PALMER MAGDALENA

Dr. Jekyll and Mr. Hyde Hal Leonard Corporation

Music in film is often dismissed as having little cultural significance. While Hammer Film Productions is famous for such classic films as Dracula and The Curse of Frankenstein, few observers have noted the innovative music that Hammer distinctively incorporated into its horror films. This book tells how Hammer commissioned composers at the cutting edge of European musical modernism to write their movie scores, introducing the avant-garde into popular culture via the enormously successful venue of horror film. Each chapter addresses a specific category of the avant-garde musical movement. According to these categories, chapters elaborate upon the visionary composers who made the horror film soundtrack a melting pot of opposing musical cultures.

The Strange Case of Dr Jekyll and Mr Hyde (Annotated) Createspace Independent Publishing Platform
"The Strange Case of Dr. Jekyll and Mr. Hyde" Stevenson's famous exploration of humanity's basest capacity for evil, has

become synonymous with the idea of a split personality. More than a moral tale, this dark psychological fantasy is also a product of its time, drawing on contemporary theories of class, evolution, criminality, and secret lives. Also in this volume are "The Body Snatcher," which charts the murky underside of Victorian medical practice, and "Olalla," a tale of vampirism and "The Beast Within" which features a beautiful woman at its center.

Hamilton (Vocal Selections) BoD - Books on Demand

Hamilton presents vocal selections from the critically acclaimed musical about Alexander Hamilton. The show debuted on Broadway in August 2015 to unprecedented advanced box office sales and has already become one of the most successful Broadway musicals ever. This collection features 17 songs in piano/vocal format from the music penned by Lin-Manuel Miranda. This is the eBook version of the original artist approved edition.

The New York Times Theater Reviews 1997-1998 McFarland

Strange Case of Dr Jekyll and Mr Hyde is a novella written the Scottish author Robert Louis Stevenson and first published in 1886. It is about a London lawyer who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the misanthropic Edward Hyde. The work is known for its vivid portrayal of a split personality, split in the sense that within the same person there is both an apparently good and an evil personality each being quite distinct from each other; in mainstream culture the very phrase "Jekyll and Hyde" has come to mean a person who is vastly different in moral character from one situation to the next. This is different from multiple personality disorder where the different personalities do not necessarily differ in any moral sense. Strange Case of Dr Jekyll and Mr Hyde was an immediate success and one of Stevenson's best-selling works. Stage adaptations began in Boston and London within a year of its publication and it has gone on to inspire scores of major film

and stage performances.

Strange Case of Dr Jekyll and Mr Hyde was an immediate success and one of Stevenson's best-selling works. Stage adaptations began in Boston and London within a year of its publication and it has gone on to inspire scores of major film and stage performances. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this

wonderful classic work, and that for you it becomes an enriching experience.

Strange Case of Dr Jekyll and Mr Hyde Hal Leonard Corporation

Disability, understood as culturally stigmatized bodily difference (including physical and mental impairments of all kinds), is a pervasive and permanent aspect of the human condition. While the biology of bodily difference is the proper study for science and medicine, the meaning that we attach to bodily difference is the proper study of humanists. The interdisciplinary field of Disability Studies has recently emerged to theorize social and cultural constructions of the meaning of disability. Although there has been an astonishing outpouring of humanistic work in Disability Studies in the past ten years, there has been virtually no echo in musicology or music theory. *Sounding Off: Theorizing Disability in Music* is the first book-length work to focus on the historical and theoretical issues of music as it relates to disability. It shows that music, like literature and the other arts, simultaneously reflects and constructs cultural attitudes toward disability. *Sounding Off: Theorizing Disability in Music* promises to be a landmark study for scholars and students of music, disability, and culture.

Strange Case of Dr Jekyll and Mr Hyde: Special Edition Rowman & Littlefield

The Gothic is a contested and complicated phenomenon, extending over many centuries and across all the arts. In *The Edinburgh Companion to the Gothic and the Arts*, the range of essays run from medieval architecture and design to contemporary gaming and internet fiction; from classical painting to the modern novel; from ballet and dance to contemporary Goth music. The

contributors include many of the best-known critics of the Gothic (e.g., Hogle, Punter, Spooner, Bruhm) as well as newer names such as Kirk and Round. The editor has put all these contributors in touch with each other in the preparation of their essays in order to ensure the maximum benefit to the reader by producing a well-integrated book which will prove much more than a collection of disparate essays, but rather a distinctive contribution to a field.

Robert Louis (Balfour) Stevenson (November 13,

1850-December 3, 1894), was a Scottish novelist, poet, and travel writer, and a leading representative of Neoromanticism in English literature. He was the man who "seemed to pick the right word up on the point of his pen, like a man playing spillikins", as G. K. Chesterton put it. He was also greatly admired by many authors, including Jorge Luis Borges, Ernest Hemingway, Rudyard Kipling and Vladimir Nabokov. Most modernist writers dismissed him, however, because he was popular and did not write within their narrow definition of literature. It is only recently that critics have begun to look beyond Stevenson's popularity and allow him a place in the canon. Source: Wikipedia

Dr. Jekyll and Mr. Hyde Emerald Group Publishing (Vocal Collection). This volume presents 31 duets from 27 classic to contemporary shows, for various voice combinations.
