Posits that John F. Kennedy was not killed by a lone assassin.

Case Open Carroll & Graf Pub

Explores the secret alliance between the United States and the ruling family of Saudi Arabia, revealing details of the impact of the Saudis on American businesses and politics, including big oil interests and covert military plans.

UFOs, JFK, and Elvis Random House (NY)

A landmark in historical research, tying the Mafia and Cuba to the assassination of JFK—updated to reveal the role of Cuban Commander Juan Almeida. Recent revelations by the U.S. government point to Cuba’s former number three official—Commander Juan Almeida—as secretly working with President John F. Kennedy in November 1963 to overthrow Fidel Castro. This updated edition of Ultimate Sacrifice tells the full story for the first time—complete with new photos and documents. The authors obtained the story from almost two dozen associates of John and Robert Kennedy, starting in 1990 with JFK’s Secretary of State Dean Rusk. Their accounts are supported by thousands of newly released files at the National Archives. A “palace coup,” set for December 1, 1963, was to be backed up by U.S. forces “invited” in by Commander Almeida, then Chief of the Cuban Army. However, three Mafia bosses being targeted by Attorney General Robert F. Kennedy used several CIA assets to infiltrate the secret plot and murder JFK. The new edition explains why Almeida was not a double agent, why Fidel suspected Almeida’s ally Che Guevara, and what Fidel did in 1990 when he finally found out about Almeida’s work for JFK. “How well do the authors make their case? With a relentless accumulation of detail, a very thorough knowledge of every political and forensic detail and the broad perspective of historians rather than assassination theorists.” —Publishers Weekly (starred review) “At last, the mysteries surrounding JFK’s death are fully explained by the startling revelations in this book.” —William W. Turner, former FBI agent and author of *Deadly Secrets*

The Posner Files Cooper Square Press

Humiliated at the Bay of Pigs, John and Robert Kennedy sought desperately to eliminate Castro. Their strategies for overthrowing the Cuban leader were so elaborate and bizarre, they could only engender paranoia. Castro openly threatened to retaliate. Pro-Castro agitator Lee Harvey Oswald learned that Robert Kennedy was personally supervising groups plotting against the Cuban leader. Filled with rage and a sense of destiny, Oswald went to the Cuban embassy in Mexico, announcing he would kill America's president in exchange for sanctuary in Havana. Live By the Sword forces the conclusion that members of the Cuban regime accepted the troubled American's offer. Russo shows that Oswald was indeed JFK's lone assailant, but that after the president's murder, a devastated Robert Kennedy and key officials launched a comprehensive coverup to hide its true causes.Gus Russo, based in Baltimore, Maryland, has reported for acclaimed ABC and PBS documentaries on JFK, and done research for authors Gerald Posner, Seymour Hersh, and Anthony Summers. Exhaustively researched, Live by the Sword ends 35 years of public mistrust and confusion over the Kennedy assassination.

Hitler's Children Open Road Media

The new evidence in the JFK assassination.

Mengele Open Road Media

The author, formerly one of Lyndon Johnson's lawyers, explains why he believes that Johnson was behind the Kennedy assassination.

Blood, money & power Harvard University Press

A deep dive into James Earl Ray’s role in the national tragedy: “Superb . . . a model of investigation . . . as gripping as a first-class detective story” (The New York Times). On April 4, 1968, Martin Luther King Jr. was killed in Memphis, Tennessee, by a single assassin’s bullet. A career criminal named James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony from where King was cut down. An international manhunt ended two months later with Ray’s capture. Though Ray initially pled guilty, he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy. In *Killing the Dream*, expert investigative reporter Gerald Posner reexamines Ray and the evidence, even tracking down the mystery man Ray claimed was the conspiracy’s mastermind. Beginning with an authoritative biography of Ray’s life, and continuing with a gripping account of the assassination and its aftermath, Posner cuts through phony witnesses, false claims, and a web of misinformation surrounding that tragic spring day in 1968. He puts Ray’s conspiracy theory to rest and ultimately manages to disclose what really happened the day King was murdered.

Conspiracy of One Summit Publishing Group

Neither a random event nor the act of a lone madman—the assassination of President John F. Kennedy was an appalling and grisly conspiracy. This is the unvarnished story. With deft investigative skill, David Kaiser shows that the events of November 22, 1963, cannot be understood without fully grasping the two larger stories of which they were a part: the U.S. government’s campaign against organized crime, which began in the late 1950s and accelerated dramatically under Robert Kennedy; and the furtive quest of two administrations—along with a cadre of private interest groups—to eliminate Fidel Castro. The seeds of conspiracy go back to the Eisenhower administration, which recruited top mobsters in a series of plots to assassinate the Cuban leader. The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions. The agency’s links with the Mafia continued in the Kennedy administration, although the President and his closest advisors—engaged in their own efforts to overthrow Castro—thought this skullduggery had ended. Meanwhile, Cuban exiles, right-wing businessmen, and hard-line anti-Communists established ties with virtually anyone deemed capable of taking out the Cuban premier. Inevitably those ties included the mob. The conspiracy to kill JFK took shape in response to Robert Kennedy’s relentless attacks on organized crime—legal vendettas that often went well beyond the normal practices of law enforcement. Pushed to the wall, mob leaders merely had to look to the networks already in place for a solution. They found it in Lee Harvey Oswald—the ideal character to enact their desperate revenge against the Kennedys. Comprehensive, detailed, and informed by original sources, *The Road to Dallas* adds surprising new material to every aspect of the case. It brings to light the complete, frequently shocking, story of the JFK assassination and its aftermath.

