JERAMIAH ADRIENNE

Cause Celeb Pan Macmillan

A comedy on an Englishwoman's quest for self-improvement. Single and thirty-something Bridget diets, keeps tabs on her tobacco and alcohol consumption, visits the gym regularly, yet she still has problems finding the right man. A debut in fiction. *Sofia Khan is Not Obligated* Ballantine Books

An in-depth celebration of the romantic comedy's modern golden era and its role in our culture, tracking the genre from its heyday in the '80s and the '90s, its unfortunate decline in the 2000s, and its explosive reemergence in the age of streaming, featuring exclusive interviews with the directors, writers, and stars of the iconic films that defined the genre. No Hollywood genre has been more misunderstood—or more unfairly under-appreciated—than the romantic comedy. Funny, charming, and reliably crowd-pleasing, rom-coms were the essential backbone of the Hollywood landscape, launching the careers of many of Hollywood's most talented actors and filmmakers, such as Julia Roberts and Matthew McConaughey, and providing many of the yet limited creative opportunities women had in Hollywood. But despite—or perhaps because of—all that, the rom-com has routinely been overlooked by the Academy Awards or snobbishly dismissed by critics. In *From Hollywood with Love*, culture writer and GQ contributor Scott Meslow seeks to right this wrong, celebrating and analyzing rom-coms with the appreciative, insightful critical lens they've always deserved. Beginning with the golden era of the romantic comedy—spanning from the late '80s to the mid-'00s with the breakthrough of films such as *When Harry Met Sally*—to the rise of streaming and the long-overdue push for diversity setting the course for films such as the groundbreaking, franchise-spawning *Crazy Rich Asians*, Meslow examines the evolution of the genre through its many iterations, from its establishment of new tropes, the Austen and Shakespeare rewrites, the many love triangles, and even the occasional brave decision to do away with the happily ever after. Featuring original black-and-white sketches of iconic movie scenes and exclusive interviews with the actors and filmmakers behind our most beloved rom-coms, *From Hollywood with Love* constructs oral histories of our most celebrated romantic comedies, for an informed and entertaining look at Hollywood's beloved yet most under-appreciated genre.

'Intoxicating' Jeff VanderMeer, author of *Annihilation* 'Barrett's brilliant second novel plummets headlong into a darkly funny tale' Mail on Sunday Bridget Jones meets *Twin Peaks* in this black comedy about a woman's retreat to a remote Australian town and the horrors awaiting her. It wasn't just the bad breakup that turned Eleanor Mellett's life upside down. It was the cancer. And all the demons that came with it. One day she felt a bit of a bump when she was scratching her armpit at work. The next thing she knew, her breast was being removed by an inappropriately attractive doctor, and she was subsequently inundated with cupcakes, besieged by judgy support groups, and the ungrateful recipient of hand-knitted sweaters from her mum. Luckily, Eleanor finds that Talbingo, a remote little town, needs a primary-school teacher. Their Miss Barker upped and vanished in the night, despite being the most caring teacher ever, according to everyone. Unfortunately, Talbingo is a bit creepy. It's not only the communion-wine-swigging priest prone to rants about how cancer is caused by demons. Or the unstable, overly sensitive kids, always going on about Miss Barker and her amazing sticker system. It's living alone in a remote cabin, with no phone service or wifi, wondering why there are so many locks on the front door, and who is knocking on it late at night. Riotously funny, deeply unsettling, and surprisingly poignant, Shirley Barrett's *The Bus on Thursday* is a wicked, weird, wild ride for fans of Maria Semple, Stephen King and Henry James's *The Turn of the Screw*. And when have those three writers ever appeared in the same sentence?

The Norton Anthology of Literature by Women: Early twentieth-century through contemporary Picador

This book explores how British filmmakers of the 2000s engaged with the themes of love, sex and desire in a wide variety of movies. It ranges from powerful contemporary dramas such as *Kidulthood*, *Closer* and *Disobedience* to the lighter mood of the Bridget Jones series. It also analyses how the lives, loves and traumas of historical figures such as Oscar Wilde, Sylvia Plath and Iris Murdoch were dramatised on film. The book will appeal to literature enthusiasts, film students and readers interested in exploring how we may currently live out our hopes, fears and dreams in relation to sexual matters and affairs of the heart.

