The Boy Who Harnessed
the Wind Penguin

"Vivid and remarkably
fresh...Philbrick has recast
the Pilgrims for the
ages."--The New York
Times Book Review
Finalist for the Pulitzer
Prize in History New York
Times Book Review Top
Ten books of the Year
With a new preface

marking the 400th
anniversary of the landing
of the Mayflower. How did
America begin? That
simple question launches
the acclaimed author of In
the Hurricane's Eye and
Valiant Ambition on an
extraordinary journey to
understand the truth
behind our most sacred
national myth: the voyage
of the Mayflower and the
settlement of Plymouth
Colony. As Philbrick
reveals in this electrifying
history of the Pilgrims, the
story of Plymouth Colony
was a fifty-five year epic
that began in peril and
ended in war. New
England erupted into a
bloody conflict that nearly
wiped out the English
colonists and natives
alike. These events

shaped the existing
communities and the
country that would grow
from them.

*The Yada Yada Prayer
Group Collection* Anchor
For ten years and in two
classic books, Irene
Fountas and Gay Su
Pinnell have described
how to analyze the
characteristics of texts
and select just-right books
to use for guided reading
instruction. Now, for the
first time, all of their
thinking and research has
been updated and
brought together into
Leveled Books, K-8 to
form the ultimate guide to
choosing and using books
from kindergarten
through middle school.
Fountas and Pinnell take
you through every aspect

of leveled books, describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level. They share advice on: the role of leveled books in reading instruction, analyzing the characteristics of fiction and nonfiction texts, using benchmark books to assess instructional levels for guided reading, selecting books for both guided and independent reading, organizing high-quality classroom libraries, acquiring books and writing proposals to fund classroom-library purchases, creating a school book room. In addition, Fountas and Pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction. Best of all, *Leveled Books, K-8* is one half of a new duo of resources that will change how you look at leveled books. Its companion-www.FountasandPinnellLeveledBooks.com-is a searchable and frequently updated website that includes more than 18,000 titles. With *Leveled Books, K-8* you'll

know how and why to choose books for your readers, and with www.FountasandPinnellLeveledBooks.com, you'll have the ideal tool at your fingertips for finding appropriate books for guided reading. Book jacket.

'Salem's Lot Courier Corporation
 What do an ex-con, a former drug addict, a real estate broker, a college student and a married mother of two have in common? Nothing, or so I thought. Who would have imagined that God would make a prayer group as mismatched as ours the closest of friends? I almost didn't even go to the Chicago Women's Conference—after all, being thrown together with five hundred strangers wasn't exactly my "comfort zone." But something happened that weekend to make us realize we had to hang together, and the Yada Yada Prayer Group" was born! When I faced the biggest crisis of my life, God used my newfound Sisters to show me what it means to be just a sinner saved by grace. *Kingdom of the Blind* W. W. Norton & Company
 The Yada Yada Prayer Group seems invincible—until tension

and distrust shake its very foundation. Jodi Baxter is slowly recuperating from a horrific car accident, but before she's fully recovered, other problems arise within the Yada Yada Prayer Group—big problems. The turmoil starts when a heroin-addicted woman charges into a prayer meeting with a knife and isn't afraid to use it. Things really take a turn for the worse when grim accusations are made against Jodi's husband. Racial division, pain, and pride are tearing this close-knit group of women apart, and Jodi isn't sure if she and her spiritual sisters will be able to survive the mess. The Yada Yadas are forced to get down to the nitty-gritty in their relationships and in their prayers. But is forgiveness possible—not just of their closest friends . . . but also of their enemies?

Seeing Like a State
 Bantam Classics

The first in a romance series about the bad boys of the Wind Dragons Motorcycle Club and the women who fall in love with them.

The History of Love: A Novel Anchor

UPHILL BOTH WAYS He left her a bike and a map-but why? Maggie Cooper and her husband had been

looking forward to retirement together-but everything changed when "Coop" Cooper died suddenly of a heart attack while restoring his vintage motorcycle and sidecar. After decades of marriage and following God's call to get out of their comfort zone and immerse themselves in multi-cultural friendships and ministry . . . now what? Then Maggie discovers that Coop had had plans for a cross-country trip on that motorcycle to revisit the various stops on their life journey, though she wasn't sure why. Nostalgia? A trip down memory lane? That didn't sound like Coop. Maybe the only way to find out was to honor her husband's wishes and take that trip-against everybody's advice. After all, she was sixty-five! Her kids thought she ought to just sell the bike, sell the house, and settle into a retirement village. But she knew at least two people who would say, "Go Maggie!" Her now-departed husband and her estranged youngest son. And God. Yes, Maggie had a sense God was up to something. Accompanied by her dog and an unexpected runaway, Maggie sets out on an

