TAKE CHARGE OF

**YOUR FINANCIAL LIFE!**  
 The easiest way to lose control of your life is to lose control of your financial life. Joan Perry's spectacularly successful Wall Street career shielded her from that truth--until a failed love affair and a lost nest egg jolted her into rethinking her priorities and then acting on them. Today, through her company, Take Charge Financial!, Perry helps women gain control of their money and their lives by building long-term financial well-being through smart investing. In *A Girl Needs Cash*, Perry provides women at all stages of life with an unusual program that goes beyond just the basics of personal finance. She breaks through the myths and misconceptions that

have kept women financial captives and gives the scoop on growing wealth. Among the important topics discussed: Taking charge: Perry shows you step by step how to review your spending habits and develop new sources of income to create the kind of life you want to live--now and well into your future. Creating the "money machine": Perry shows how to build a personal "money machine" to generate real cash flow with the right investment choices for you--stocks, mutual funds, real estate--and understand the tax choices that affect your cash flow. The time to take financial action is now. From offering new thinking about your attitude toward money to providing the tools

for successful investing, *A Girl Needs Cash* is one of the most important books a woman can read.

### **The Book of SHE**

Harper Collins

Is there a «myth of the heroine» similar, but not identical, to the male Bildungsroman, the novel of development? In this new study Esther K. Labovitz scrutinizes the social and spiritual quest of the heroine. The image that emerges in fact signals the future total development of personality - or Bildung of real life women and their fictional counterparts. Labovitz compares the writings of four authors of the female Bildungsroman, Dorothy Richardson, Simone de Beauvoir, Doris Lessing and Christa Wolf,

establishing a common ground among them as they trace the heroine's growth and quest.

### **Becoming Heroines**

Harper Collins

Every good story is a journey. The *Heroine's Journey* is a detailed account of one woman's reawakening that aligned her with the path of healing after suffering years of Lyme disease. Many have heard of the timeless secrets of the Law of Attraction and the Law of Cause and Effect that govern how thoughts become things and come to create our reality. Now, here in this tale of compassion, redemption, and the triumph of love, we see what that truth actually means as the heroine breathes life into her thoughts and words.

Follow her on this journey of overcoming not only Lyme disease, a mini-stroke, and a heart attack but a lifetime of trapped negative emotion. What *The Heroine's Journey* offers you in this precarious time of a global pandemic is a new perspective on illnesses and solutions.

*45 Master Characters Quest Books*

Ever since women in the West first started publishing works of fiction, they have written about a heroine who must wander from one place to another as she searches for a way to live the life she wants to live, a life through which she can express her true self creatively in the world. Yet while many have written about the "heroine's journey," most of those authors

base their models of this journey on Joseph Campbell's model of the Heroic Quest story or on old myths and tales written down by men, not on the stories that women tell. In *Jane Eyre's Sisters: How Women Live and Write the Heroine's Story*, cultural mythologist Jody Gentian Bower looks at novels by women—and some men—as well as biographies of women that tell the story of the Aletis, the wandering heroine. She finds a similar pattern in works spanning the centuries, from Lady Mary Wroth and William Shakespeare in the 1600s to Sue Monk Kidd, Suzanne Collins, and Philip Pullman in the current century, including works by Jane Austen, the Brontë

sisters, George Eliot, Elizabeth Gaskell, Charles Dickens, Kate Chopin, Virginia Woolf, Doris Lessing, J.R.R. Tolkien, and Alice Walker, to name just a few. She also discusses myths and folk tales that follow the same pattern. Dr. Bower argues that the Aletis represents an archetypal character that has to date received surprisingly little scholarly recognition despite her central role in many of the greatest works of Western fiction. Using an engaging, down-to-earth writing style, Dr. Bower outlines the stages and cast of characters of the Aletis story with many examples from the literature. She discusses how the Aletis story differs from the hero's quest, how it

has changed over the centuries as women gained more independence, and what heroines of novels and movies might be like in the future. She gives examples from the lives of real women and scatters stories that illustrate many of her points throughout the book. In the end, she concludes, authors of the Aletis story use their imagination to give us characters who serve as role models for how a woman can live a full and free life.