Citizen Perot Simon and Schuster

The inside story of Lee Harvey Oswald's path to killing John. F. Kennedy. Reissued to mark the 50th anniversary of the Kennedy assassination, *Marina and Lee* is an indispensable account of one of America's most traumatic events, and a classic work of narrative history. In her meticulous, at times even moment by moment, account of Oswald's progress toward the assassination, Priscilla Johnson McMillan takes us inside Oswald's fevered mind and his manic marriage. When Marina, only a few weeks after giving birth to their second child, hears of Kennedy's death and discovers that Lee's rifle is missing from the garage where it was stored, she knows that her husband has killed the President. McMillan came to the story with a unique knowledge of the two main characters. In the 1950s she had worked for Kennedy and had known him well for a time. Later, working in Moscow as a journalist, she interviewed Lee Harvey Oswald during his attempt to defect to the Soviet Union. When she heard his name again on November 22, 1963, she said, "My God! I know that boy!" *Marina and Lee* was written with the complete and exclusive cooperation of

Oswald's Russian-born wife, Marina Prusakova, whom McMillan debriefed for seven months in the immediate aftermath of the President's assassination and her husband's nationally televised execution at the hands of Jack Ruby. The truth is far more compelling, and unsettling, than the most imaginative conspiracy theory. *Marina and Lee* is a human drama that is outrageous, heartbreaking, tragic, fascinating. . . and real. From the Trade Paperback edition.

Who Really Killed Kennedy? Steerforth

'THE POLITICAL BOOK OF THE YEAR' Tim Shipman A blistering narrative exposé of infighting, skulduggery and chaos in Corbyn's Labour party, now revised and updated. * A Times, Guardian, Daily Telegraph, Sunday Times and i Newspaper Book of the Year * Left Out tells, for the first time, the astonishing full story of Labour's recent transformation and historic defeat. Drawing on unrivalled access, this blistering exposé moves from the peak of Jeremy Corbyn's popularity and the shock hung parliament of 2017 to Labour's humbling in 2019 and the election of Keir Starmer. It reveals a party at war with itself, and puts the reader in the room as tensions boil over, sworn enemies forge unlikely alliances and lifelong friendships are tested to breaking point. This is the ultimate account of the greatest experiment seen in British politics for a generation. 'Gripping... Every bit as good as people say' Guardian 'Reads like a thriller...told with panache and pace' Financial Times 'The definitive post-mortem of the Corbyn project' Sunday Times

God's Bankers Oxford University Press

An all-encompassing analysis of the assassination of JFK and its surrounding conspiracy theories draws on forensic evidence, key witness testimonies, and other sources to explain what really happened and why conspiracy theories have become so popularized.

Case Closed, Vol. 81 Pelican Publishing

A shocking exposé looking into the failure of our government to investigate the assassination of a president. Now featuring a foreword from New York Times bestselling author Dick Russell. Gaeton Fonzi’s masterful retelling of his work investigating the Kennedy assassination for two congressional committees is required reading for students of the assassination and the subsequent failure of the government to solve the crime. His book is a compelling postmortem on the House Select Committee on Assassinations, as well as a riveting account of Fonzi’s pursuit of leads indicating involvement in the assassination by officers of the Central Intelligence Agency. First published in 1993 and now with a new foreword by Dick Russell, New York Times bestselling author of *They Killed Our President!* and *63 Documents the Government Doesn’t Want You to Read*, Fonzi’s *The Last Investigation* was a landmark book upon its release. More than merely an indictment of the Committee’s work, *The Last Investigation* tells the story of the important leads Fonzi developed as an investigator, which sent him into the milieu of Kennedy-haters among anti-Castro exiles and CIA officers. In this highly readable book, the author follows the trail to formerly obscure CIA officers such as David Atlee Phillips and David Morales. New records declassified under the JFK Records Act have only added to the dark questions raised here.

