Winner of the Sahitya Akademi Award An award-winning novel that uses both vast panoramic views and lovingly reconstructed detail to provide an unforgettable picture of nineteenth-century Bengal. The Bengal Renaissance and the 1857 uprising form the backdrop to *Those Days*, a saga of human frailties and strength. The story revolves around the immensely wealthy Singha and Mukherjee families, and the intimacy that grows between them. Ganganarayan Singha's love for Bindubasini, the widowed daughter of the Mukherjees, flounders on the rocks

of orthodoxy even as his zamindar father, Ramkamal, finds happiness in the arms of the courtesan, Kamala Sundari. Bimbabati, Ramkamal's wife, is left to cope with her loneliness. A central theme of the novel is the manner in which the feudal aristocracy, sunk in ritual and pleasure, slowly awakens to its social obligations. Historical personae interact with fictional protagonists to enrich the narrative. Ishwar Chandra Vidyasagar, the reformer; Michael Madhusudan Dutt, the poet; the father and son duo of Dwarkanath and Debendranath Tagore; Harish Mukherjee, the journalist; Keshab Chandra Sen, the Brahmo Samaj radical; David Hare and John

Bethune, the English educationists—these and a host of others walk the streets of Calcutta again, to bring alive a momentous time.

The scale of issues and challenges we face is unprecedented and impacts us all; no single entity has the resources necessary to address these challenges on its own. Conserving the Future acknowledges that strategic, collaborative, science-based landscape conservation-along with effective public outreach, education and environmental awareness-is the only path forward to

conserve America's wildlife and wild places. This document articulates the Refuge System's role in this effort: leading when appropriate and supporting our partners when able. We recognize all of our conservation partners, and explicitly acknowledge the unique and valued realtonship, expertise, and authority of state wildlife agencies in managing fish, wildlife, and their habitats associated with the Refuge System. We also recognize that we must identify opportunities to engage new constituencies to help us meet our mission. *On Illustrious Men (The Fathers of the Church, Volume 100)* Harper Collins

This first verse-by-verse commentary on the Greek text of the Testament of Abraham places the work within the history of both Jewish and Christian literature. It emphasizes the literary artistry and comedic nature of the Testament, brings to the task of interpretation a mass of comparative material, and establishes that, although the

Testament goes back to a Jewish tale of the first or second century CE, the Christian elements are much more extensive than has previously been realized. The commentary further highlights the dependence of the Testament upon both Greco-Roman mythology and the Jewish Bible. This should be the standard commentary for years to come.

Centenarian Eulalio Assumpcao has reached the end of his long life. From his modest bed in a Rio public hospital, as his mind falters, he grandly recounts his past to passing nurses, his visiting daughter

and the whitewashed ceiling. His eccentric stories are seemingly nothing more than the ramblings of a dying man, yet as he overlaps each confused memory, they begin to coalesce into a brilliant and bitter eulogy for himself and for Brazil. Charting his own fall from aristocracy, Eulalio's feverish monologue sprawls across the last century, from his empire-building ancestors to his drug-deali.

"When Sheikh Mujibur Rahman's diaries came to light in 2004, it was an indisputably historic event. His daughter, Bangladesh Prime Minister Sheik Hasina, had the notebooks -- their pages by then brittle and discoloured -- carefully transcribed and later translated from Bengali into English. Written during Sheikh Mujibur Rahman's sojourns in jail as a state prisoner between 1967 and 1969, they begin with his recollections of his days as a student activist in the run-up to the movement for Pakistan in the early 1940s. They cover the Bengali language

movement, the first stirrings of the movement for Bangladesh independence and self-rule, and powerfully convey the great uncertainties as well as

the great hopes that dominated the time. The last notebook ends with the events accompanying the struggle for democratic rights in 1955." --
