nothing to grab his share of the loot... The Ebb-Tide, a short novel published the year of Stevenson's death, is also a rollicking seafaring adventure, narrating the voyage of a stolen ship whilst exploring such themes as imperialism, violence, dishonesty, Christianity and corruption. The Penguin English Library - 100 editions of the best fiction in English, from the eighteenth century and the very first novels to the beginning of the First World War.

A New York Times bestseller: "Udall masterfully portrays the hapless foibles and tragic yearnings of our fellow humans." —San Francisco Chronicle Golden Richards, husband to four wives, father to twenty-eight children, is having the mother of all midlife crises. His construction business is failing, his family has grown into an overpopulated mini-dukedom beset with insurrection and rivalry, and he is done in with grief: due to the accidental death of a daughter and the stillbirth of a son, he has come to doubt the capacity of his own heart. Brady Udall, one of our finest American fiction writers, tells a tragicomic story of a deeply faithful man who, crippled by grief and the demands of work and family, becomes entangled in an affair that threatens to destroy his family's future. Like John Irving and Richard Yates, Udall creates characters that engage us to the fullest as they grapple with the nature of need, love, and belonging. Beautifully written, keenly observed, and ultimately redemptive, The Lonely Polygamist is an unforgettable

story of an American family—with its inevitable dysfunctionality, heartbreak, and comedy—pushed to its outer limits.

With an essay by George Bernard Shaw. "What do you think that is?' she asked me, again pointing with her stick; 'that, where those cobwebs are?' "I can't guess what it is, ma'am." "It's a great cake. A bride-cake. Mine!" Great Expectations, Dickens's funny, frightening and tender portrayal of the orphan Pip's journey of self-discovery, is one of his best-loved works. Showing how a young man's life is transformed by a mysterious series of events - an encounter with an escaped prisoner; a visit to a black-hearted old woman and a beautiful girl; a fortune from a secret donor - Dickens's late novel is a masterpiece of psychological and moral truth, and Pip among his greatest creations. The Penguin English Library - 100 editions of the best fiction in English, from the eighteenth century and the very first novels to the beginning of the First World War.
