## BLAINE ARELLANO

**You Can Negotiate Anything** Quercus Alexis de Tocqueville may be the most influential political thinker in American history. He also led an unusually active and ambitious career in French politics. In this magisterial book, one of America's most important contemporary theorists draws on decades of research and thought to present the first work that fully connects Tocqueville's political and theoretical lives. In doing so, Sheldon Wolin presents sweeping new interpretations of Tocqueville's major works and of his place in intellectual history. As he traces the origins and impact of Tocqueville's ideas, Wolin also offers a profound commentary on the general trajectory of Western political life over the past two hundred years. Wolin proceeds by examining Tocqueville's key writings in light of his experiences in the troubled world of French politics. He portrays Democracy in America, for example, as a theory of discovery that emerged from Tocqueville's contrasting experiences of America and of France's constitutional monarchy. He shows us how Tocqueville used *Recollections* to reexamine his political commitments in light of the revolutions of 1848 and the threat of socialism. He portrays The Old Regime and the French Revolution as a work of theoretical history designed to throw light on the Bonapartist despotism he saw around him. Throughout, Wolin highlights the tensions between Tocqueville's ideas and his activities as a politician, arguing that—despite his limited political success—Tocqueville was "perhaps the last influential theorist who can be said to have truly cared about political life." In the course of the book, Wolin also shows that Tocqueville struggled with many of the forces that constrain politics today, including the relentless advance of capitalism, of science and technology, and of state bureaucracy. He concludes that

Tocqueville's insights and anxieties about the impotence of politics in a "postaristocratic" era speak directly to the challenges of our own "postdemocratic" age. A monumental new study of Tocqueville, this is also a rich and provocative work about the past, the present, and the future of democratic life in America and abroad.

The Book of Casey Adair Penguin

"[Russo's] first novel in ten years hits the ball out of the park. . . . You'll lap up this gripping, wise, and wonderful summer treat." —*The Boston Globe* "A cascade of charm. . . . Russo is an undeniably endearing writer, and chances are this story will draw you back to the most consequential moments in your own life." —*The Washington Post* One beautiful September day, three men in their late sixties convene on Martha's Vineyard, friends ever since meeting in college in the sixties. They couldn't have been more different then, or even today—Lincoln's a commercial real estate broker, Teddy a tiny-press publisher, and Mickey is a

musician beyond his rockin' age. But each man holds his own secrets, in addition to the monumental mystery that none of them has ever stopped puzzling over since a Memorial Day weekend right here on the Vineyard in 1971. Now, forty-five years later, three lives and that of a significant other are put on display while the distant past confounds the present in a relentless squall of surprise and discovery. Shot through with Russo's trademark comedy and humanity, *Chances Are . . .* introduces a new level of suspense and menace that will quicken the reader's heartbeat throughout this absorbing saga.

China Miéville's riveting engagement with the Communist Manifesto offers a lyrical introduction and a spirited defense of the modern world's most influential political document. Few written works can so confidently claim to have shaped the course of history as Karl Marx and Friedrich Engels's Manifesto of the Communist Party. Since first rattling the gates of the ruling order in 1848, this incendiary pamphlet has never ceased providing fuel for the fire in the hearts of those who dream of a better world. Nor has it stopped haunting the nightmares of those who sit atop the vastly unequal social system it condemns. In this strikingly imaginative introduction, China Miéville provides readers with a guide to understanding the Manifesto and the many specters it has conjured. Through his unique and unorthodox reading, Miéville offers a spirited defense of the enduring relevance of Marx and Engels' ideas. Presented along with the full text of the Communist Manifesto, Miéville's guide has something to offer first-time readers, revolutionary partisans, and even the most hard-nosed skeptics.

First in the series starring the sleuthing Palm Beach playboy from the #1 New York Times–bestselling and Edgar Award–winning author. Inveterate playboy Archy McNally gets paid to make discreet inquiries for Palm Beach's power elite. But keeping their dirty little secrets buried will take some fancy footwork in McNally's latest case. A block of priceless 1918 US airmail stamps has gone missing from a high-society matron's wall safe. Lady Cynthia Horowitz, now on her sixth husband, is a nasty piece of work who

lives in a mansion that looks like *Gone With the Wind's* Tara transplanted to southern Florida. McNally's search takes him into a thickening maze of sex, lies, scandal, and blackmail. When passion erupts into murder and McNally must dig even deeper to uncover the truth, he unearths a shocking secret that could expose his own family's skeletons.

