KAELYN FARMER

The Roman Remains of Southern France Ecole Française de Rome

This book provides a survey of the architecture and urbanism of Provence during the Roman era. Provence, or "Gallia Narbonensis" as the Romans called it, was one of the earliest Roman colonies in Western Europe. In this book, James C. Anderson, jr. examines the layout and planning of towns in the region, both those founded by the Romans and those redeveloped from native settlements. He provides an in-depth study of the chronology, dating, and remains of every type of Roman building for which there is evidence in Provence. The stamp of Roman civilization is apparent today in such cities as Orange, Nîmes, and Arles, where spectacular remains of bridges, theaters, fora, and temples attest to the sophisticated civilization that existed in this area during the imperial period and late antiquity. This book focuses on the remains of buildings that can still be seen, exploring decorative elements and their influence from Rome and local traditions, as well as their functions within the urban environment.

A Sacred Kingdom Simon and Schuster

An intellectual adventure through ancient France revealing how Caesar's conquest of Gaul changed the course of French culture, forever transforming modern Europe. Julius Caesar's conquests in Gaul in the 50s b.c. were bloody, but the cultural revolution they brought in their wake forever transformed the ancient Celtic culture of that country. After Caesar, the Gauls exchanged their tribal quarrels for Roman values and acquired the paraphernalia of civilized urban life. The Romans also left behind a legacy of language, literature, law, government, religion, architecture, and

industry. Each chapter of Caesar's Footprints is dedicated to a specific journey of exploration through Roman Gaul. From the amphitheatres of Arles and Nîmes to the battlefield of Châlons (where Flavius Aetius defeated Attila the Hun), Bijan Omrani—an exciting and authoritative new voice in Roman history—explores archaeological sites, artifacts, and landscapes to reveal how the imprint of Roman culture shaped Celtic France, and thereby helped to create modern Europe.

National Geographic Traveler Provence and the Cote D'azur
Penguin

Starting just east of la Ciotat, the great sweep of Mediterranean coast, all the way to the Italian border, is referred to as the Cote d'Azur or the Riviera. It is a large area with dozens of beaches and, despite the coast's reputation for toney glamor alternating with brash vulgarity, it's a great location for watersports, boating, parascending, climbing, hiking and gliding. The Western Cote d'Azur is a deeply indented coast, characterized by many small towns, miles of sandy beaches, and three great mountainous headlands, called massifs. The Massif des Maures, Massif de l'Esterel and Massif de Tanneron foreshadow the march of the Alps to the sea farther east along the Riviera. They offer stunning long distance views and provide miles of good walking. For years, French vacationers kept the region their secret, staying in their holiday homes or with friends and family. As a result, the massifs remain largely undiscovered territory for foreign visitors, who usually race around and between them on motorways heading for the coast. If you stop to enjoy this region, you'll find it has its own personality and surprises. Among the attractions here are St. Tropez and St. Raphael. Like a lot of people, I got my first glimpse of the Riviera watching classic movies on television. Cary Grant and Grace Kelly trading barbs on a balcony overlooking a yacht-filled harbor, in *To Catch a Thief*; one of any number of James

Bonds or Simon Templars stepping out of the Casino at Monte Carlo; Pink Panther movies, car chases on the Grande Corniche, David Niven in *Casino Royale*. They all created an indelible impression of a gorgeous, glamorous and expensive jetsetters' paradise. The term jetsetter is a little dusty these days, but substitute Eurotrash, and the idea is the same; celebrities, minor royals and fashionistas mingling with arms dealers, deposed dictators, media tycoons and shipping magnates while gossip columnists write about their lifestyles of apparently endless leisure. This is not an entirely imaginary picture. There's no denying that the Riviera is a playground for the rich and famous. Behind the walls and towering hedges of Cap Ferrat and other such places, most of what all the money in the world will buy can probably be found. But don't be put off if you're traveling on a modest budget. It is the glamor of the landscape, and all the outdoor activities to which it lends itself, that was probably what attracted the beautiful people in the first place. And that is within reach of everyone. Breathtaking drives along Les Corniches de la Riviera and coastal walks that range from gentle strolls to challenging climbs are laced between the distinctive towns and villages -Antibes, Nice, Menton, Beaulieu sur Mer, Villefranche - scattered almost artfully along the coast. In the skies, paragliders float down like flower petals from a handful of exceptional launch sites. Starting around Antibes and heading east, the back country rises and the Alps crowd down to the water. Along the way, the villages perchees become ever more dramatic: Eze, at 427 m/1,400 feet, tops a narrow dome of rock; La Turbie, at 500 m/1,640 feet, is where the Emperor Augustus planted the Trophee des Alpes, a 165-foot monument to the power of Rome that still lords over the coast and looks down on Monte Carlo; the medieval village of Sainte Agnes, just inland of Menton, at 800 m/2,600 feet claiming to be the highest coastal village in Europe. This is an

excerpt, equivalent to about 200 print pages, from the 420-page Adventure Guide to Provence & the Cote d'Azur. Both books are highly detailed, exploring the culture, the sights and activities, the places to stay and the best restaurants. Dozens of photographs are included, plus 15 detailed maps.

