This monumental collection of correspondence between Gertrude Stein and critic, novelist, and photographer Carl Van Vechten provides crucial insight into Stein's life, art, and artistic milieu as well as Van Vechten's support of major cultural projects, such as the Harlem Renaissance. From their first meeting in 1913, Stein and Van Vechten formed a unique and powerful relationship, and Van Vechten worked vigorously to publish and promote Stein's work. Existing biographies of Stein--including her own autobiographical writings--omit a great deal about her experiences and thought. They lack the ordinary detail of what Stein called "daily everyday living": the immediate concerns, objects, people, and places that were the grist for her writing. These letters not only vividly represent those details but also showcase Stein and Van Vechten's private selves as writers. Edward Burns's extensive annotations include detailed cross-referencing of source materials.

Here is one man's uproarious, adventuresome journey through the 20th century: from Main-Line debutante parties to the Battle of the Coral Sea, from affluence in the Roaring '20s to poverty in the Great Depression and more.

Report of the Royal Commission Upon the Duties of the Metropolitan Police, Together with Appendices Emblem Editions

Reading a book can change your life.

When Eleanor Lahr read "Follow the River", a novel about the true experience of Mary Draper Ingles, who was captured in 1755 by Shawnee Indians and carried 500 miles from her home, she felt inexplicably compelled to retrace Mary's escape route. With little previous experince, but with plucky courage, she planned and trained extensively, then set off on her 51st birthday. Before e-mail, cell phones, Facebook, and Twitter,

occasionally alone, usually with strangers, she hiked 43 days along the Ohio, Kanawha, and New Rivers--publisher.

Somewhere in the early fall, about the time for green tomatoes to be made up into pickle, there is the excitement of seeing the new public school teachers file into town, and if you happen to be buying a hat at the millinery store any time within the next few weeks you can hear a complete description of each teacher. One paints her face until it's mottled, you are told; another has blond hair and brunette eyebrows, so she must have been on the stage; a third evidently has seen "better days," for she wears a diamond ring on her little finger! There is only one more astonishing thing than the way the women of the village talk about these teachers, and that is the way the men marry them!

King Alfred is dead and the achievements that made him great are in jeopardy. Rebels challenge the succession of his son Edward to the Wessex throne, and his old ally in Mercia is sick. The Vikings in the Danelaw sense the time has come to complete their conquest of England. It falls on Alfred's firstborn, his daughter, Æthelflæd, to unite the Anglo-Saxons. Reluctantly, she takes up the challenge. But can a woman rebuild ruined towns and lead men into battle against hardened Viking warriors? And can Æthelflæd fulfil her father's dream of uniting England? Based on contemporary sources and archaeological evidence, King Alfred's Daughter is rich in drama, family conflict and historical achievement.

The New York Drama: no. 25-36

AuthorHouse

A sympathetic biography of the pioneering environmentalist and author of *Small is Beautiful*, written by his daughter, and with a foreword by Robert McCrum. E. F. Schumacher was a profound and influential thinker and economist who, at a time of unlimited economic growth, challenged this ideology and proposed an approach to economics 'as if people mattered'. He was one of the first to recognise the impossibility of continuous

growth in a finite world, and warned against the world's increasing dependence on oil. A key figure in the development of the environmental movement, Schumacher was also adamantly opposed to what he saw as violent solutions to economic problems, arguing against nuclear energy and advocating human-scale technology and organic cultivation. In 1966, Schumacher set up the Intermediate Technology Development Group (now Practical Action) to provide small-scale technology for developing countries. His people-centred approach to development has now been adopted throughout the world, bringing together theoretical and practical solutions. This fascinating biography traces Schumacher's life: from his early years in Germany and his move to England and internment during the Second World War, through to his later years, with the publication of *Small is Beautiful* and the worldwide fame that resulted. It shows how his thinking and beliefs changed and evolved as his rigorous and questioning search for truth caused him to reflect on the events of his life and embark on a spiritual journey, changing him as an economist and as a person.

The celebrated debut novel inspired by the life and marriage of Charles Dickens Alfred Gibson's funeral is taking place at Westminster Abbey, and his wife of twenty years, Dorothea, has not been invited. The Great Man's will favours his children and a clandestine mistress over the woman he sent away when their youngest child was still an infant. Dorothea hasn't left her small apartment for years, and accepts her exclusion — until an invitation to a private audience with Queen Victoria arrives. The exhilaration of finding that she has much in common with the most powerful woman in England spurs Dorothea to examine her own life more closely. Her recollections uncover deviousness and the frighteningly hypnotic power of the genius she married, but also raise questions about her own complicity in her unhappiness. Questions that finally compel her to face her grown-up children and the two women she has long felt stole

her husband: her own younger sister, Sissy, and the charming actress, Miss Ricketts. This remarkable debut is as wise in the ways of the human heart as it is witty and vivid in its depiction of the charismatic Alfred Gibson, and the habits, mores, and personalities of Victorian London.

