STEWART HAMMOND

Bear Is Not Tired AuthorHouse

A delightful children's book "filled with surreal gags about prepositions and adverbs, cheerful absurdity, and down the rabbit hole-style musings" (School Library Journal). One day, a few minutes after Once Upon a Time, a bear awakes to find he has lost something very important: himself! He sets out into the Fabulous Forest to find himself, using only a few clues scrawled on a piece of paper: the bear he's looking for is a nice bear; he is a happy bear; and he's very handsome too! These sound like pretty good qualities to Bear, and so begins his memorable journey. With the help of critters like the Convenience Cow, the Lazy Lizard, the Turtle Taxi, and the Penultimate Penguin, Bear finds that he himself is just what he's been looking for all along: a nice, happy bear—and handsome too! "A melding of Phantom Tollbooth logic, Alice in Wonderland whimsy, and peppered with a cast of unforgettable Little Prince like characters . . . You can't help fall into the imaginative world of this delightfully clever picture book." —BookBloom "Irresistible." —O, The Oprah Magazine "Gentle wordplay and Lewis Carroll-like paradoxes . . . Everything is new to Bear, and his discoveries will delight readers." —Publishers Weekly (starred review) "Erlbruch's playful, distinctive illustrations . . . are sublime." —Kirkus Reviews "Young readers with a philosophical nature and an appreciation for provocative silliness will be especially gratified by Bear's self-discovery . . . The Fabulous Forest effectively evokes a fairy tale feel, and Bear, a portly fellow with huge eyes, a bright red mouth, and colorful flecks in his black fur, is loveable at first sight." —New York Journal of Books

No Bigger Than My Teddy Bear Xulon Press

A tiny American town's plans for radical self-government overlooked one hairy detail: no one told the bears. Once upon a time, a group of libertarians got together

and hatched the Free Town Project, a plan to take over an American town and completely eliminate its government. In 2004, they set their sights on Grafton, NH, a barely populated settlement with one paved road. When they descended on Grafton, public funding for pretty much everything shrank: the fire department, the library, the schoolhouse. State and federal laws became meek suggestions, scarcely heard in the town's thick wilderness. The anything-goes atmosphere soon caught the attention of Grafton's neighbors: the bears. Freedom-loving citizens ignored hunting laws and regulations on food disposal. They built a tent city in an effort to get off the grid. The bears smelled food and opportunity. A Libertarian Walks Into a Bear is the sometimes funny, sometimes terrifying tale of what happens when a government disappears into the woods. Complete with gunplay, adventure, and backstabbing politicians, this is the ultimate story of a quintessential American experiment -- to live free or die, perhaps from a bear. *Pierre the Bear with His Best Friend* Tyler National Geographic Books

The Bear and the Moon is a picture book that follows what happens when the gift of a balloon floats into Bear's life. The two companions embark on a journey—a magical tale that encompasses the joys of friendship and discovery. This is a gentle book filled with humor, while tackling complex topics like the transcendence of loss and forgiveness. • Filled with emotive text and radiant illustrations • Simply told and profoundly felt • Award winning author-illustrator team The Bear and the Moon is a compassionate tale that honors the small but profound world of the very young. This sweet book teaches social and emotional skills to kids, and offers a clever way to soothe some of our most difficult feelings: loss and guilt. • Just as ideal for gently soothing young readers to sleep as it is for encouraging a contemplative break from an energetic day • Great for parents, grandparents, and caregivers looking for a beautiful friendship or bedtime story • Perfect for children ages 3 to 5 years old • You'll love this book if you love books like Waiting by Kevin Henkes, Emily's Balloon

by Komako Sakai, and Stلالuna by Janell Cannon.

Bear No Malice: A Novel Simon and Schuster

FAIRY TALES, FOLK TALES, FABLES, MAGICAL TALES & TRADITIONAL STORIES. In the 1880s, the artist, designer and illustrator Elena Polenova (1850-98) began illustrating fairy tales that she noted down during her travels around Russian villages. The first of these was The Tale of Masha and Vanya. The original editions of some of these illustrated fairy-tales are now kept at Polenovo, the museum-estate of the artists family, and this is the first English-language publication based upon Polenova's original hand-made drawings and typography. Sister of the landscape artist Vasily Polenov, and a leading member of the Abramtsevo circle of Russian artists, who engaged with peasant traditions and folklore towards the end of the nineteenth century, Elena Polenova is

well known in Russia and abroad, but her illustrations to fairy tales have had little exposure. With a new translation by Robert Chandler, this beautifully crafted book is published to coincide with an exhibition in the UK of the artists work. Ages 9+

Bear Wants More Family Books

"A Visitor for Bear has the feel of a classic, and it's so cozy no parent could object to reading it aloud every night." — The New York Times Book Review (starred review) Features an audio read-along! Bear is quite sure he doesn't like visitors. He even has a sign. So when a mouse taps on his door one day, Bear tells him to leave. But the mouse — who keeps popping up in the most unexpected places — just won't go away! Cheery persistence wears down the curmudgeonly Bear in a wry comedy of manners that ends in a most unlikely friendship.

