## ESSENCE WARD

**The Good Neighbor Guidebook for Colorado** Mary Ann Hallenborg

Just by reading and applying the easy-to-follow processes in Making Money Through Buy-to-Let in South Africa, you will realise that ordinary people can become extraordinary. This book explains why buy-to-let property investment is the only sensible opportunity to earn an inflation-linked, passive income for the rest of your life. It gives ordinary South Africans the hope that they might enjoy a financially secure retirement by building a substantial property portfolio, either when they start at a very young age or by supplementing their lifetime savings or pension pay-out at a later stage. Making Money Through Buy-to-Let in South Africa addresses all the questions would-be property investors would ask, including how to establish legal entities; determine which properties have the best return on investment; leverage other people's money and use very little of their own; obtain finance and register a bond; manage the transfer process; and select and manage the best tenants. Making Money Through Buy-to-Let in South Africa is written for the ordinary person, in everyday language, and guides you step by step through the entire process of property investment so that you, too, can become financially independent.

New York Tenants' Rights Nolo

California tenants have significant rights under state and local laws. But, your landlord won't tell you about your rights as a tenant—it's up to you to inform yourself. Use California Tenants' Rights to learn what is and isn't legal in a lease, when you can legally break a lease or withhold rent, what are reasonable security deposit deductions, what defenses you might have to stop an eviction, and more.

*Renters' Rights* Harper Collins

Offers legal advice for tenants in New York, discusses common rental problems and solutions, and includes instructions for preparing legal forms and letters.

California Commercial Code LexisNexis

The new edition of Maerowitz and Mauet's Fundamentals of California Litigation for Paralegals gives students a complete explanation of California specific litigation. Clearly written with the student in mind, the text makes the material accessible while the accompanying workbook and forms put theory into practice. These features make this text an appealing choice: \* offers a complete understanding of the litigation process from the time the client walks into the office through trial and post-

judgment, including settlements and alternative forms of resolutions\* balanced approach neither oversimplifies the litigation process, nor clouds the educational course with excessive information\* pedagogical aids such as bold-faced terms defined in the glossary; examples; charts and checklists; sample documents; chapter overviews and summaries; and review questions are featured throughout the text\* tailored to the California rules with each chapter referencing the specific California statute where more information can be found, and California forms included throughout\* provides opportunities for the instructor to pick and choose which areas to emphasize\* a workbook on CD accompanies the text and includes five case scenarios based on California law along with associated Judicial Council forms to be used as practical exercises\* Instructor's Manual provides answers to the questions posed in the workbook and book, as well as a test bank of questions that include true-false, short answer and essay questions so that the instructor can choose the type of test to give. Projects for research and writing, sample forms, and suggested course outlines are also included. Changes to the Third Edition include: \* chapters on motions and discovery tools have been broken down into separate sections so that they are both easier for the student to understand and digest, and easier for the instructor to teach\* depositions, interrogatories, and document production have been included and demurrers, motions to strike, and summary judgment have been broken out into separate sections\* more information included on litigation management systems and how to use such systems to index and retrieve documents in large cases\* reflects most recent changes in the California rules. This student-friendly text offers a teachable approach to the subject of California litigation. The content is neither oversimplified nor saturated with excess information which allows for a smooth introduction. Fundamentals of California Litigation for Paralegals, Third Edition offers a complete understanding of the litigation process, allowing students to walk away with a firm understanding of the complete picture.

**Ask a Manager** Ballantine Books

Answers legal questions of concern to tenants and explains how to deal with a landlord who is acting unfairly

New York Magazine Wolters Kluwer

The West is changing, and these days natives and newcomers alike need a lot of basic information to cope with issues that arise from increasing population and changing land-use regulations on both the local and federal levels. The Good Neighbor Guidebook for Colorado is an essential resource for anyone living in Colorado today. Arising from a seminar organized by the authors in Durango, this valuable collection features articles by some thirty-five expert contributors, ranging from builders to

lawyers to land-use specialists and more. The book focuses on land stewardship; basics of Colorado law; working with local governments; issues of recreation, public lands, and tribal lands; protecting our western heritage; and avoiding and resolving problems. In Colorado, at the turn of the 21st century, the trend seems to be away from traditional, strong, relationship-based communities toward pseudo-communities that often are a collection of short-term alliances to fight common enemies. The re-establishment of strong neighbor relationships, with appreciation not only for shared values but for diverse opinions, can reverse this unfortunate trend. The Good Neighbor Guidebook for Colorado offers every citizen the tools to build better communities.

California Civil Litigation Study Guide Nolo

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

"The New York Landlord's Law Book" explains New York landlord-tenant law in comprehensive, understandable terms, and gives landlords the tools they need to head off problems with tenants and government agencies alike.

101 Law Forms for Personal Use NOLO

Bridging the gap between the classroom and the real world, A Practical Introduction to Paralegal Studies offers a thorough exploration of the entire paralegal profession. In a logical three-part organization, experienced author Deborah Bouchoux covers the fundamentals of the paralegal profession and the American legal system, along with the paralegal skills essential for success in the workplace. This engaging and well-written text provides the pragmatic and realistic information students need to hit the ground running. New to the Third Edition: All new Case Illustrations, Discussion Questions, and Internet Closing Arguments. New forms provided throughout the text. Up-to-date information on trends in regulation of the paralegal profession, including overview of innovative limited licensing programs in Washington and Utah as well as other proposals to close the access-to-justice gap. Updated coverage of ethics, including new trends such as alternative business

structures, and cutting-edge developments such as nonlawyer ownership of law firms, litigation financing, use of social media, and whether internet-accessible advice and forms constitute the unauthorized practice of law. New developments in computer-assisted legal research, including the use of artificial intelligence and using free tools such as Google Scholar, GovInfo, Congress.gov, and CourtListener to access American law are discussed in Chapter 5. Significantly expanded section on e-discovery in Chapter 8, including a sample privilege log. New section in Chapter 11 on current disruptions to legal services, including alternative legal service providers and other trends. New tips and approaches to getting a job, setting "SMART" goals, handling tricky interview questions, and future-proofing your career, as well as an expanded discussion of soft skills needed to succeed on the job in Chapters 10 and 12. Professors and students will benefit from: Topical coverage that closely adheres to the nature of paralegal work Pedagogical devices that enhance learning, such as chapter overviews, key terms, marginal definitions, website references, case illustrations, practice tips, and chapter summaries Research exercises and Internet-based exercises in each chapter that mirror those performed by the working paralegal Charts, graphs, sample forms, and other aids to enhance learning

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry,

author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*California Tenants' Rights* "Издательство ""Проспект"""

Intellectual property has an increasing level been assumed to be playing a significant role with respect to the rapid pace of scientific, technological, as well as medical innovation that the world has been witnessing in the recent times. In addition to this, the changes that have been occurring in the economic environment on a global level have been also influencing the rapid development of different business models wherein the term intellectual property tends to be a central element towards the establishment of value and the overall potential growth. Intellectual property, as a result, has grown to be the largest as well as the fastest growing aspects of law in the world. As such, this fact also makes it essential for the increasing demand for professionals in the field of Intellectual Property to be well versed in the given field for dealing with IPRs (Intellectual Property Rights) across national as well as international boundaries.