Fodor's France 2009 Penguin

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 54. Chapters: Arles, Nimes, Roman towns and cities in Provence, Camargue, Orange, Vaucluse, Nemausus, History of Toulouse, Pont du Gard, Glanum, Montmajour Abbey, Church of St. Trophime, Antibes, AC Arles-Avignon, Ancient Diocese of Arles, Vaison-la-Romaine, Gines de la Jara, Baudilus, Glanum Dam, Kingdom of Arles, Lucien Clergue, Arles portrait bust, Venus of Arles, Nimes-Ales-Camargue-Cevennes Airport, Langlois Bridge, Synod of Arles, Arena of Nimes, Arles, Roman and Romanesque Monuments, Battle of Nimes, Gare de Nimes, Musee des Beaux-Arts de Nimes, Musee de l'Arles et de la Provence antiques, Ambrussum, Rencontres d'Arles, Michelade, Trinquetaille. Excerpt: The city of Toulouse, in Midi-Pyrenees, southern France can be traced back to ancient times. It was the capital of the County of Toulouse in the Middle Ages and today is the capital of the Midi-Pyrenees region. Archaeological evidence dates human settlement in Toulouse to the 8th century BC. The location was very advantageous, at a place where the Garonne River bends westward toward the Atlantic Ocean and can be crossed easily. It was a focal point for trade between the Pyrenees, the

Mediterranean and the Atlantic Immediately north of these hills was a large plain suitable for agriculture. People gathered on the hills overlooking the river, south of the plain, 9 kilometers south of today's downtown Toulouse. The name of the city was Tolosa. Researchers today agree that the name is probably Aquitanian, related to the old Basque language, but the meaning is unknown. The name of the city has remained almost unchanged over centuries despite Celtic, Roman and Germanic invasions, which is rare for French cities. The first inhabitants seem to have been Aquitanians, of whom little is known. Later came Iberians from the south, who, like the Aquitanians, were...

Arles durant l'antiquité tardive Rick Steves

Destruction of Cultural Heritage in 19th Century France charts the destruction of earlier architecture as towns pull down their walls, build modern houses, welcome railways and, except for a few scholars, forget about the past. Heritage was largely scorned, and identity found in modernity, not in the past.

Provence and the Côte D'Azur CUA Press

Discover the best of Provence and explore its charming towns and cities, medieval abbeys, storybook castles, and Roman monuments. Follow this guided tour through its magical landscapes--fields of red poppies, fragrant lavender, olive trees, and sunflowers. The tour begins in Avignon, famed for its Palais des Papes, and moves into the surrounding countryside, including Orange and its Roman-era coliseum, and the charming hill towns of Gordes, Roussillon, and Bonnieux. On to the Bouches du Rhone, featuring Arles, van Gogh's old haunt; Les Baux and its troubadour-era remains; the Camargue, the marshy land of Provençal cowboys and flamingoes; and chic and elegant Aix-en-Provence. After exploring revitalized Marseille, with its new museum, you are introduced to the Var, with its Mediterranean paradises of St. Tropez, Antibes, and the resort islands of Hyères, Porquerolles, and Port-Cros. Farther east awaits the fabled French Riviera, including the glittering towns of St. Tropez, Cannes, Nice, regal Monaco, and Menton, with its new Jean Cocteau museum. Finally, you discover Provence's more rugged side in Haute Provence, domain of the Gorges du Verdon. Favorites include driving and walking tours (a drive through Var's wine region and walks in Old Aix and Old Nice); detailed features on history, culture, and contemporary life; and 3-D illustrations. The guide

also includes an in-depth chapter on Provence's history and culture, and a detailed section of practical information, including how to get around Provence, an extensive listing of handpicked hotels and restaurants, and select activities and entertainment

options. Among the new features added to this completely updated and revised edition are a helpful "charting your trip" section, which helps you plan your week or two-week trip; experiential sidebars that show you how to delve into the

authentic side of Provence, including staying in a bastide; the ins-and-outs of shopping at local markets; wine-tasting at Chateauneuf-du-Pape; and insider tips from local and National Geographic experts.
