## KANE OBRIEN

*Altes Brauchtum neu entdeckt Schmuck-Eier* Liveright Publishing  
A landmark literary event, The Collected Poems of Bertolt Brecht is the most extensive English translation of Brecht's poetry to date. Widely celebrated as the greatest German playwright of the twentieth century, Bertolt Brecht was also, as George Steiner observed, "that very rare phenomenon, a great poet, for whom poetry is an almost everyday visitation and drawing of breath." Hugely prolific, Brecht also wrote more than two thousand poems—though fewer than half were published in his lifetime, and early translations were heavily censored. Now, award-winning translators David Constantine and Tom Kuhn have heroically translated more than 1,200 poems in the most comprehensive English collection of Brecht's poetry to date. Written between 1913 and 1956, these poems celebrate Brecht's unquenchable "love of life, the desire for better and more of it," and reflect the technical virtuosity of an artist driven by bitter and violent politics, as well as by the untrammelled forces of love and erotic desire. A monumental achievement and a reclamation, The Collected Poems of Bertolt Brecht is a must-have for any lover of twentieth-century poetry.

Every child knows what is celebrated at Christmas. But what happens on holidays like Pentecost and Ascension Day? Who were Saint Martin and Saint Nicholas? What do we celebrate on Thanksgiving and All Saints' Day? Why do we dye Easter eggs? With this book, children actively discover the church year. Starting with Advent, there are child-friendly factual texts, explanatory illustrations and creative suggestions on how to organize these special times for each festival and each year.

*The Fairy Tales of Hermann Hesse* Walker

This volume consists of the English translations of the letters exchanged between Emil Artin to Helmut Hasse written from 1921 until 1958. The letters are accompanied by extensive comments explaining the mathematical background and giving the information needed for understanding these letters. Most letters deal with class field theory and shed a light on the birth of one of its most profound results: Artin's reciprocity law.

*Zur biographie Pestalozzi's: th. Pestalozzi's wirksamkeit bis in die mitte des Burgdorfer aufenthaltes. 2. verm. aufl. 1868* Bantam

Two great classics come to life in one of the most loved books in American History. Remastered to include Illustrated exercises, a biography of Aldous Huxley, and including the full essay of Heaven and Hell, and The Doors to Perception, this book is a great gift to those who are unfamiliar with his work, or may have forgotten about Huxley's famous contemplations of life and death. - ZKBS(c) All Rights Reserved.

Daley B's many questions about his identity and how he should live his life are answered when Jazzy D pays a visit to the woodland. Suggested level: junior.

**Hand Lettering** Cambridge University Press

A collection of twenty-two fairy tales by the Nobel Prize-winning novelist, most translated into English for the first time, show the influence of German Romanticism, psychoanalysis, and Eastern religion on his development as an author.

*Zur Biographie Pestalozzi's*

This book, designed for students who have already developed a basic competence in German, aims to broaden and improve their vocabulary by providing detailed information on groups of German words with related meanings. It is invaluable as a guide to finding the right word for the context. In order to enhance understanding of the structure of the German vocabulary, groups of synonyms are organised under German (rather than English) headwords. All entries are accompanied by an example of usage and English glosses and there are two indexes allowing users quickly to locate words in German or English. The book takes full account of register variation, indicating the degree of formal or informal use, and reflects regional usage especially in Austria and Switzerland. It is an essential reference for intermediate and advanced students as well as teachers and other professional linguists seeking access to the finer nuances of the German language.
