FRANCIS MACIAS

The Pedigree of Man Post Hill Press

The X-Men follow the trail of Rogue's nightmares to a hidden corner of the globe where the great dinosaurs of the Jurassic and Cretaceous Ages continue to rule.

Activities for Developing Memory, Grades K-1 Nickelodeon Publishing

Master cake artist and a man of profound faith, Jack Phillips found himself in the middle of one of the highest-profile religious freedom cases of the century. In July 2012, two men came to Jack Phillips's shop requesting a custom wedding cake celebrating their same-sex marriage. In a brief exchange, Jack politely declined the request, explaining that he could not design cakes for same-sex weddings but offered to design cakes for other occasions and to sell them anything else in his shop. Little did Jack know that his quiet stand for his Christian convictions about marriage would become a battle for the right of all Americans to live out their faith. Now, Jack Phillips shares his harrowing experience for the first time in this powerful new memoir. *The Cost of My Faith* is Jack's firsthand account from the frontlines of the battle with a culture that is making every effort to remove God from the public square and a government denying Bible-believing Christians the right to freely exercise their religious beliefs. Despite a Supreme Court victory in *Masterpiece Cakeshop v. Colorado Civil Rights Commission*, the fight to protect the right of Americans to freely exercise their beliefs is more critical than ever. *The Cost of My Faith* provides new insight into the case that shook the country and offers readers courage and inspiration to stand and live out their faith when facing their own battles.

Wild Outside Egmont UK Limited

It's the summer of 1990 and Crystal Beach has lost its beloved, long-running amusement park, leaving the lakeside village a virtual ghost town. It is back to this fallen community Starla Mia Martin must return to live with her overbearing mother after dropping out of university and racking up significant debt. But an economic downturn, mother-daughter drama, and Generation X disillusionment soon prove to be the least of Starla's troubles. A mysterious and salacious force begins to dog Starla; inexplicable sounds in the night and unimaginable sites spotted in the periphery. Soon enough, Starla must confront the unresolved traumas that haunt Crystal Beach. *Sodom Road Exit* might read like a conventional paranormal thriller, except that Starla is far from a conventional protagonist. Where others might feel fear, Starla feels lust and queer desire. When others might run, Starla draws the horror nearer. And in turn, she draws a host of capricious characters toward her—all of them challenged to seek answers beyond their own temporal realities. *Sodom Road Exit*, the second novel by Lambda Literary Award winner Amber Dawn, is a book that's alive with both desire and dread. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A Simple book with few images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

The Cost of My Faith Samuel French, Inc.

This is the most complete and compelling account of idols and celebrity in Japanese media culture to date. Engaging with the study of media, gender and celebrity, and sensitive to history and the contemporary scene, these interdisciplinary essays cover male and female idols, production and consumption, industrial structures and fan movements.

Only Lawyers Dancing Macmillan

The 7th funny book in the girly series with a dark twist. For younger readers who also enjoy modern vampire stories.

Anya's Ghost Anchor

Verity Hatherleigh has a mind of her own—but her actions do not impress her viscount papa. When she gets into one scrape too many, he sends her off to the wilds of Scotland to rethink her headstrong ways. Anthony Jardine relished his role as curate, but his new duties as laird of Dungally aren't always to his liking. Though he thought his new inheritance would be a blessing, somehow he's finding nothing but trouble on these estates. And the intelligent, compassionate, feisty lass who was sent to rusticate in his territory is one of the biggest problems. He's falling in love with her, but she doesn't share the faith that's his foundation—not to mention he's been lying to her about who he really is. For the truth-loving Verity, that may be unforgivable. The tangled web these two have woven may spell disaster for their happiness—and for the tenants of Dungally.

A Midsummer Night's Dream Routledge

(A 3:AM Kisses Novel) Can be read as a standalone. Izzy Sawyer has always been the it girl. She believes she's the last person on earth who deserves a happily ever after. Holt Edwards has always been the player that women voluntarily fall to their knees for. When it comes to love, Holt doesn't believe in fairytale endings. Once Izzy dives back into the dating pool, Holt is right there, ready and willing to offer tips and tricks to get her through an entire army of blind dates—starting with a bone-melting demonstration on how to deliver mouthwatering kisses. One thing leads to whiskey and Izzy is starting to think happily ever after doesn't seem like such a bad idea. Holt is starting to rethink his stance on fairytale endings. But Izzy has a secret that has turned her world upside down. Holt has a secret of his own that cost him far more than he ever bargained for. Sometimes life doesn't give you the happily ever after. Sometimes it's best to leave fairytale endings on the bookshelf where they belong. Izzy can't stop thinking about Holt. Holt can't seem to quit his favorite new addiction—Izzy. The mercury is rising—secrets are percolating—and their lust for one another is just about to detonate. Izzy needs just one more hit of Holt and his late night Whiskey kisses, but deep down she knows that will never be enough. She wants all of him—every bone-melting kiss he has to offer. Izzy wants Holt Holt worships Izzy. Summer in Hollow Brook just heated up. Sparks are flying. Together Izzy and Holt are unstoppable electric.

Rock Musical Characters: 7 males, 3 females Scenery: Interior That sweet transvestite and his

motley crew did the time warp on Broadway in a 25th anniversary revival. Complete with sass from the audience, cascading toilet paper and an array of other audience participation props, this deliberately kitschy rock 'n' roll sci fi gothic is more fun than ever. "A socko wacko weirdo rock concert."-WNBC TV. "A musical that deals with mutating identity and time warps becomes one of the most mutated, time warped phenomena in show business."-N.Y. Times. "Campy trash."-Time.