unforgettable journey, and invites YOU to come along for the ride. "It's okay to look behind you. Sometimes it's the best way to get yourself home." -An African saying Harry Bentley's Second Chance Thomas Nelson Snowmageddon takes us back into the Bentley household as Estelle crusades for a group home to move into the neighborhood in hopes that her mentally challenged son can become one of the residents. But the tenuous relationships the Bentleys have developed since they moved to the neighborhood, risk coming apart as opposition to the group home uncovers age-old prejudices and fears, as well as simmering tensions between the two Jewish and Iranian families. Harry Bentley faces his own demons when he risks losing custody of his only grandson and when the young woman he promised to protect from a vengeful drug mule flees the safety of the neighborhood. After so much progress, Beecham Street faces another blizzard The fifth in the Windy City Neighbors series, Snowmageddon brings the Beecham

Street neighbors full circle during a historic snowstorm that whiteouts a wedding, threatens the life of a mother and unborn child, and challenges just how much neighbors can count on each other when push comes to shove. Welcome to Beecham Street-a typical, isolated American neighborhood that was beginning to come out of its shell . . . but is about to be snowed under.

Now available in one volume - all seven of the Yada Yada Prayer Group novels by Neta Jackson! The Yada Yada Prayer Group What do an ex-con, a former drug addict, a real estate broker, a college student and a married mother of two have in common? The Yada Yada Prayer Group Gets Down The Yada Yada Prayer Group seems invincible—until tension and distrust shake its very foundation. The Yada Yada Prayer Group Gets Real The sisters of the Yada Yada Prayer Group are learning how to be real—with each other and with God. The Yada Yada Prayer Group Gets Tough Prayer is a powerful spiritual weapon. And the Yada Yadas are about to learn just how strong it

really is. The Yada Yada Prayer Group Gets Caught The Yada Yada Prayer Group is in trouble—and they're having a hard time getting out. The Yada Yada Prayer Group Gets Rolling Just when the Yada Yadas want to get comfy, they realize God is on the move. It's time for the sisters to let go . . . and let God take the lead. The Yada Yada Prayer Group Gets Decked Out In the thick of the holiday season, God gives the Yada Yadas an unforgettable celebration.

Sophie's World Oxford University Press
"Lucy Tucker, the crotchety old bag lady from the popular Yada Yada House of Hope series, is a veteran of the Chicago streets and not about to give up her independence, even as she approaches her 80th birthday. Until, that is, a young displaced woman with her gentle ageing mother and a dog named Dandy seem to need her--unsettling the secretive Lucy, who doesn't let anyone get too close. But just when it seems her past is catching up with her to bring her in out of the cold, Lucy disappears again"--Back cover.

Treasure Island Simon and Schuster
Over 50 years of an iconic

classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on "greasers" like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times

"Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

Dr Tainter describes nearly two dozen cases of collapse and reviews more than 2000 years of explanations. He then develops a new and far-reaching theory.

Seven Locks HarperChristian + ORM
Retired Chicago cop Harry Bentley discovers he has a grandson he didn't know about. Will he find the faith to take on the boy as a "second chance" to be the father he'd failed to be to his own son?

Ask a Manager Simon and Schuster
From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has

been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for *Ask a Manager*: “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred

review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “*Ask a Manager* is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Yada Yada Prayer Group Anchor

The sisters of the Yada Yada Prayer Group are learning how to be real—with each other and with God. After a particularly exhausting year with the Yada Yada

Prayer Group, all Jodi Baxter wants is a break. She even asks God for a little “dull and boring” in the new year. Instead she finds that when you’re open to His plans, life is unpredictable—in the best and hardest ways. Jodi’s life is suddenly full of changes, and they can be described as anything but boring. Out of all the Yada Yadas, God has Leslie “Stu” Stuart move into the Baxter’s upstairs flat, which requires a lot of patience—and tongue-biting—on Jodi’s part. She’s continually unnerved by guilt stemming from the accident and dreads the day when she comes face-to-face with Hakim’s mother. Plus, Bandana Woman, who was safely locked up in prison, has returned. Phew! Through prayer and friendship, the Yada Yadas are getting real. Dull and boring? Not a chance.