It's January 1st and Brian Bilston is convinced that this year his New Year's resolution will change his life. Every day for a year, he will write a poem. It's quite simple. Brian's life certainly needs improving. His ex-wife has taken up with a new man, a motivational speaker and indefatigable charity fundraiser to boot; he seems to constantly disappoint his long-suffering son; and at work he is drowning in a sea of spreadsheets and management jargon. So poetry will be his salvation. But there is an obstacle in the form of Toby Salt, his arch nemesis at Poetry Club and rival suitor to Liz, Brian's new poetic inspiration. When Toby goes missing, just after the announcement of the publication of his first collection, *This Bridge No Hands Shall Cleave*, Brian becomes the number one suspect. If he is to regain his reputation and to have a chance of winning Liz, he must find out what has happened to Toby before it is too late. Part tender love story, part murder mystery, part coruscating description of a wasted life, and interspersed with some of the funniest poems about the mundane and the profound, *Diary of a Somebody* is the most original novel you will read this or any year.

Bridget Jones's Diary Henry Holt and Company

With an introduction by journalist Hadley Freeman 9st 2, cigarettes smoked in front of Mark 0 (v.g.), cigarettes smoked in secret 7, cigarettes not smoked 47 (v.g.). Bridget's second diary ushers in a reformed woman. She is no longer a smoker (well, not much), the wilderness years are over, and she is at last united with man-of-her-dreams Mark Darcy. But things aren't perfect: there's an eight-foot hole in the wall of her flat, she's increasingly worried about a certain boyfriend-stealing beauty, and her friends' mad advice is getting her nowhere - something has to change. And so Bridget decides to embark on a spiritual epiphany to the palm- and magic-mushroom-kissed shores of Thailand. Surely it will be the perfect place to set her life on course once and for all . . . Bridget Jones: *The Edge of Reason* is Bridget at her best: funny, wise, and, as ever, a little bit sloshed. A number-one bestseller by Helen Fielding, it is, alongside *Bridget Jones's Diary*, a modern classic and one of the funniest books you'll ever read.

In 1995 and 1996 six film or television adaptations of Jane Austen's novels were produced -- an unprecedented number. More amazing, all were critical and/or box office successes. What accounts for this explosion of interest? Much of the appeal of these films lies in our nostalgic desire at the end of the millennium for an age of greater politeness and sexual reticence. Austen's ridicule of deceit and pretentiousness also appeals to our fin de siècle sensibilities. The novels were changed, however, to enhance their appeal to a wide popular audience, and the revisions reveal much about our own culture and its values. These recent productions espouse explicitly twentieth-century feminist notions and reshape the Austenian hero to make him conform to modern expectations. Linda Troost and Sayre Greenfield present fourteen essays examining the phenomenon of Jane Austen as cultural icon, providing thoughtful and sympathetic insights on the films through a variety of critical approaches. The contributors debate whether these productions enhance or undercut the subtle feminism that Austen promoted in her novels. From *Persuasion* to *Pride and Prejudice*, from the three Emmas (including *Clueless*) to *Sense and Sensibility*, these films succeed because they flatter our intelligence and education. And they have as much to tell us about ourselves as they do about the world of Jane Austen. This second edition includes a new chapter on the recent film version of *Mansfield Park*.

Jane's Fame tells the fascinating story of Jane Austen's renown, from the years of rejection the author faced during her lifetime to the global recognition and adoration she now enjoys. Almost two hundred years after her death, Austen remains a hot topic, constantly open to revival and reinterpretation and known to millions of people through film and television adaptations as much as through her books. In *Jane's Fame*, Claire Harman gives

us the complete biography—of both the author and her lasting cultural influence—making this essential reading for anyone interested in Austen's life, works, and remarkably potent fame. *Cause Celeb* W. W. Norton & Company

New York Times Bestseller A startlingly original debut from the actor, writer, director, and executive producer hailed as “a gifted observer of the human condition and a very funny writer capable of winning that rare thing: unselfconscious, insuppressible laughter” (The Washington Post). A boy wins a \$100,000 prize in a box of Frosted Flakes—only to discover that claiming the winnings might unravel his family. A woman sets out to seduce motivational speaker Tony Robbins—turning for help to the famed motivator himself. A new arrival in Heaven, overwhelmed with options, procrastinates over a long-ago promise to visit his grandmother. We meet Sophia, the first artificially intelligent being capable of love, who falls for a man who might not be ready for it himself; a vengeance-minded hare, obsessed with scoring a rematch against the tortoise who ruined his life; and post-college friends who try to figure out how to host an intervention in the era of Facebook. Along the way, we learn why wearing a red T-shirt every day is the key to finding love, how February got its name, and why the stock market is sometimes just . . . down. Finding inspiration in questions from the nature of perfection to the icing on carrot cake, *One More Thing* has at its heart the most human of phenomena: love, fear, hope, ambition, and the inner stirring for the one elusive element just that might make a person complete. Across a dazzling range of subjects, themes, tones, and narrative voices, the many pieces in this collection are like nothing else, but they have one thing in common: they share the playful humor, deep heart, sharp eye, inquisitive mind, and altogether electrifying spirit of a writer with a fierce devotion to the entertainment of the reader.

