'Here begins a very cruel, frightening story about a wild, bloodthirsty

man, Dracula the voivod ...' Historian and crime writer M.J. Trow draws back the dark curtain of legend to look at the real Vlad Tepes, set against the background of his times. Later generations associated him with pure evil and accepted the stories of his murders, mutilations and impalements without question. And later still, thanks to Bram Stoker, he shifted his

shape into the doyen of the undead, complete with haunted castles, terrifying bats and an unearthly aversion to sunlight. The real Vlad Dracula lived in Transylvania, in the horseshoe of the Carpathian Mountains (today's Romania) and ruled his state of Wallachia three times. Making war against the Ottoman Turks, rivals to his throne and keeping his people in

check, his was a life steeped in blood. But was he 'a prince more sinned against than sinning'? To Romanians, he is a hero on a white horse, a nationalist leader who carried out dreadful deeds in order to save the country he loved. To others, he was a rapacious homicidal maniac whose cruelty has no parallel, in his day or any other. This stylishly-written and compelling narrative unravels the

true story behind the image and takes us into the heart of the bloody, uncertain world of Medieval Europe. *The Bad Boy Series* Pinnacle Books Dismissed by the police as mere adjuncts to or gofers for male gangs, girl gang members are in fact often as emotionally closed off and dangerous as their male counterparts. Carrying razor blades in their mouths and

guns in their jackets for defense, they initiate drive-by shootings, carry out car jackings, stomp outsiders who stumble onto or dare to enter the neighborhood, viciously retaliate against other gangs and ferociously guard their home turf. But Sikes also captures the differences that distinguish girl gangs-abortion, teen pregnancy and teen motherhood, endless beatings and

the humiliation of being forced to have sex with a lineup of male gangbangers during initiation, haphazardly raising kids in a household of drugs and guns with a part-time boyfriend off gangbanging himself. Veteran journalist Gini Sikes spends a year in the ghettos following the lives of several key gang members in South Central Los Angeles, San Antonio, and

Milwaukee. In 8 Ball Chicks, we discover the fear and desperate desire for respect and status that drive girls into gangs in the first place-- and the dreams and ambitions that occasionally help them to escape the catch-22 of their existence. Roumania Past and Present L.D. Hall Descended from one of the most ancient aristocratic families of Europe, Erzsebet

Bathory bore the psychotic aberrations of centuries of intermarriage. From adolescence she indulged in sadistic lesbian fantasies, where only the spilling of a woman's blood could satisfy her urges. By middle age, she had regressed to a mirror-fixated state of pathological necro-sadism involving witchcraft, torture, blood-drinking, cannibalism and wholesale slaughter. These years,

at the latter end of the 16th century, witnessed a reign of cruelty unsurpassed in the annals of mass murder, with the Countess' depredations on the virgin girls of the Carpathians leading to some 650 deaths. Her many castles were equipped with chambers where she would hideously torture and mutilate her victims; hundreds of girls were killed and processed for

the ultimate, youth-giving ritual: the bath of blood. The Bloody Countess is Valentine Penrose's true, disturbing case history of a female psychopath, a chillingly lyrical account beautifully translated by Alexander Trocchi (author of *Cain's Book*), which has an unequalled power to evoke the decadent melancholy of doomed, delinquent aristocracy in a dark age of superstition.

Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to

find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious

castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle’s lady of legend, fighting for survival through the 1798 rebellion that started it all. Love can be blinding and by the time the truth shines through, it's too late to escape.
Fame.Fortune.Success.Is that too much to ask?All I

need is to catch a break.
To snag the attention of someone important.
Someone who can help make my career everything I want it to be.
Joseph was that man.
Until the night the lights went out and I left with someone else.
Someone who stole my breath and made me want for things I'd never considered before. I should have known better than to trust a stranger.
Especially one

of his stature and class.
Money means power and power means control.
Over my heart.
My career.
My entire life.
My dreams died the moment I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt.
Then I uncovered the truth about him. About the kind of man he really was and the secrets he paid good money to

keep hidden from everyone. Now I'm trapped, with no way out. Book 1 of 2 in the Storm Series. Castle on the Rise SCB Distributors This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in

the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his

Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

themselves in ways they have not done before. Removed from the safety net of their usual frames of reference, they can go a little crazy. This is the case with David Goldberg, the protagonist of the story. While visiting Goa, David is contacted by Sheila, an A.I singularity from another dimension. She offers him a humorous, but authentic path of hippy spirituality called Shmeiki, which is said

to be free of the seriousness and self-righteousness typical of other similar practices. Sheila wishes David to spread the word of Shmeiki, but for him to do so effectively, he must first clear out his emotional blockages. For this reason, she sends him on a great walk of more than 2000 km from Goa to Dharamshala, insisting he travels without taking money or wearing shoes. In

accepting this challenge, David becomes Shmeiki Baba. The Shmospels describe his epic journey, from the perspectives of four witnesses. It is a cosmic, psychedelic and inspiring story about self-acceptance, love and surrender.

Updated with an emphasis on current issues, this classic casebook emphasizes

developments in international law, with expertly edited cases and problems for class discussion. Cases and Materials on International Law offers a treatment of the subject for introductory and advanced classes and detailed readings and reference materials for those who wish to pursue topics in depth. The fourth edition enriches every chapter with new information on institutions

contributing to the sources and enforcement of international law, including the World Trade Organization, the International Criminal Tribunals for Yugoslavia and Rwanda, the prospective International Criminal Court, and organizations in the fields of law of the sea and arms control. International criminal law now has a chapter of its own, and the casebook

gives expanded treatment to human rights, environmental law, and economic law.

Claudia Burgoa Dracula, Prince of Many Faces reveals the extraordinary life and times of the infamous Vlad Dracula of Romania (1431 - 1476), nicknamed the Impaler. Dreaded by his enemies, emulated by later rulers like Ivan the Terrible, honored by his

countrymen even today, Vlad Dracula was surely one of the most intriguing figures to have stalked the corridors of European and Asian capitals in the fifteenth century.

 Wanted: Company Daughters. Virtuous young ladies to become the brides of industrious settlers in a foreign land. The Company will pay the cost of the lady's dowry and travel. Returns not permitted, orphans preferred. Amsterdam, 1620. Jana Beil has learned that

life rarely provides moments of joy. Having run away from a violent father, her days are spent searching for work in an effort to stay out of the city brothels, where desperate women trade their bodies for a mouthful of bread. But when Jana is hired as a servant for the wealthy and kind Master Reynst and his beautiful daughter Sontje, Jana's future begins to look brighter. Then Master Reynst

loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other choice, Jana and Sontje are forced to sign with the East India Company as Company Daughters: sailing to a colonial Dutch outpost to become the brides of male settlers they know nothing about. With fear in their

hearts, the girls begin their journey - but what awaits them on the other side of the world is nothing like what they've been promised...
