By Shakespeare The Most Excellent and Lamentable Tragedy of Romeo and Juliet The Tragedy of Romeo and Juliet Presents an adaptation of Shakespeare's "Romeo and Juliet," with tips for performing.

Romeo and Juliet
SparkNotes Literature Guide Forgotten Books

Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young star-crossed lovers whose deaths ultimately reconcile their feuding families. It was among

Shakespeare's most popular plays during his lifetime and, along with Hamlet, is one of his most frequently performed plays. Today, the title characters are regarded as archetypal young lovers. Romeo and Juliet belongs to a tradition of tragic romances stretching back to antiquity. The plot is based on an Italian tale translated into verse as *The Tragical History of Romeus and Juliet* by Arthur Brooke in 1562 and retold in prose in *Palace of Pleasure* by William

Painter in 1567. Shakespeare borrowed heavily from both but expanded the plot by developing a number of supporting characters, particularly Mercutio and Paris. Believed to have been written between 1591 and 1595, the play was first published in a quarto version in 1597. The text of the first quarto version was of poor quality, however, and later editions corrected the text to conform more closely with Shakespeare's original.

The Tragedy of Romeo

and Juliet (Classic Reprint) Lorenz Educational Press
Excerpt from The Tragedy of Romeo and Juliet Q 1 differs so considerably, and in so many minute details, from the received text, that the variations can not be rightly exhibited in notes; it must be read in its entirety, and happily it is easily accessible in the facsimile by Praetorius, in Mommsen's reprint, in the Calizoria'ge S/zalzespeare, in Furness, and (with most advantage for the student) in the

New Shakspeare Society's reprint of Parallel Texts of t/ze First T zoo Quartos, admirably edited by Mr. Daniel. Such readings as have been adopted from Q I into the text of modern editors have a Special claim to attention; these I have, with few exceptions, recorded, and have added in notes and in Appendix I. Several lines and passages differing from the received text in a way which can hardly be accounted for by errors of the printer or reporter. In these, or in some of

these, we probably find work of Shakespeare discarded in his revision of the play. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in

the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

When an essay is due and dreaded exams loom, this book offers students what

they need to succeed. It provides chapter-by-chapter analysis, explanations of key themes, motifs and symbols, a review quiz, and essay topics. It is suitable for late-night studying and paper writing.

Shakespeare's Tragedy of Romeo and Juliet

Castrovilli Giuseppe
In Romeo and Juliet, Shakespeare creates a violent world, in which two young people fall in love. It is not simply that their families disapprove; the Montagues and the

Capulets are engaged in a blood feud. In this death-filled setting, the movement from love at first sight to the lovers' final union in death seems almost inevitable. And yet, this play set in an extraordinary world has become the quintessential story of young love. In part because of its exquisite language, it is easy to respond as if it were about all young lovers. The authoritative edition of Romeo and Juliet from The Folger Shakespeare Library, the trusted and widely used

Shakespeare series for students and general readers, includes:-Freshly edited text based on the best early printed version of the play-Newly revised explanatory notes conveniently placed on pages facing the text of the play-Scene-by-scene plot summaries-A key to the play's famous lines and phrases-An introduction to reading Shakespeare's language-An essay by a leading Shakespeare scholar providing a modern perspective on the play-Fresh images from the

Folger Shakespeare Library's vast holdings of rare books-An up-to-date annotated guide to further reading-Essay by Gail Kern Paster-The Folger Shakespeare Library in Washington, DC, is home to the world's largest collection of Shakespeare's printed works, and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year, the Folger offers a full calendar of performances and programs. For more

Holt Rinehart & Winston
By this edition of HAMLET I hope to help the student of Shakspeare to understand the play-and first of all Hamlet himself,

whose spiritual and moral nature are the real material of the tragedy, to which every other interest of the play is subservient. But while mainly attempting, from the words and behaviour Shakspeare has given him, to explain the man, I have cast what light I could upon everything in the play, including the perplexities arising from extreme condensation of meaning, figure, and expression. As it is more than desirable that the student should know when he is reading the

most approximate presentation accessible of what Shakspeare uttered, and when that which modern editors have, with reason good or bad, often not without presumption, substituted for that which they received, I have given the text, letter for letter, point for point, of the First Folio, with the variations of the Second Quarto in the margin and at the foot of the page. *With New and Updated Critical Essays and a Revised Bibliography*

