What if we truly belong to each other? What if we are all walking around shining like the sun? Mystic, monk, and activist Thomas Merton asked those questions in the twentieth century. Writer Sophronia Scott is asking them today. In *The Seeker and the Monk*, Scott mines the extensive private journals of one of the most influential contemplative thinkers of the past for guidance on how to live in these fraught times. As a Black woman who is not Catholic, Scott both learns from and pushes back against Merton, holding spirited, and intimate conversations on race, ambition, faith, activism, nature, prayer, friendship, and love. She asks: What is the connection between contemplation and action? Is there ever such a thing as a wrong answer to a spiritual question? How do we care about the brutality in the world while not becoming overwhelmed by it? By engaging in this lively discourse, readers will gain a steady sense of how to dwell more deeply within—and even to love—this despairing and radiant world.

If you read one book about writing every week for a year, what would you learn? Thanks to the self-publishing revolution and events like National Novel Writing Month, the genre of writing craft books has exploded in recent years. Book editor Kristen Tate set out to read and review one writing advice book each week for a year, from classics like E. M. Forster's *Aspects of the Novel* and Anne Lamott's *Bird by Bird* to newer works like Jane Alison's *Meander, Spiral, Explode* and Jessica Brody's *Save the Cat! Writes a Novel*. What she discovered was a dizzying array of approaches to writing: plotters who know even the smallest details about characters before they write a word; pantsers who blithely dive right into a draft without a plan; anti-adverb crusaders and advocates for complex sentences; and, always, that the best way to learn is to read the kinds of books you want to write. All the *Words* is also a meditation on the challenges and pleasures of starting and sustaining a weekly practice of reading, thinking, and writing. It's an optimistic, encouraging book that will motivate you to keep reading and, most importantly, keep writing.
