Delivered at

the time of the "positivist dispute" in sociology, Adorno defends the position of the "Frankfurt School" against criticism from mainstream positivist sociologists. He sets out a conception of sociology as a discipline going beyond the compilation and interpretation of empirical facts, its truth being inseparable from the essential structure of society itself. Adorno sees

sociology not as one academic discipline among others, but as an over-arching discipline that impinges on all aspects of social life. Tracing the history of the discipline and insisting that the historical context is constitutive of sociology itself, Adorno addresses a wide range of topics, including: the purpose of studying sociology; the relation of sociology and politics; the influence of Saint-Simon,

Comte, Durkheim, Weber, Marx, and Freud; the contributions of ethnology and anthropology; the relationship of method to subject matter; the problems of quantitative analysis; the fetishization of science; and the separation of sociology and social philosophy.

Tibetan given in London, 1984. <i>Essays of a Biologist Our Sunday Visitor Waldenfels (philosophy, Ruhr U., Bochum, Germany)</i> explores the problem of the nature of order after the loss of the idea of a universal or fundamental order. He combines phenomenolo gical methodology with recent work on the theory of order, normativity, dialogue, structuralism, and Gestalt	theory. His attitude is more optimistic than deconstructio nism and many other modern approaches. Originally published as Ordnung in Zwilight by Suhrkamp Verlag, Frankfort am Main, in 1987. The Dalai Lama understands that the essential task of humanity in the twenty-first century must be to cultivate peaceful coexistence.

In this book the Dalai Lama shows how in our globalized world, nations, cultures and individuals can find opportunities to connect through their shared human nature. All faiths turn to compassion as a guiding principle for living a good life. It is the responsibility of all people with an aspiration to spiritual perfection to help develop a deep recognition of the value of other faiths, and it is on

that basis alone that we can cultivate genuine respect and cooperation. Towards the True Kinship of Faiths is a hopeful yet realistic look at how humanity can embrace a harmonious future.

Is it possible that good things can come out of our broken dreams?

Worship leader and recording artist Laura

Story's life took an unexpected turn when her husband, Martin, was diagnosed with a brain tumor. Their lives would never be the same. Yes, with God all things are possible. But the devastating news was that no cure existed to restore Martin's short-term memory, eyesight, and other complications. The fairy-tale life Laura had dreamed of was no longer possible. And yet in

struggling with God about how to live with broken dreams, Laura has found joy and a deeper intimacy with Jesus. In When God Doesn't Fix It, Laura helps you understand that: We aren't the only ones whose lives have taken unexpected turns Even heroes of our faith experienced brokenness Despite our flaws and stories, God can use us in extraordinary ways God may not fix

Of all the

questions in the world, this is the most important. . . . Because no matter whether you are a playful kitten or sedentary senior, whether you're a scrawny alley Tom, or sleek-coated uptown girl, whatever your circumstances you just want to be happy. Not the kind of happy that comes and goes like a can of flaked tuna, but an enduring happiness. The deep down happiness that

makes you purr from the heart." His Holiness's cat is back—older, a bit wiser, and as curious as ever. In this book, the Dalai Lama sets for his lovable feline companion the task of investigating *The Art of Purring*. Whether it's the humorous insights gained from a visiting Ivy League Psychology Professor, the extraordinary research of a world-famous biologist, or the life-changing revelations of

a mystical yogi, His Holiness's Cat encounters a wealth of wisdom about happiness. And what she discovers changes the way she sees herself forever. With a much loved—and growing—cast of characters from the local community and His Holiness's residence, as well as encounters with intriguing strangers and celebrities from far and wide, The Dalai Lama's Cat and the Art of Purring

will transport readers in another unforgettable story. Along the way they will come to understand how elements of contemporary science and Buddhism converge. And, once again, they will feel the warmth of compassion and nonattachment that radiate from the heart of the Dalai Lama's teachings about our quest for enduring happiness. *The Dalai Lama's Book*

A Devotional Powerhouse!
This revision of the follow-up to the popular *A Godward Life* adds twenty fresh entries to the original 120 daily meditations that are solid meat and sweet milk from God's Word. The new entries broach current and controversial subject matter, such as partial-birth abortion and gay marriage. Piper asks the hardest questions and

finds wonderfully poignant but practical and applicable truths from the Bible. These 350 pages of substantive spiritual nourishment will brace readers' minds with truth and nourish their hearts with God's sovereign grace. Pastors and lay leaders particularly will appreciate the three indexes included. They don't need to look any further to find a pertinent
