Where women are created for the pleasure of men, beauty is the first duty of every girl. In Louise O'Neill's world of *Only Every Yours* women are no longer born naturally, girls (called "eves") are raised in Schools and trained in the arts of pleasing men until they come of age. Freida and Isabel are best friends. Now, aged sixteen and in their final year, they expect to be selected as companions--wives to powerful men. All they have to do is ensure they stay in the top ten beautiful girls in their year. The alternatives--life as a concubine, or a chastity (teaching endless generations of girls)--are too horrible to contemplate. But as the intensity of final year takes hold, the pressure to be perfect mounts. Isabel starts to self-destruct, putting her beauty--her only asset--in peril. And then

into this sealed female environment, the boys arrive, eager to choose a bride. Freida must fight for her future--even if it means betraying the only friend, the only love, she has ever known.

'We need to create a home to return to. And when I say home, I'm not talking about a physical place or somewhere where pants are optional. I'm talking about a set of beliefs after a day full of, well, anything. We need to dig a

foundation so deep that it will exist and thrive even if our surface-level efforts fail.' Ever wondered what the point of all those school maths lessons about triangles was? Youtuber and comedian Lilly Singh has finally discovered the answer: triangles are the perfect model for building your self-esteem and getting to know your own values. Triangles have a strong base, they're hard to knock-over and always retain their own shape, even when they grow. With her incomparable sense of humour and fun, Lilly explains how she has put the ethos of the triangle to work in her own life, and shows how you can do the same. Complete with playful illustrations and inspiring ideas, this book is like a best friend cheering you on as you find your purpose and get to know yourself.

This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched

book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

The WHO global health sector strategy
on sexually transmitted infections,
2016–2021, endorsed by the World
Health Assembly in 2016, aims to

eliminate STIs as a public health threat by 2030. In 2019, WHO published estimates of new cases of chlamydia, gonorrhoea, syphilis and trichomoniasis. Recent changes in the epidemiology of STIs and progress in prevention, diagnosis and treatment of STIs and HIV have necessitated changes in approaches to STI prevention and management. To address these STIs, the most widely used approach in clinical settings is the syndromic management of STIs. In most resource-limited settings, the syndromic management flow charts are still the standard of care where laboratory diagnosis is not available or is hard to access. The objectives of these guidelines are to provide updated, evidence-informed clinical and practical recommendations

on the case management of people with symptoms of STIs; and to support countries in updating their national guidelines for the case management of people with symptoms of STIs. These guidelines include the management of symptomatic infections related to urethral discharge syndrome, including persistent urethral discharge syndrome; vaginal discharge syndrome, including persistent vaginal discharge; anorectal infection; genital ulcer disease syndrome; and lower abdominal pain syndrome. These guidelines are intended for programme managers for STI prevention and control at the national level and the health-care providers at the frontline – primary, secondary and tertiary health care. Gujarat Files is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against

humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.
