SOON TO BE A MAJOR MOTION PICTURE FROM NETFLIX AND ACADEMY AWARD-WINNING DIRECTOR KATHRYN BIGELOW "Fantastic story, a real page-turner. Impossible to put down." – Stephen King From the author of *Cold Storage* comes a riveting, eerily plausible thriller, told with the menace and flair of *Under the Dome* or *Project Hail Mary*, in which a worldwide cataclysm plays out in the lives of one complicated Midwestern family. In *Aurora*, Illinois, Aubrey Wheeler is just trying to get by after her semi-criminal ex-husband split, leaving behind his unruly teenage son. Then the lights go out—not just in *Aurora* but across the globe. A solar storm has knocked out power almost everywhere. Suddenly, all problems are local, very local, and Aubrey must assume the mantle of fierce protector of her suburban neighborhood. Across the country lives Aubrey's estranged brother, Thom. A fantastically wealthy, neurotically over-prepared Silicon Valley CEO, he plans to ride out the crisis in a gilded desert bunker he built for maximum comfort and security. But the complicated history between the siblings is far from over, and what feels like the end of the world is just the beginning of several long-overdue reckonings—which not everyone will survive . . . *Aurora* is suspenseful storytelling—both large scale and small—at its finest.

In *Aurora*, Alaskan storyteller and artist Mindy Dwyer has created a magical story of a young girl whose seeking and dreams lead her to a great discovery. The bright, luminous illustrations that accompany the story magically portray this tale of the origin of the Aurora Borealis, the glorious

northern lights. Inspired by her northern home, Mindy Dwyer says: Living in Alaska, it's natural for one to believe that ancient magic dances in the shadows, the wind is enchanted, the old legends are true and in nature. She lives with her family in Anchorage and is also the author and illustrator of *Coyote in Love* and *Quilt of Dreams*.

In the quiet of a wintry night, a child's father bundles them up, and they head deep into the woods to find an aurora. As they walk, Dad answers questions from his child while keeping the mystery of the aurora to himself until, finally, they are greeted by "dancing light" of every color. As they walk home, Dad tells his child everything he knows about the natural wonder of the auroras. At the heart of this story is the bond found between father and child as they learn to connect. For those who loved *Owl Moon*, *Seeking an Aurora* is a moving and beautiful picture book celebrating those unforgettable moments between a child and a parent and the majestic splendor of the northern and southern lights.
