7 Billion Needles, Volume 1 VIZ Media LLC
 Hailed as a cultural icon in Hong Kong and Japan, on par with our own Superman and Batman, Ultraman has punched, kicked, and karate-chopped his way into the hearts of fans internationally for nearly four decades. Known and love the world over, the monster-smashing sci-fi superstar comes to Dark Horse courtesy of writer Tony Wong and Koo Fuk Lung (Hong Kong's Solar Lord), with dynamic new covers by UDON. This incarnation of Ultraman, now called "Tiga," finds the 100-foot tall hero revived in the year 2049 and facing a world ill-equipped to handle the onslaught of gigantic beasts that are peppering the globe. Relying on his martial-arts prowess and his three modes of combat - Sky (flight and speed), Power (strength), and Omni (a balance of the two) - Tiga goes toe to toe with the most terrifying collection of monstrous giants and alien invaders ever to plague the planet.

Ultraman, Vol. 7 Bloomsbury Publishing USA
 Covering genres from adventure and fantasy to horror, science fiction, and superheroes, this guide maps the vast terrain of graphic novels, describing and organizing titles to help librarians balance their graphic novel collections and direct patrons to read-alikes. New subgenres, new authors, new artists, and new titles appear daily in the comic book and manga world, joining thousands of existing titles—some of which are very popular and well-known to the enthusiastic readers of books in this genre. How do you determine which graphic novels to purchase, and which to recommend to teen and adult readers? This updated guide is intended to help you start, update, or maintain a graphic novel collection and advise readers about the genre. Containing mostly new information as compared to the previous edition, the book covers iconic super-hero comics and other classic and contemporary crime fighter-based comics; action and adventure comics, including prehistoric, heroic, explorer, and Far East adventure as well as Western adventure; science fiction titles that encompass space opera/fantasy, aliens, post-apocalyptic themes, and comics with storylines revolving around computers, robots, and artificial intelligence. There are also chapters dedicated to fantasy titles; horror titles, such as comics about vampires, werewolves, monsters, ghosts, and the occult; crime and mystery titles regarding detectives, police officers, junior sleuths, and true crime; comics on contemporary life, covering romance, coming-of-age stories, sports, and social and political issues; humorous titles; and various nonfiction graphic novels.