Carefully piecing together the personal letters of Alice 'Liesel' Schwab, *Escaping Nazi Germany* tells the important story of one woman's emigration from Heilbronn to England. From the decision to leave her family and emigrate alone, to gaining her independence as a shop worker and surviving the Blitz, to the reunion with her brother and parents in England and shared grief as they learn about the fate of family members who died in the Holocaust, her story provides powerful insight into both the everyday realities of German-Jewish refugees in Britain and the ability of letters and life-writing to create transnational networks during times of trauma and separation. Elegantly written and deeply researched, Joachim Schlör's emphatic and unflinching re-telling of Alice Schwab's life sheds new light on the Jewish experience of persecution during the Holocaust and adds nuances to current debates on emigration, memory, and identity. This book is an essential primary resource for scholars of modern European history and Jewish studies, offering a compelling and intimate route into understanding what it meant to be a Jewish refugee caught up in the tragic and tumultuous events of World War II.

The Peep-show Alfred Music Publishing
 "Just because I saved you doesn't mean I will make you my LunaQueen, so keep off my path, if you care for your life!" He barked at me like a common dog, hate reticent in his eyes. I bit back in tears fighting to escape, at his condescending words at me. "Yes, Alpha" were the only words I could muster as I watched my heart being shattered for the second time in my life by the very people supposed to protect me.

There are also five bonus pieces: At Last * Have Yourself a Merry Little Christmas * Laura * Over the Rainbow * Singin' in the Rain. Included is a recording containing the piano part and an engaging arrangement for each of the 65 musical examples. 192 pages.

Escaping Nazi Germany W. W. Norton & Company

I'm Rivanah Bannerjee, 23/F/Mumbai. Some of you might already know how my life is on a razor edge. Those of you who don't, just know this: I may be killed soon . . . by the Stranger. I don't know who or what he is: a ghost, a person or a figment of my imagination? All I know is he isn't just one thing: he is sexy and scary, terrific and terrifying. What I don't understand is why a young, harmless girl like me, who works in a big city, stays away from her parents and has a screwed-up love life, would be of any interest to him. Unless there is something about my own story that I do not know . . . In the hotly anticipated final instalment of the Stranger trilogy, Rivanah will learn the answers to her many questions—What is it that binds her to the dead Hiya? Who is the Stranger? Why has he been following her all this while?—leading to an intense, breathtaking climax.

Saul Bellow Alfred Music

A never-before-published collection of letters - an intimate self-portrait as well as the portrait of a century. Saul Bellow was a dedicated correspondent until a couple of years before his death, and his letters, spanning eight decades, show us a twentieth-century life in all its richness and complexity. Friends, lovers, wives, colleagues, and fans all cross these pages. Some of the finest letters are to Bellow's fellow writers-William Faulkner, John Cheever, Philip Roth, Martin Amis, Ralph Ellison, Cynthia Ozick, and Wright Morris. Intimate, ironical, richly observant, and funny, these letters reveal the influences at work in the man, and illuminate his enduring legacy-the novels that earned him a Nobel Prize and the admiration of the world over. *Saul Bellow: Letters* is a major literary event and an important edition to Bellow's incomparable body of work.

President Bliss is handling a tricky situation with customary brio, but after months of ceaseless rain the city is sinking under the floods. The rich are safe on high

ground, but the poor are getting damper in their packed tower blocks, and the fanatical 'Last Days' sect is recruiting thousands. When at last the sun breaks through the clouds Lottie heads off to the opera, husband Harold listens to jazz and their ditsy teenage daughter Lola fights capitalism by bunking off school. Shirley takes her twin boys to the zoo. The government - eager to detract attention from a foreign war it has waged - announces a spectacular City Gala. But not even TV astrologer Davey Lucas can predict the extraordinary climax that ensues. 'Gripping, original and highly entertaining - Maggie Gee at her superb best.' J G Ballard 'Dazzling ... alternately lyrical and austere ... unbearably touching.' The Observer 'Eloquent, angry and beautiful ... her best book yet.' Hilary Mantel 'The Flood is Gee's most apocalyptic vision to date ... an incredible feat of sustained imaginative continuity.' The Guardian 'A Must-Read Book for 2004.' Daily Mail ' ... an addition to an eccentric but valuable tradition of English fiction ... in which the visionary and the mundane mingle, producing effects by turn comical and grand.' Sunday Times 'Gee's ability to

ask big "what if?" questions while never losing sight of the humdrum details of life ... gives her un-brave new world credibility.' The Independent '...exuberant ... I thoroughly enjoyed it.' Sunday Telegraph 'The Flood, for all its passion and intricacy, is also a very funny book ... rewarding ... carefully written, using language echoing the water that ebbs and flows, and eventually floods the pages.' TLS ' ...a rare writer who is willing to address issues topical to contemporary Britain' Daily Telegraph 'A playful apocalypse.' The Bookseller ' ... a surprising melange of fantasy, realism, and very dry humour' Big Issue ' ... startling, insidious imagery' Metro 'Gee's admirably dyspeptic and frequently funny novel is a wake-up call to us all' Mail on Sunday 'Acutely drawn characters, and subtle observations about relationships and nature.' Time Out 'A satirist this lyrical, warm-hearted and imaginative is, like a unicorn, a rare and precious beast.' Weekend Australian