In an attempt to understand the growing popularity and influence of Christian fundamentalism, sociologist and documentary filmmaker James Ault spent three years inside the world of a Massachusetts fundamentalist church. *Spirit and Flesh* takes us into worship services, home Bible studies, youth events, men's prayer breakfasts, and bitter conflicts leading to a church split. We come to know the members of the congregation and see how the church acts as an extended family that provides support and security along with occasional tensions. Intimate and rigorously fair-minded, *Spirit and Flesh* will help non-religious readers better understand their fellow citizens, and will allow devout readers to see themselves through the eyes of a sympathetic outsider.

Why is this book one of the top 10 topics discussed in the history of the JFK ASSASSINATION FORUM web site? Answer: \$25,000. Want that money? It's all yours! Just win The \$25,000 JFK Challenge! No need to describe the rules now, the main details are here in Volume One . . . but know this, it's for real, which is why it has caught the interest of the people on the forum . . . Difficult to win? Nah, child's play! Just listen to these words from ace prosecutor Vincent Bugliosi: "Only in a fantasy world could Oswald be innocent and still have all this evidence against him. I think we can put it this way: If Oswald didn't kill Kennedy, then Kennedy wasn't killed on November 22, 1963." But the author of IMPOSSIBLE says Bugliosi is wrong. Now, who are you going to believe, best-selling author Bugliosi, a prosecutor with over 100 felony convictions to his credit, or some nobody writer no one has heard of? So, download this book for free

on the 22nd, and be the first on your block to claim the prize! And tell all your Facebook friends who think Oswald did it their bounty awaits! Oh, before you go, just one more thing: Bugliosi and Stephen King (who wrote there was a 98% chance that Oswald was guilty) haven't accepted the Challenge yet. Nor have any of the dozens of lone assassin theorists to whom the offer has been made on internet forums, including Francois Carlier and David Von Pein, who is probably the third most knowledgeable person on the assassination after Bugliosi and John McAdams. Now why would that be? Don't they want that free money?

*The JFK Assassination Dissected* McFarland

A distinguished Stanford law professor examines the steep decline in marriage rates among the African American middle class, and offers a paradoxical-nearly incendiary-solution. Black women are three times as likely as white women to never marry. That sobering statistic reflects a broader reality: African Americans are the most unmarried people in our nation, and contrary to public perception the racial gap in marriage is not confined to women or the poor. Black men, particularly the most successful and affluent, are less likely to marry than their white counterparts. College educated black women are twice as likely as their white peers never to marry. *Is Marriage for White People?* is the first book to illuminate the many facets of the African American marriage decline and its implications for American society. The book explains the social and economic forces that have undermined marriage for African Americans and that shape everyone's lives. It distills the best available research to trace the black marriage decline's far reaching consequences, including the disproportionate likelihood of abortion, sexually transmitted diseases, single parenthood, same sex relationships, polygamous relationships, and celibacy among black women. This book centers on the experiences not of men or of the poor but of those black women who have surged ahead, even as black men have fallen behind. Theirs is a story that has not been told. Empirical evidence documents its social significance, but its meaning emerges through stories drawn from the lives of women across the nation. *Is Marriage for White People?* frames the stark predicament that millions of black women now face: marry down or marry out. At the core of the inquiry is a paradox substantiated by evidence and experience alike: If more black women married white men, then more black men and women

would marry each other. This book not only sits at the intersection of two large and well-established markets—race and marriage—it responds to yearnings that are widespread and deep in American society. The African American marriage decline is a secret in plain view about which people want to know more, intertwining as it does two of the most vexing issues in contemporary society. The fact that the most prominent family in our nation is now an African American couple only intensifies the interest, and the market. A book that entertains as it informs, *Is Marriage for White People?* will be the definitive guide to one of the most monumental social developments of the past half century.