About the play: Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young star-crossed lovers whose deaths ultimately reconcile their feuding families. It was among Shakespeare's most popular plays during his lifetime and, along with Hamlet, is one of his most frequently performed plays. Today, the title characters are regarded as archetypal young lovers. Romeo and Juliet belongs to a tradition of tragic romances

stretching back to antiquity. Its plot is based on an Italian tale, translated into verse as *The Tragical History of Romeus and Juliet* by Arthur Brooke in 1562 and retold in prose in *Palace of Pleasure* by William Painter in 1567. Shakespeare borrowed heavily from both but, to expand the plot, developed supporting characters, particularly Mercutio and Paris. Believed to have been written between 1591 and 1595, the play was first published in a quarto

version in 1597. This text was of poor quality, and later editions corrected it, bringing it more in line with Shakespeare's original. Shakespeare's use of his poetic dramatic structure, especially effects such as switching between comedy and tragedy to heighten tension, his expansion of minor characters, and his use of sub-plots to embellish the story, has been praised as an early sign of his dramatic skill. The play ascribes different poetic forms to different characters, sometimes

changing the form as the character develops. Romeo, for example, grows more adept at the sonnet over the course of the play. About the Author: Arguably the greatest English-language playwright, William Shakespeare was a seventeenth-century writer and dramatist, and is known as the Bard of Avon. Under the patronage of Queen Elizabeth I, he penned more than 30 plays, 154 sonnets, and numerous narrative poems and short verses. Equally

accomplished in histories, tragedies, comedy, and romance, Shakespeare's most famous works include Romeo and Juliet, Hamlet, Macbeth, King Lear, The Taming of the Shrew, and As You Like It. Like many of his contemporaries, including Christopher Marlowe, Shakespeare began his career on the stage, eventually rising to become part-owner of Lord Chamberlain's Men, a popular dramatic company of his day, and of the storied Globe Theatre in

London. Extremely popular in his lifetime, Shakespeare's works continue to resonate more than three hundred years after his death. His plays are performed more often than any other playwright's, have been translated into every major language in the world, and are studied widely by scholars and students. This manual offers a wealth of instructional tools, including background information on Shakespeare's sources, his life, his theater, and

stage directions; suggestions for teaching the play; detailed summaries of every scene; questions and answers for every act; an annotated bibliography; a guide to pronouncing proper names; a Shakespearean time line; and an alphabetical glossary of terms.

The Tragedy of Romeo and Juliet

Set during five of the most intensely dramatic days ever portrayed, ROMEO AND JULIET was probably written in 1594 or 1595, and first

published in a 1597 edition, as transcribed by actors who had performed it. Other editions appeared later, but even the more authoritative versions, such as that of 1599--probably drawn from Shakespeare's own manuscript copies--lack the detailed stage directions present in the actors' transcription; thus, modern editions incorporate several sources. ROMEO AND JULIET is among the most oft performed of Shakespeare's works, and it has been among the

most beloved since its earliest days on the stage. Though the title page of the 1597 edition declares that ROMEO AND JULIET had been performed and enjoyed many times prior to its publication, the first extant direct record of the events of a production refer to a 1662 staging, in which the play was probably adapted or altered--adaption was particularly popular in the 17th century. One London stage ran different conclusions on alternative nights; audiences who went home glum on

Friday could be uplifted by the play's ending if they returned on Saturday night. The story of ROMEO AND JULIET was derived by Shakespeare from many sources. The version most contemporary to his own was the 1562 poem "The Tragicall History of Romeus and Iuliet" by Arthur Brooke, which itself was an adaptation of a French piece by Pierre Boaistuau, which Boaistuau had adapted from the Italian. Indeed, aspects of the tragic story have recurred throughout

Western literature since at least the third century. Shakespeare greatly intensified the pace by compressing a piece which had unfolded over the course of several months into the space of five days--a period in which much transpires at daybreak, including the famous balcony scene where Romeo declares, "But soft, what light through yonder window breaks?/It is the east, and Juliet is the sun." Romeo is forced to approach

Juliet in secret because of the impassioned rivalry between his family, the Montagues--and Juliet's, the Capulets. Despite the intensity of their family's mutual disdain, the young lovers strive to marry. However, fate intervenes to keep them apart, and, when the Montagues and Capulets discover the folly of their ways, it's too late for Romeo and Juliet