Case Closed Simon & Schuster

Definitive accounts of JFK’s and Martin Luther King’s assassinations by a Pulitzer Prize finalist and New York Times–bestselling author. *Case Closed: A Pulitzer Prize finalist and New York Times bestseller*, *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy. Drawing from official sources and dozens of interviews, filled with powerful historical detail, and including an updated comment for the fiftieth anniversary, Posner’s “utterly convincing” book lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have obscured what really happened in Dealey Plaza on November 22, 1963 (Chicago Tribune). “By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not.” —The New York Times Book Review *Killing the Dream: On April 4, 1968, Martin Luther*

King Jr., was killed in Memphis, Tennessee, by a single assassin's bullet. James Earl Ray was seen fleeing from a rooming house that overlooked the hotel balcony where King was shot. An international manhunt ended two months later with Ray's capture. Though Ray initially pled guilty, he quickly recanted and for the rest of his life insisted he was an unwitting pawn in a grand conspiracy. In *Killing the Dream*, expert investigative reporter Gerald Posner cuts through phony witnesses, false claims, and a web of misinformation to put Ray's conspiracy theory to rest and disclose what really happened the day King was murdered. "A superb book: a model of investigation, meticulous in its discovery and presentation of evidence, unbiased in its exploration of every claim. And it is a wonderfully readable book, as gripping as a first-class detective story." —The New York Times

[Ultimate Sacrifice](#) W. W. Norton & Company

"Exorbitant prices for lifesaving drugs, safety recalls affecting tens of millions of Americans, and soaring rates of addiction and overdose on prescription opioids have caused many to lose faith in pharmaceutical companies. Now, Americans are demanding national reckoning with a monolithic industry. In *Pharma*, award-winning journalist and New York Times best-selling author Gerald Posner uncovers the real story of the Sacklers, the family that became one of America's wealthiest from the success of OxyContin, their blockbuster narcotic painkiller at the center of the opioid crisis. The unexpected twists and turns of the Sakler family saga are told against the startling chronicle of a powerful industry that sits at the intersection of public health and profits. *Pharma* reveals how and why American drug companies have put earnings ahead of patients"--

The Last Investigation Penguin Group USA

Examines the terrorist attacks of September 11th and why the disaster was not prevented, discussing how breakdowns in intelligence and political infighting allowed terrorists to carry out an unprecedented attack on American soil.

With Malice Random House (NY)

Based on exclusive and unrestricted access to more than 5,000 pages of personal writings and

family photos, this definitive biography of German physician and SS-Hauptsturmführer Josef Mengele (1911-1979) probes the personality and motivations of Auschwitz's "Angel of Death." From May 1943 through January 1945, Mengele selected who would be gassed immediately, who would be worked to death, and who would serve as involuntary guinea pigs for his spurious and ghastly human experiments (twins were Mengele's particular obsession). With authority and insight, Mengele examines the entire life of the world's most infamous doctor.

Case Closed Page Publishing Inc

A "thought-provoking and powerful" study that reframes everything you've been taught about addiction and recovery—from the New York Times best-selling author of *The Myth of Normal* (Bruce Perry, author of *The Boy Who Was Raised as a Dog*). A world-renowned trauma expert combines real-life stories with cutting-edge research to offer a holistic approach to understanding addiction—its origins, its place in society, and the importance of self-compassion in recovery. Based on Gabor Maté's two decades of experience as a medical doctor and his groundbreaking work with people with addiction on Vancouver's skid row, this #1 international bestseller radically re-envision a much misunderstood condition by taking a compassionate approach to substance

abuse and addiction recovery. In the same vein as Bessel van der Kolk's *The Body Keeps the Score*, *In the Realm of Hungry Ghosts* traces the root causes of addiction to childhood trauma and examines the pervasiveness of addiction in society. Dr. Maté presents addiction not as a discrete phenomenon confined to an unfortunate or weak-willed few, but as a continuum that runs throughout—and perhaps underpins—our society. It is not a medical "condition" distinct from the lives it affects but rather the result of a complex interplay among personal history, emotional and neurological development, brain chemistry, and the drugs and behaviors of addiction. Simplifying a wide array of brain and addiction research findings from around the globe, the book avoids glib self-help remedies, instead promoting a thorough and compassionate self-understanding as the first key to healing and wellness. Dr. Maté argues persuasively against contemporary health, social, and criminal justice policies toward addiction and how they perpetuate the War on Drugs. The mix of personal stories—including the author's candid discussion of his own "high-status" addictive tendencies—and science with positive solutions makes the book equally useful for lay readers and professionals.

Case Closed X12 S/W Bloomsbury Publishing USA

A gripping spy thriller set at an addictive pace, from bestselling author, Jeffrey Archer. Connor Fitzgerald is the professional's professional. Holder of the Medal of Honour. Devoted family man. The CIA's most deadly weapon. But for twenty-eight years, he has been leading a double life. And only days from his retirement, he comes across an enemy even he cannot handle. The enemy is his own boss. And she has only one purpose: to destroy him. Meanwhile, the United States is faced with an equally formidable foe: a new Russian President, determined to force a military confrontation between the two superpowers. Ranging from the Oval Office in the White House to a Russian Mafia boss's luxurious hideaway outside St Petersburg, *The Eleventh Commandment* sets new standards in contemporary thriller writing. Jeffrey Archer scoops his readers up in the first paragraph, and doesn't let them go until the last. The pace, the ingenuity, the twists, intertwined with a moving love story, show Britain's bestselling writer at the peak of his page-turning powers.