**Creepy Cafetorium** Phaidon

Being America's favorite heiress is a dirty job...but someone's gotta do it. Lexington Larrabee has never had to work a day in her life. After all, she's the heiress to the multi-billion-dollar Larrabee Media empire. And heiresses are not supposed to work. But then again, they're not supposed to crash brand-new Mercedes convertibles into convenience stores on Sunset Boulevard either. Which is why, on Lexi's eighteenth birthday, her ever-absent, tycoon father decides to take a more proactive approach to her wayward life. Every week for the next year, she will have to take on a different low-wage job if she ever wants to receive her beloved trust fund. But if there's anything worse than working as a maid, a dishwasher, and a fast-food restaurant employee, it's dealing with Luke, the arrogant, albeit moderately attractive, college intern her father has assigned to keep tabs on her. In Jessica Brody's hilarious "comedy of heiress" about family, forgiveness, good intentions, and best of all, second chances, Lexi learns that love can be unconditional, money can be immaterial, and regardless of age, everyone needs a little saving. And although she might have fifty-two reasons to hate her father, she only needs one reason to love him.

"Highly entertaining." —Adam Gopnik, *The*

*New Yorker* "Funny, curious, erudite, and full of useful details about ancient techniques of training memory." —*The Boston Globe* The blockbuster phenomenon that charts an amazing journey of the mind while revolutionizing our concept of memory An instant bestseller that is poised to become a classic, *Moonwalking with Einstein* recounts Joshua Foer's yearlong quest to improve his memory under the tutelage of top "mental athletes." He draws on cutting-edge research, a surprising cultural history of remembering, and venerable tricks of the mentalist's trade to transform our understanding of human memory. From the United States Memory Championship to deep within the author's own mind, this is an electrifying work of journalism that reminds us that, in every way that matters, we are the sum of our memories.

**With Liberty and Justice for All** Simon and Schuster

"Morgan Rice has come up with what promises to be another brilliant series, immersing us in a fantasy of valor, honor, courage, magic and faith in your destiny. Morgan has managed again to produce a strong set of characters that make us cheer for them on every page....Recommended for the permanent library of all readers that love a well-written fantasy." --Books and Movie Reviews, Roberto Mattos (regarding *Rise of the Dragons*) From #1 Bestselling author Morgan Rice comes a sweeping new fantasy series. 17 year old Ceres, a beautiful, poor girl in the Empire city of Delos, lives the harsh and unforgiving life of a commoner. By day she delivers her father's forged weapons to the palace training grounds, and by night she secretly trains with them, yearning to be a warrior in a land where girls are forbidden to fight. With her pending sale to slavehood, she is desperate. 18 year old Prince Thanos despises everything his royal family stands for. He abhors their harsh treatment of the masses, especially the brutal competition—The Killings—that lies at the heart of the city. He yearns to break free from the restraints of his upbringing, yet he, a fine warrior, sees no way out. When Ceres stuns the court with her hidden powers, she finds herself wrongfully imprisoned, doomed to an even worse life than she could imagine. Thanos, smitten, must choose if he will risk it all for her. Yet, thrust into a world of duplicity and deadly secrets, Ceres quickly learns there are those who rule, and those who are their pawns. And that sometimes, being chosen is the worst that can happen. *SLAVE, WARRIOR, QUEEN* tells an epic tale

of tragic love, vengeance, betrayal, ambition, and destiny. Filled with unforgettable characters and heart-pounding action, it transports us into a world we will never forget, and makes us fall in love with fantasy all over again. Book #2--*ROGUE, PRISONER, PRINCESS*--is also available!

**Gordon Gekko Guide** Simon and

Schuster

In *Houses in a Landscape*, Julia A. Hendon examines the connections between social identity and social memory using archaeological research on indigenous societies that existed more than one thousand years ago in what is now Honduras. While these societies left behind monumental buildings, the remains of their dead, remnants of their daily life, intricate works of art, and fine examples of craftsmanship such as pottery and stone tools, they left only a small body of written records. Despite this paucity of written information, Hendon contends that an archaeological study of memory in such societies is possible and worthwhile. It is possible because memory is not just a faculty of the individual mind operating in isolation, but a social process embedded in the materiality of human existence. Intimately bound up in the relations people develop with one another and with the world around them through what they do, where and how they do it, and with whom or what, memory leaves material traces. Hendon conducted research on three contemporaneous Native American civilizations that flourished from the seventh century through the eleventh CE: the Maya kingdom of Copan, the hilltop center of Cerro Palenque, and the dispersed settlement of the Cuyumapa valley. She analyzes domestic life in these societies, from cooking to crafting, as well as public and private ritual events including the ballgame. Combining her findings with a rich body of theory from anthropology, history, and geography, she explores how objects—the things people build, make, use, exchange, and

discard—help people remember. In so doing, she demonstrates how everyday life

becomes part of the social processes of remembering and forgetting, and how “memory communities” assert

connections between the past and the present.
