Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English published sources given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating

THE EYE OF THE TIGER
The deep. The deadly. The damned... For a thousand years, an unimaginable treasure has rested on the bottom of the

Indian Ocean, hidden by swift blue currents, guarded by deadly coral reefs, and even deadlier school of man-eating great white sharks. Harry Fletcher, a former soldier turned fisherman, is now being pulled into a murderous mystery by men willing to kill and a beautiful woman willing to lie for what rests far beneath the sea. Now, Harry has no choice but to enter full bore into an

international battle to raise an extraordinary object from the deep. Because possessing this treasure isn't just about getting rich-- it's about staying alive...
HUNGRY AS THE SEA
Wilbur Smith sets his vividly realistic novels on the razor's edge between human courage and nature's wrath. In *Hungry As The Sea*, this master storyteller takes us to the frigid South Atlantic,

where one man fights for his life-- and for redemption. Nicholas Berg is steaming out of Cape Town aboard the salvage tug Warlock. Once Berg ruled an ocean-going empire. Now, his future has come down to a powerful boat and a daring rescue mission. One of his former ships is being lashed against the cliffs of Cape Alarm, surrounded by deadly icebergs and survivors clinging to their boats.

Berg has gambled everything on reaching the Golden Adventurer before a competitor and a violent storm-- to win a fortune in salvage fees. But if Nick Berg succeeds, and climbs back into the international shipping game, that's when the real danger will begin... From the power of a relentless ocean to the hunger of men to survive upon her, this is a towering novel of adventure,

love and the daring of the human soul. *The Old Man And The Sea* OUP Oxford Get ready to devour America. Adam Richman, the exuberant host of Travel Channel's *Man v. Food* and *Man v. Food Nation*, has made it his business to root out unique dining experiences from coast to coast. Now, he zeroes in on some of his top-favorite cities—from Portland, Maine, to Savannah, Georgia—to

share his uproariously entertaining food travel stories, top finds, and some invaluable (and hilarious) cautionary tales. *America the Edible* also tells the story behind the menu, revealing the little-known reason why San Francisco's sourdough bread couldn't exist without San Francisco's fog; why Cleveland just might have some of the country's best Asian cuisine; and how to

eat like a native on the Hawaiian island of Oahu. Unflaggingly funny, curious, and, of course, hungry, Richman captures the spectacular melting pot of American cuisine as only a true foodie and insatiable storyteller can. *Greek and English Lexicon* Taylor & Francis The definitive work on the subject, this Dictionary - available again in its eighth edition - gives a full

account of slang and unconventional English over four centuries and will entertain and inform all language-lovers. *America the Edible* Taylor & Francis Described as one of best captains of the entire East Coast of America in *The Perfect Storm* this is Linda Greenlaw's own story. *The Very Hungry Caterpillar* Fairleigh Dickinson Univ Press Wilbur Smith sets his vividly

realistic novels on the razor's edge between human courage and nature's wrath. international shipping game, that's when the real danger will begin... From the power of a relentless ocean to the hunger of men to survive upon her, this is a towering novel of adventure, love and the daring of the human soul. *Transnational Exchange in Early Modern Theater* Harper Collins Santiago, an old Cuban fisherman, has gone 84 days without catching a fish. Confident that his bad luck is at an

end, he sets off alone, far into the Gulf Stream, to fish. Santiago's faith is rewarded, and he quickly hooks a marlin...a marlin so big he is unable to pull it in and finds himself being pulled by the giant fish for two days and two nights. held to be a real and virulent disease: it is classified as a species of melancholy, with physical etiologies and cures. Lesel Dawson analyzes literary representations of lovesickness in relation to medical ideas about desire and wider questions about gender and identity, exploring the different ways that desire is believed to take root in the body, how gender roles are encoded and contested

in courtship, and the psychic pains and pleasures of frustrated passion. She explores the relationship between women's lovesickness and other female maladies (such as hysteria and greensickness), and asks whether women can suffer from intellectual forms of melancholy generally thought to be exclusively male. Finally, she examines the ways in which Neoplatonism

offers an alternative construction of love to that found in natural philosophy and considers how anxieties concerning love's ability to emasculate the male lover emerge indirectly in remedies for lovesickness. With reference to the works of Shakespeare, Beaumont and Fletcher, Middleton, Ford, and Davenant, *Lovesickness and Gender in Early Modern English Literature* investigates