**Beyond the Sword Maiden** Writers Digest Books

World-renowned folklorist Maria Tatar reveals an astonishing but long-buried history of heroines, taking us from Cassandra and Scheherazade to Nancy Drew and Wonder

Woman. The Heroine with 1,001 Faces dismantles the cult of warrior heroes, revealing a secret history of heroinism at the very heart of our collective cultural imagination. Maria Tatar, a leading authority on fairy tales and folklore, explores how heroines, rarely wielding a sword and often deprived of a pen, have flown beneath the radar even as they have been bent on redemptive missions. Deploying the domestic crafts and using words as weapons, they have found ways to survive assaults and rescue others from harm, all while repairing the fraying edges in the fabric of their social worlds. Like the tongueless Philomela, who spins the tale of

her rape into a tapestry, or Arachne, who portrays the misdeeds of the gods, they have discovered instruments for securing fairness in the storytelling circles where so-called women's work—spinning, mending, and weaving—is carried out. Tatar challenges the canonical models of heroism in Joseph Campbell's *The Hero with a Thousand Faces*, with their male-centric emphases on achieving glory and immortality. Finding the women missing from his account and defining their own heroic trajectories is no easy task, for Campbell created the playbook for Hollywood directors. Audiences around the world have willingly surrendered to

the lure of quest narratives and charismatic heroes. Whether in the form of Frodo, Luke Skywalker, or Harry Potter, Campbell's archetypal hero has dominated more than the box office. In a broad-ranging volume that moves with ease from the local to the global, Tatar demonstrates how our new heroines wear their curiosity as a badge of honor rather than a mark of shame, and how their "mischief making" evidences compassion and concern. From Bluebeard's wife to Nancy Drew, and from Jane Eyre to Janie Crawford, women have long crafted stories to broadcast offenses in the pursuit of social justice. Girls, too, have now precociously

stepped up to the plate, with Hermione Granger, Katniss Everdeen, and Starr Carter as trickster figures enacting their own forms of extrajudicial justice. Their quests may not take the traditional form of a "hero's journey," but they reveal the value of courage, defiance, and, above all, care. "By turns dazzling and chilling" (Ruth Franklin), *The Heroine with 1,001 Faces* creates a luminous arc that takes us from ancient times to the present day. It casts an unusually wide net, expanding the canon and thinking capaciously in global terms, breaking down the boundaries of genre, and displaying a sovereign command of cultural context. This,

then, is a historic volume that informs our present and its newfound investment in empathy and social justice like no other work of recent cultural history.

Norwegian Wood

Penguin

She had rejected her noble birthright and embraced the freedom only a man could claim. She was Romilly who lived among the beasts of hill and forest and communicated with them, who tried humanity and turned it down for its evils and jealousies. She had the MacAran Gift, the rare laran that conferred mastery over hawk and horse. There was war in the lands of Darkover for this was the age of chaos when usurpers took the throne and the true king wandered in

disguise with a price on his head. Romilly wanted none of all this, but there were those who shared her talents - the men and women of the Towers. And for them, Romilly was the key. Whether male-garbed or beast-minded, she was also human. And duty to her own true kind pointed her to the ultimate decision.

*Awakening the Heroes Within* Bloomsbury Publishing USA

In every heroic tale, the heroine is called to fulfill a compelling desire or seek a new adventure. Sometimes she is eager to accept the call. Other times, she refuses out of fear—but the call grows ever louder. For modern-day women, the struggle for self-discovery and the courage to leap into the unknown is no different. Mirroring the heroine's journey, this empowering guide outlines: ¿the power of choice. ¿models for personal development.

¿strategies to combat critics (even yourself). ¿tips for dealing with emotional roadblocks. ¿methods to achieve self-acceptance. You may not be Wonder Woman, but you are certainly a heroine. It's time to unleash the power within! For fans of: ¿Joseph Campbell's "The Hero with a Thousand Faces" ¿Will Craig's "Living the Hero's Journey" ¿Maureen Murdock's "The Heroine's Journey"

**If Women Rose Rooted** Harper Collins

For fans of bestselling WWII fiction comes a powerful novel from Lynn Austin about three women whose lives are instantly changed when the Nazis invade the neutral Netherlands, forcing each into a

complicated dance of choice and consequence. Lena is a wife and mother who farms alongside her husband in the tranquil countryside. Her faith has always been her compass, but can she remain steadfast when the questions grow increasingly complex and the answers could mean the difference between life and death? Lenas daughter Ans has recently moved to the bustling city of Leiden, filled with romantic notions of a new job and a young Dutch police officer. But when she is drawn into Resistance work, her idealism collides with the dangerous reality that comes with fighting the enemy. Miriam is a young Jewish violinist who immigrated for the safety she thought

Holland would offer. She finds love in her new country, but as her family settles in Leiden, the events that follow will test them in ways she could never have imagined. The Nazi invasion propels these women onto paths that cross in unexpected, sometimes-heartbreaking ways. Yet the story that unfolds illuminates the surprising endurance of the human spirit and the power of faith and love to carry us through.