Little Weirds Penguin

Greg Singer’s job puts tremendous stress on his marriage with Nicole, who for the first time notices the handsome lawyer at the end of the block. When the recession hits Greg’s industry, he thinks the crisis is merely an opportunity for God to bless him with unmatched prosperity, and he steps

out in bold faith. But is he being "pound foolish"? Intersecting with Penny wise, (book three) Pound foolish returns us to Beecham Street, a typical American neighborhood, where a growing friendship brings new meaning to prosperity. Dragon's Lair Ballantine Books

Following the tremendous success of her first book, a nonfiction work on housekeeping that became a surprise bestseller, Cheryl Mendelson brings to her debut novel the same intensely readable style that made *Home Comforts* so popular. In the spirit of Anthony Trollope, she roots her story very much in a specific time and place—1999, in an old-fashioned New York City neighborhood that's becoming rapidly gentrified—and the enormously engaging result resembles a twentieth-century version of *The Way We Live Now*. Anne and Charles Braithwaite have spent their entire married life in a sedate old apartment building in Morningside Heights, a northern Manhattan neighborhood filled with intellectual, artistic souls like themselves, who thrive on the area's abundant

parks, cultural offerings, and reasonably priced real estate. The Braithwaites, musicians with several young children, are at the core of a circle of friends who make their living as writers, psychiatrists, and professors. But as the novel opens, their comfortable life is being threatened as a buoyant economy sends newly rich Wall Street types scurrying northward in search of good investments and more space. At the same time, the Braithwaites weather the difficult love lives of their friends, and all of the characters confront their fears that the institutions and social values that have until now provided them with meaning and stability—science, religion, the arts—are in increasing decline. Though the group clings to the rituals and promises of such institutions, the Braithwaites' imminent departure sends shock waves through their community. As the family contemplates the impossible—a move to the suburbs—their predicament represents the end of a cultured kind of city life that middle-class families can no longer afford. This

intelligent and captivating social chronicle is the first of a trilogy of novels about Morningside Heights; readers sure to be drawn in by Mendelson's habit-forming prose have much more to look forward to. *O Pioneers!* Thomas Nelson Inc

The Yada Yada Prayer Group is in trouble—and they're having a hard time getting out. Jodi Baxter is feeling overwhelmed, to say the least. Every day it seems that more blessings, problems, and everything in between crop up among her Yada Yada sisters, and their prayer list is getting out of control. Not only are the Yada Yadas still recovering from the vicious racial attack on Mark, but Ruth and Ben's midlife pregnancy takes a dangerous turn, Avis's daughter and grandbaby show up unannounced, Florida's artistic son gets caught tagging, and Uptown is talking about merging with New Morning into one racially mixed church—raising anxiety and stress to new levels. To top it all off, Jodi keeps saying yes—to everything. It's getting harder to see God in the everyday rat race of life, especially in the face of

exhaustion. With so many burdens resting on her circle of sisters, Jodi finds herself trapped by the good—and bad—habit of trying to fix everything and everyone. After lots (and lots) of failures, Jodi begins to learn that God can use anything, even the messes we make, to accomplish His good purposes. What will it take to help the Yada Yadas focus on God's promises instead of getting caught by the lies we so easily believe?

The Image of the City

Farrar, Straus and Giroux
This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while

preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

The Yada Yada Prayer Group Gets Tough
Cambridge University Press

One of Vanity Fair's Great Quarantine Reads: Step into Jenny Slate's wild imagination in this "magical" (Mindy Kaling), "delicious" (Amy Sedaris), and "poignant" (John Mulaney) New York Times bestseller about love, heartbreak, and being alive -- "this book is something new and wonderful" (George Saunders). You may "know" Jenny Slate from

her Netflix special, *Stage Fright*, as the creator of *Marcel the Shell*, or as the star of "Obvious Child." But you don't really know Jenny Slate until you get bonked on the head by her absolutely singular writing style. To see the world through Jenny's eyes is to see it as though for the first time, shimmering with strangeness and possibility. As she will remind you, we live on an ancient ball that rotates around a bigger ball made up of lights and gasses that are science gasses, not farts (don't be immature). Heartbreak, confusion, and misogyny stalk this blue-green sphere, yes, but it is also a place of wild delight and unconstrained vitality, a place where we can start living as soon as we are born, and we can be born at any time. In her dazzling, impossible-to-categorize debut, Jenny channels the pain and beauty of life in writing so fresh, so new, and so burstingly alive, we catch her vision like a fever and bring it back out into the bright day with us, where everything has changed.