I Will Survive Biteback Publishing

#1 NEW YORK TIMES BESTSELLER • The epic story of the greatest quest in all of science—the holy grail of physics that would explain the creation of the universe—from renowned theoretical physicist and author of *The Future of the Mind* and *The Future of Humanity*. When Newton discovered the law of gravity, he unified the rules governing the heavens and the Earth. Since then, physicists have been placing new forces into ever-grander theories. But perhaps the ultimate challenge is achieving a monumental synthesis of the two remaining theories—relativity and the quantum theory. This would be the crowning achievement of science, a profound merging of all the forces of nature into one beautiful, magnificent equation to unlock the deepest mysteries in science: What happened before the Big Bang? What lies on the other side of a black hole? Are there other universes and dimensions? Is time travel possible? Why are we here? Kaku also explains the intense controversy swirling around this theory, with Nobel laureates taking opposite sides on this vital question. It is a captivating, gripping story; what's at stake is nothing less than our conception of the universe. Written with Kaku's trademark enthusiasm and clarity, this epic and engaging journey is the story of *The God Equation*.

A Chorus Line Independently Published

For the past 20 years or so, Jim Woodring's beloved trilobular chuckbuster Frank has enjoyed one mindbending catastrophe after another in the treacherous embrace of *The Unifactor*, the land into which he was born and from which escape seemed neither desirable nor likely. And then, abruptly, in 2011's acclaimed *Congress of the Animals* (the second Woodring original graphic novel, following *Weathercraft*) Frank did leave the Unifactor for uncharted lands beyond—where, after a string of trials, he acquired a soulmate named Fran. This development raised far more questions than it answered. Would Frank become placid and domesticated? Would he be jilted? Would he turn out to be a dreadful cad? Would he become a downtrodden and exhausted paterfamilias staring vacantly into the dimming fire of life as obnoxious grandchildren pulled his peglike ears and stole his porridge? The answers to these fruitless speculations and many more are delivered in a devastatingly unpredictable fashion in *Fran*, which is in effect part two of *Congress of the Animals*. Fans of Frank, connoisseurs of bizarre romance, and spelunkers in the radiant depths of graphic metaphysical psychodrama will want to add this singular cartoon adventure story to their lifetime reading list.

Kensington Palace Addison Moore

Crime novel in which Anne Stevens, psychoanalyst and lawyer, turns detective, and ends up tracing a family history while investigating murder. The author's first work of detective fiction, *TA Gap in the Records*, was published in 1985.

Viruses and Pandemics Sounds True

For more than 300 years, Kensington Palace has played host to a colourful cast of kings, queens and assorted aristocratic hangers-on. A stone's throw from the bustling streets of central London, this grand building has served as the stage for some of the most dramatic and bizarre events in the history of the royal family. It was here that the young Queen Victoria was held a virtual prisoner for eighteen years; and it was here that George II installed both his wife and his mistress, giving the latter rooms so damp that there were said to be mushrooms growing on the walls. More recently, the palace has witnessed an extraordinary series of scandals, from Princess Diana's bombshell TV interview with a journalist smuggled into the palace disguised as a salesman, to Prince Harry and Meghan Markle's shock departure – first for Frogmore Cottage, and then for America – amid rumours of a rift with William and Kate. With exclusive interviews with palace staff past and present, fascinating historical details and a fully updated postscript considering what life after Kensington holds for Harry and Meghan, *Kensington Palace: An Intimate Memoir* from Queen Mary to Meghan Markle offers a rare behind-the-scenes insight into one of Britain's most iconic residences.

The Art of Empathy Simon and Schuster

A Midsummer Night's Dream is a romantic comedy by William Shakespeare, suggested by "The Knight's Tale" from Geoffrey Chaucer's *The Canterbury Tales*, written around 1594 to 1596. It portrays the adventures of four young Athenian lovers and a group of amateur actors, their interactions with the Duke and Duchess of Athens, Theseus and Hippolyta, and with the fairies who inhabit a moonlit forest. The play is one of Shakespeare's most popular works for the stage and is widely performed across the world.

The Dirt Annick Press

Anya, embarrassed by her Russian immigrant family and self-conscious about her body, has given up on fitting in at school, but when she falls down a well and makes friends with the ghost there, she thinks she's found just what she needs—or has she? Simultaneous.

Let's Eat, Kids East Bay Publications

Praised throughout the cartoon industry by such luminaries as Art Spiegelman, Matt Groening, and Will Eisner, this innovative comic book provides a detailed look at the history, meaning, and art of comics and cartooning.

So, You're Crazy Too? Createspace Independent Publishing Platform

This is a spooky and fun notebook for some Creepy halloween annotations. Celebrate the Halloween season with creativity. Great for School, home, office or as a Halloween Gift.

A Little Me Rutgers University Press

(Applause Books). It is hard to believe that over 25 years have passed since *A Chorus Line* first electrified a New York audience. The memories of the show's birth in 1975, not to mention those of its 15-year-life and poignant death, remain incandescent and not just because nothing so exciting has happened to the American musical since. For a generation of theater people and theatergoers, *A Chorus Line* was and is the touchstone that defines the glittering promise, more often realized in legend than in reality, of the Broadway way. This impressive book contains the complete book and lyrics of one of the longest running shows in Broadway history with a preface by Samuel Freedman, an introduction by Frank Rich and lots of photos from the stage production.