Heroine's Journey

Tyndale House  
Publishers, Inc.

From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, "a masterly novel" (The New York Times Book Review) blending

the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love.

Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman.

Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene.

*The Heroine with 1,001 Faces* Tor Books

#1 NEW YORK TIMES BESTSELLER! *ONCE UPON A BROKEN HEART* marks the launch of a new series from Stephanie Garber about love, curses, and the lengths that people will go to for happily ever after. For as long as she can remember, Evangeline Fox has believed in true love and happy endings . . . until she learns that the love of her life will marry another.

Desperate to stop the wedding and to heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining

with an immortal is a dangerous game — and that the Prince of Hearts wants far more from her than she'd pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy.

A #1 New York Times bestseller! Sarah J.

Maas's brand-new

CRESCENT CITY series

begins with House of Earth and Blood: the story of half-Fae and half-human Bryce

Quinlan as she seeks revenge in a

contemporary fantasy world of magic,

danger, and searing romance. Bryce

Quinlan had the perfect life-working

hard all day and partying all night-until

a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths.

Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's

underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

Studies how women  
have related to God in  
different cultures and  
religions.

*You Are a Heroine*  
McFarland

The heroine's journey echoes throughout ancient legend. Each young woman combats her dark side and emerges stronger. This quest is also a staple of American comic books. Wonder Woman with semi-divine powers gives us a new female-centered creation

story. Batgirl, Batwoman and Black Widow discover their enemy is the dark mother or shadow twin, with the savagery they've rejected in themselves. Supergirl similarly struggles but keeps harmony with her sister. From Jessica Jones and Catwoman to the new superwomen of cutting-edge webcomics, each heroine must go into the dark, to become not a warrior but a savior. Women like Captain Marvel and Storm sacrifice all to join the ranks of superheroes, while their feminine powers and dazzling costumes reflect the most ancient tales.

### **The Heroine's Journey for**

**Filmmakers** Flatiron Books  
The Virgin's Promise

demystifies the complexities of archetypes and clearly outlines the steps of a Virgin's Journey to realize her dream. Audiences need to see more than brave, self-sacrificing Heroes. They need to see Virgins who bring their talents and self-fulfilling joys to life. The Virgin's Promise describes this journey with beats that feel incredibly familiar but have not been illustrated in any other screenwriting book. It explores the yin and yang of the Virgin and Hero journeys to take up their power as individuals, and includes a practical guide to putting this new theory into action. House of Earth and Blood McFarland  
The third book in the smart, snarky, and

action-packed Heroine series completes the "Heroic Trio" as Bea Tanaka joins her sister, Evie, and diva Aveda Jupiter in their quest to free San Francisco from its demon portal problem. If there's one thing Beatrice Tanaka never wanted to be, it's normal. But somehow, her life has unfolded as a series of "should haves." Her powers of emotional projection should have made her one of the most formidable superheroes of all time. And she should have been allowed to join her older sister Evie as a full-fledged protector of San Francisco, pulverizing the city's plethora of demon threats. But Evie and her superheroing partner, Aveda Jupiter, insist on seeing Bea as the

impulsive, tempestuous teenager she used to be--even though she's now a responsible adult. And that means Bea is currently living a thoroughly normal life. She works as a bookstore lackey, hangs out with best friends Sam Fujikawa and Leah Kim, and calms her workplace's more difficult customers. Sure, she's not technically supposed to be playing with people's mental states. But given the mundanity of her existence, who can blame her? When a mysterious being starts communicating with Bea, hinting at an evil that's about to overtake the city, she seizes the opportunity, hoping to turn her "should haves" into the fabulous heroic life

she's always wanted. But gaining that life may mean sacrificing everything--and everyone--she holds dear...

Orphan Black and the Heroine's Journey

Shambhala

Publications

The Heroine's Journey describes contemporary woman's search for wholeness in a society where she has been defined according to masculine values. Drawing on cultural myths and fairy tales, ancient symbols and goddesses, and the dreams of contemporary women, Murdock illustrates the need for—and the

reality of—feminine values in Western culture. This special anniversary edition, with a new foreword by Christine Downing and preface by the author, illuminates that this need is just as relevant today as it was when the book was originally published thirty years ago.

A Girl Needs Cash
