A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That’s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That’s where Will’s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother’s gun. He gets on the elevator, seventh floor, stoked. He knows who he’s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that’s when Will sees that one bullet is missing. And the only one who could have fired Shawn’s gun was Shawn. Huh. Will didn’t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck’s in the elevator? Just as Will’s trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck’s cigarette. Will doesn’t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

The complete Cthulhu Mythos by master horror writer H. P. Lovecraft in one volume. The Cthulhu Mythos is a collection of 23 loosely connected short stories by H. P. Lovecraft, one of the earliest masters of dark fantasy and horror. From "Dagon" to "The Call of Cthulhu" to "The Haunter of the Dark," each story connects to the ancient cosmic entities known as the Great Old Ones, buried in a deep sleep beneath the earth and incomprehensible to mankind. For the few mortals who dare to glimpse this unknowable world, the result is a complete disconnection from what was once considered reality. Lovecraft's stories are grim, fantastical, dark, horrifying—and yet endlessly fascinating. Makes a perfect gift for fans of Lovecraft, his work, and the HBO series Lovecraft Country.

"Trevor Noah, the funny guy who hosts The Daily Show on Comedy Central, shares his remarkable story of growing up in South Africa with a black South African mother and a white European father at a time when it was against the law for a mixed-race child to exist. But he did exist—and from the beginning, the often-misbehaved Trevor used his keen smarts and humor to navigate a harsh life under a racist government. This fascinating memoir blends drama, comedy, and tragedy to depict the day-to-day trials that turned a boy into a young man. In a country where racism barred blacks from social, educational, and economic opportunity, Trevor surmounted staggering obstacles and created a promising future for himself, thanks to his mom’s unwavering love and indomitable will. It’s Trevor Noah: Born a Crime not only provides a fascinating and honest perspective on South Africa’s racial history, but it will also astound and inspire young readers looking to improve their own lives"--

Bryan Stevenson’s incredible fight to end mass incarceration, excessive punishment, and racial inequality comes to life in this young adult adaptation of the acclaimed, #1 New York Times bestseller that was adapted into a major motion picture starring Michael B. Jordan, Jaime Foxx, and Brie Larson. In this very personal work—adapted from the original #1 bestseller, which the New York Times calls "as compelling as To Kill a Mockingbird, and in some ways more so"—renowned lawyer and social justice advocate Bryan Stevenson offers a glimpse into the lives of the wrongfully imprisoned and his efforts to fight for their freedom as the founder of the Equal Justice Initiative. Stevenson’s story is one of working to protect basic human rights for the most vulnerable people in American society—the poor, the wrongly convicted, and those whose lives have been marked by discrimination and marginalization. Through this adaptation, young people of today will find themselves called to action and compassion in the pursuit of justice. A portion of the proceeds of this book will go to charity to help in Stevenson’s important work to benefit the voiceless and the vulnerable as they attempt to navigate the broken U.S. justice system. Born a Crime Farrar, Straus and Giroux

As host of the US hit show *The Daily Show*, Trevor Noah provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, *BORN A CRIME* tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. *BORN A CRIME* is equally the story of that young man’s fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life.

A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (Entertainment Weekly), "soul-nourishing" (USA Today) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also

the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

#1 NEW YORK TIMES BESTSELLER • Michelle Obama's worldwide bestselling memoir, *Becoming*, is now adapted for young readers. Michelle Robinson was born on the South Side of Chicago. From her modest beginnings, she would become Michelle Obama, the inspiring and powerful First Lady of the United States, when her husband, Barack Obama, was elected the forty-fourth president. They would be the first Black First Family in the White House and serve the country for two terms. Growing up, Michelle and her older brother, Craig, shared a bedroom in their family's upstairs apartment in her great-aunt's house. Her parents, Fraser and Marian, poured their love and energy into their children. Michelle's beloved dad taught his kids to work hard, keep their word, and remember to laugh. Her mom showed them how to think for themselves, use their voice, and be unafraid. But life soon took her far from home. With determination, carefully made plans, and the desire to achieve, Michelle was eager to expand the sphere of her life from her schooling in Chicago. She went to Princeton University, where she learned what it felt like to be the only Black woman in the room. She then went to Harvard Law School, and after graduating returned to Chicago and became a high-powered lawyer. Her plans changed, however, when she met and fell in love with Barack Obama. From her early years of marriage, and the struggle to balance being a working woman, a wife, and the mom of two daughters, Michelle Obama details the shift she made to political life and what her family endured as a result of her husband's fast-moving political career and campaign for the presidency. She shares the glamour of ball gowns and world travel, and the difficulties of comforting families after tragedies. She managed to be there for her daughters' swim competitions and attend plays at their schools without catching the spotlight, while defining and championing numerous initiatives, especially those geared toward kids, during her time as First Lady. Most important, this volume for young people is an honest and fascinating account of Michelle Obama's life led by example. She shares her views on how all young people can help themselves as well as help others, no matter their status in life. She asks readers to realize that no one is perfect, and that the process of becoming is what matters, as finding yourself is ever evolving. In telling her story with boldness, she asks young readers: Who are you, and what do you want to become?
