Real Zombie Drawing Book: Vol. 1
Children's Book Press (CA)

A man and woman fight and count their way through a zombie horde in this twisted, illustrated parody of a children's counting book. When being chased by ten little zombies (no matter how cute they are), your only option is to

systematically destroy them one by one, or else become zombie number eleven.

In this love story wrapped in a tale of zombie mayhem, a resourceful couple flees from and picks off their undead pursuers with fast-paced ingenuity and an entertaining range of zombie-thwarting tools. As the zombies shuffle and stumble their way toward a variety of gruesome ends, our heroes must come up with new ways to escape sticky situations and stay together. This darkly funny illustrated tale—think meets Edward Gorey meets

Hallmark—celebrates the romantic side of a zombie plague, with plenty of BRAINS and a lot of heart.