“A beautifully crafted novel that sits at the intersection of race and class, that flags the frank truth of the life of migrant workers for whom a flight to freedom can become the most finely woven trap.”—JODI PICOULT, #1 New York Times bestselling author of *The Book of Two Ways* From the prize-winning author of *The Beekeeper of Aleppo* comes *Songbirds*, a stunning novel about the disappearance of a Sri Lankan domestic worker and how the most vulnerable people find their voices. Living on the island of Cyprus, Nisha is far from her native Sri Lanka. Though she longs to return home, she knows that working as a “maid” for a wealthy widow is the only way to earn enough to support her daughter, left behind to be raised by relatives. Yiannis is a poacher, trapping the tiny protected songbirds that stop in Cyprus as they migrate each year from Africa to Europe and selling them on the illegal market. He dreams of finding a new way of life, and of marrying Nisha. But one night, Nisha makes dinner, an aromatic dahl curry,

for the family who pays her: Petra and her daughter Aliko. Then, after she cleans the kitchen and tucks Aliko into bed, Nisha goes out on a mysterious errand, and vanishes. When the police refuse to pursue the case, Petra takes on the investigation herself, a path that leads her to Nisha's friends—other workers in the neighborhood—and to the darker side of a migrant's life, where impossible choices leave them vulnerable, captive, and worse. Inspired by the real-life disappearance of domestic workers in Cyprus, Christy Lefteri has crafted a poignant, deeply empathetic narrative of the human stories behind the headlines. With infinite tenderness and skill, *Songbirds* offers a triumphant story of the fight for truth and justice, and of women reclaiming their lost voices.

In the tradition of Jennifer Close's *Girls in White Dresses* comes a “a pin-sharp, utterly addictive debut” (Vogue U.K.) told in vignettes that speak to a new generation not trying to have it all but hoping to make sense of it all. “Everyone's been talking about this book. . . . Charming and funny, this read is simply delightful.”—Bustle “A deadpan comic debut for the procrastination generation.”—The Guardian Claire Flannery has just quit her office job, hoping to take some time to discover her real passion. The problem is, she's not exactly sure how to go

about finding it. Without the distractions of a regular routine, Claire confronts the best and worst parts of herself: the generous, attentive part that visits her grandmother for tea and cooks special meals for her boyfriend, Luke, and the part that she feels will never measure up and makes regrettable comments after too many glasses of wine. What emerges is a candid, moving portrait of a clear-eyed heroine trying to forge her own way, a wholly relatable character whose imperfections and uncanny observations highlight what makes us all different and yet inescapably linked. Praise for *Not Working* “Ruefully funny . . . features a kind of millennial Bridget Jones whose red wine-and-TED Talk-fueled pursuit of a higher purpose in life leads to hard truths and hangovers.”—Vogue “In this laugh-out-loud debut, Claire Flannery is a lost soul who quits her day job to discover her true passion. In taking a hard look at her own character, Claire finds that her loveable qualities are sometimes squashed by mistakes, like the evenings she blurts inappropriate remarks after too many glasses of wine. [Lisa] Owens's story is a smart, relatable and delicious debut.”—Harper's Bazaar “It's no mean feat to fashion a novel out of the stuff of everyday life. . . . Fortunately, Owens is quite a writer. . . . *Not Working* works because there is lots going on beneath its placid, ordinary surface. . . . With this funny, serious debut, Lisa Owens has proved that she's one to watch.”—The New Statesman “There are sharp observations about generational change, particularly on the topic of work. . . . The novel is a light read but it raises some timely issues. . . . A secure job with a future is not that easy to find, as Claire's comic and compelling tale serves to show. This book offers a form of catharsis for anyone who has felt that they are not quite doing their job right. . . . It is soothing to find you are not the only one noodling along in your career.”—Financial Times “Stellar . . . [Owens has an] ability to take the potentially trite problem-of-the-privileged trope and deftly craft it into readable fun.”—Publishers Weekly “Owens offers a millennial take on the traditional British chick-lit heroine. . . . Claire is a realistically awkward character who will appeal to readers looking for a less-angsty take on the new adult trend.”—Booklist “A novel as insightful about the contemporary dilemmas facing young professionals as it is sharp, incisive and laugh-out-loud funny.”—The Observer “Lots of people say they laugh out loud when they read a book they love. But in the case of *Not Working*, I really did laugh out loud, often and raucously.”—Elisabeth Egan, author of *A Window Opens*
