writer's book launch?
Drake Matthews is

tired of the spotlight, tired of his reputation as the King of Nightmares. He's really a nice guy! More than anything, the next book he wants to write is a romance based on his grandparents. But to get that chance, this event has to be successful. And the reticent writer will have to work with the adorably bubbly Kate Sweet. But just as the two are learning to trust each other, secrets come out that could take down the launch, their relationship, and both their careers. Can Kate find a way to save their jobs and their chance at true love?"--

Soon afterwards, various bizarre incidents unfold in England: an apparently unmanned ship is wrecked off the coast of Whitby; a young woman discovers strange puncture marks on her neck; and the inmate of a lunatic asylum raves about the 'Master' and his

imminent arrival. In *Dracula*, Bram Stoker created one of the great masterpieces of the horror genre, brilliantly evoking a nightmare world of vampires and vampire hunters and also illuminating the dark corners of Victorian sexuality and desire.

The Greek Diet

WestBow Press

When a Greek tycoon finds a beautiful American on his private estate, it raises suspicion—and rouses his passions—in this international romance. With wedding fever gripping her friends back home, Isobel James feels like the last single girl in the world. So she escapes on a trip to the Greek island of Chyros with nothing but her sketch pad for company. But her getaway takes a turn

when a blissful nature walk leads to a dangerous fall . . .

When reclusive tycoon Lukas Andreadis finds Isobel washed up on his private beach, he thinks she's another journalist acting the "damsel in distress." He whisks her to his villa, where interrogation leads to seduction. Now Isobel's struck down by something much more dangerous than wedding fever—a powerful infatuation with the legendary Greek . . .

 Viewed through the
 lens of physics, love
 conquers nothing is the
 conclusion reached
 when love patterns in
 romances are viewed
 through laws of
 quantum physics. In
 this book, based on the
 metaphor "Love/Text is

 is interpreted in the

 subatomic particles are
 studied in quantum

 investigating traces of
 their clashes in giant

 introduces the Token

The condition of Greece, ever since its establishment as a sovereign state in 1830, has been the subject of intense international debate, centring on its pivotal role in the Balkans. This has been aggravated by Greece's economic collapse in 2010 and by the ongoing refugee crisis, by environmental disasters, terrorism and the Macedonian question. This book's analysis and assessment of Greek social, cultural and political life is trenchant, up-front and passionate, based on the author's belief that one cannot love

Greece without also mourning the fault-lines in bureaucracy and the dynastic politics which have dominated it since its inception. This book features a selection of the author's "Letters from Greece" (from The Irish Times) and his "Eye of the Xenos", from the Greek newspaper Kathimerini, in its entirety, in both English and a Greek translation, including columns which Kathimerini refused to print due to the nature of their political commentary.

50 Shades of Grey Matter OUP Oxford

In the beginning, everything was fine.* And then along came Zeus. *more or less

Ahh Greek myths. Those glorious tales of heroism, honour and... petty squabbles, soap-opera drama and more weird sex than Fifty Shades of Grey could shake a stick at! It's about time we stopped respecting myths and started laughing at them. Did you know Aphrodite, goddess of love and beauty, was born of some discarded genitals? Or that Hera threw her own son off a mountain because he was ugly? Or that Apollo once kidnapped a boat full of people while pretending to be a dolphin? And let's not even get started on Zeus - king of the gods, ruler of the skies and a man who's never heard of self-control. In fact, if there's one thing most Greek myths have in common, it's that all the drama

could have been avoided if SOMEONE could keep it in their toga... Horrible Histories writer Susie Donkin takes us on a hilarious romp through mythology and the many times the gods (literally) screwed everything up! Stephen Fry's Mythos by way of Drunk History, Zeus is a Dick is perfect for those who like their myths with a heavy dollop of satire. 'Who knew mythology was so bonkers? I am grateful - it had me laughing from the first page to the last.' - Miranda Hart 'It's about time someone called him out on all this' - Hera, goddess of marriage, wife of Zeus 'Worst. Father. Ever.' - Artemis, goddess of the hunt, daughter of Zeus 'Oh yeah, focus on him. I never did

anything wrong.
 Nothing to see here' -
 Poseidon, god of the
 seas, brother of Zeus
 'Just a real dick,
 honestly' - Many, many

Welcome to the wonderful world of Dr Karl: where oddities are embraced, facts reign supreme, curiosity is king and brightly coloured shirts are compulsory! "Dr Karl is Australia's incumbent President of Science" The Age

"There's no topic on which Dr Karl does not have an interestingly expressed opinion" The Weekly Review

In 50 Shades of Grey Matter, Australia's National Living Treasure Dr Karl Kruszelnicki applies his

trademark straight-talkin'-no-high-falutin' scientific sense to a brand new range of Big Questions that you never knew you even wanted to ask, but now desperately need to know the answers to. Have you ever walked into a room and immediately forgotten the reason you're there? A solid thought convinced your legs to move, but by the time you reach your destination, you realise the thought has abandoned you en route. No, it's not dementia. It's the doorway. Impress your friends (and potential dates) by being able to answer such questions as: - Why is the sky is

blue? - Why is it dark at night? - Why does lunacy erupt under a full moon? - What's the truth about spinach and Popeye? In this ever-changing, fast-paced and sometimes crazy world, few things are certain. But what is certain is that Dr Karl is here to help us battle our way through half-baked scientific myths and rumours, so that we may emerge smarter, stronger and viewing the world with more wonder than ever before. Fans of Adam Spencer will love 50 Shades of Grey Matter. This is a specially formatted fixed layout ebook that retains the look and feel of the print book.
