Lightning in a Mirror Simon and Schuster Welcome to Illusion Town on the colony world of Harmony—like Las Vegas on Earth, but way more weird. Living in this new, alien world doesn’t stop the settlers from trying to re-create what they’ve left behind. Case in point—weddings are still

the highlight of any social calendar. But it’s the after-party that turns disastrous for Lucy Bell. Kidnapped and drugged as she leaves the party, she manages to escape—only to find herself lost in the mysterious, alien underground maze of glowing green tunnels beneath Illusion Town. She’s been surviving on determination and cold pizza, scavenged for her by a special dust bunny, when help finally shows up. Gabriel Jones is the Ghost Hunter sent to rescue her, but escaping the underground ruins isn’t the end of her troubles—it’s only the beginning. With no rational reason for her abduction, and her sole witness gone on another assignment for the Guild, whispers start circulating that Lucy made it all up. Soon her life unravels until she has nothing left but her pride.

The last thing she expects is for Gabriel Jones to come back to town for her. The Lucy that Gabriel finds is not the same woman he rescued, the one who looked at him as if he were her hero. This Lucy is sharp, angry, and more than a little cynical—instead of awe, she treats him with extreme caution. But a killer is still hunting her, and there aren't a lot of options when it comes to heroes.

Despite her wariness, Gabriel is also the one person who believes Lucy—after all, he was there. He's determined to help clear her reputation, no matter what it takes. And as the new Guild Boss, his word is law, even in the lawlessness of Illusion Town.

Derek is a girl. He wasn't one of the boys as a kid. He admired, befriended, and socialized with the girls and always knew he was one of them, despite being male. That wasn't always accepted or understood, but he didn't care—he knew

who he was. Now he's a teenager and boys and girls are flirting and dating and his identity has become a lot more complicated: he's attracted to the girls. The other girls. The female ones. This is Derek's story, the story of a different kind of male hero—a genderqueer person's tale. It follows Derek from his debut as an eighth grader in Los Alamos, New Mexico until his unorthodox coming out at the age of twenty-one on the University of New Mexico campus in Albuquerque. This century's first decade saw many LGBT centers and services rebranding themselves as LGBTQ. The "Q" in LGBTQ is a new addition. It represents other forms of "queer" in an inclusive wave-of-the hand toward folks claiming to vary from conventional gender and orientation, such as

genderqueer people. People who are affirmatively tolerant on gay, lesbian and transgender issues still ask "Why do we need to add another letter to the acronym? Isn't anyone who isn't mainstream already covered by 'gay' or 'lesbian' or 'bisexual' or 'trans'? I'm all in favor of people having the right to call themselves whatever they want, but seriously, do we need this term?" Derek's tale testifies to the real-life relevance of that "Q." This is a genderqueer coming-of-age and coming-out story from an era long before genderqueer was trending.