Audun and the Polar Bear Chronicle Books
Conner Rochon thought living in the wilds of the Pacific Northwest and running a logging company with his brothers was tough work. Add to that, he wasn't too keen on sharing his body with a grizzly bear. Shifters normally had no problem with their animal side. Conner was not one of them. Mackenzie never gave a second thought to being a shifter. She loved it and finding out that she and her cat were mated to a reluctant bear was a blow she wasn't expecting. Conner is tired of not being able to make his own choices in life. Is he willing to lose the love of his life to keep control of who he is? Does Mackenzie have the will to fight for them both? *Loggers, Cougars, and Werebears, Oh My!* Prepare to read about a curvy girl that meets the man AND bear of her dreams. A bear with issues is no match for a cougar with claws.

The Clan of the Cave Bear (with Bonus Content) Oni Press

Picnic Bear has no name until he meets a group of "hairless bears"- humans - having a picnic. He inadvertently scares them off and overhears them shouting "picnic!" The bear then rushes home to tell his family his new name: PICNIC! Papa Chip is a multiple business owner and entrepreneur, and Elizaveta is a high school senior, both residing in the Carolinas. Papa Chip originally wrote the story for his ten-year-old daughter, whose spectrum issues challenged him to reach her by empathizing with her through the bear's perspective. The writers hope this book will be a useful tool for other parents, whose children identify and express their

sentiments through animals and computer generated images. Otherwise, this story is just plain fun!

Bear Despair Stress Free Kids

"Once upon a time, in fact it was Tuesday," the Bear went into the woods to settle in for his long winter nap. But when he awoke what had happened? The trees were gone, the grass was gone, the flowers were gone, and in their place were buildings, cars, a fenced-off courtyard. The Bear had no idea that he was in the middle of a factory. "Get back to work!" a man yelled out of the blue. "I don't work here," said the Bear, "I'm a bear." The man laughed and laughed. "Fine excuse for a man to keep from doing any work—saying he's a bear." And so it began and so it went, with the Bear protesting his beariness all the way from the Third Vice President to the First, and no one willing to believe that he wasn't just a silly man in a fur coat who needed a shave. How the bear endured and how he finally prevailed are the subject of this delightful modern fairy tale—beautifully illustrated with the author's inventive line drawings—about sticking up for yourself, no matter how many Foremen, General Managers, Vice Presidents, or even Company Presidents stand in your way.

Grizzly Heart Candlewick Press

Sister Bear worries about her lines in the school play while Brother Bear has no fear. Guess who forgets the lines during the performance?

Bear Has a Story to Tell Linda M Blackshaw

Examining contemporary poetry by way of ethnicity and gender, Kenneth Lincoln tracks the Renaissance invention of the Wild Man and the recurrent Adamic myth of the lost Garden. He discusses the first anthology of American Indian verse, *The Path on the Rainbow* (1918), which opened Jorge Luis Borges' university surveys of American literature, to thirty-five contemporary Indian poets who speak to, with, and against American mainstream bards. From Whitman's free verse, through the Greenwich Village Renaissance (sandwiched between the world wars) and the post-apocalyptic Beat incantations, to transglobal questions of tribe and verse at the century's close, Lincoln shows where we mine the mother lode of New World

voices, what distinguishes American verse, which tales our poets sing and what inflections we hear in the rhythms, pitches, and parsings of native lines. Lincoln presents the Lakota concept of "singing with the heart of a bear" as poetry which moves through an artist. He argues for a fusion of estranged cultures, tribal and émigré, margin and mainstream, in detailing the ethnopoetics of Native American translation and the growing modernist concern for a "native" sense of the "makings" of American verse. This fascinating work represents a major new effort in understanding American and Native American literature, spirituality, and culture.

The Bear Vintage Canada

Tori, Zak and Grandma go to the beach where they meet Eric the Sand Bear. Eric's feet are cold because he doesn't have socks. Can Tori and Zak help him get socks? And just what is Grandma up to? *Examining Threats and Protections for the Polar Bear* Bantam

An absorbing first-hand account of living with bears, from the acclaimed author of *The Spirit Bear*. To many people, grizzlies are symbols of power and ferocity -- creatures to be feared and, too often, killed. But Charlie Russell, who has had a forty-year relationship with bears, holds the controversial belief that it is possible to live with and truly understand bears in the wild. And for five years now, Russell and his partner, artist and photographer

Maureen Enns, have spent summers on the Kamchatka peninsula, located on the northeast coast of Russia, and home of the densest population of brown bears in the world. Grizzly Heart tells the remarkable story of how Russell and Enns have defied the preconceptions of wildlife officials and the general public by living unthreatened - - and respected -- among the grizzlies of Kamchatka. In an honest and immediate style, Russell tells of the trials and

successes of their years in the field, from convincing Russian officials to allow them to study, to adopting three bear cubs left orphaned when their mother was killed by a hunter (and teaching these cubs how to survive in the wild), to raising environmental awareness through art. Through a combination of careful study and personal dedication, Russell and Enns are persuading people to reconsider the age-old image of the grizzly bear as a

ferocious man-eater and perpetual threat. Through their actions, they demonstrate that it is possible to forge a mutually respectful relationship with these majestic giants, and provide compelling reasons for altering our culture. "We have been able to live beautifully with these animals, with no serious threat, because of what we've learned. Hopefully, sharing what we learn will help people -- and be a big help to our bears, too."
