La bible du crochet en 250 points Marabout

This jam-packed stitch bible begins with a guide to the best tools and equipment, detailed instructions on how to crochet, and

information on reading stitch diagrams and understanding crochet abbreviations. It offers a selection of the very best stitches, including a few new ones and some reinvented for a new generation. The book is divided into three main sections. The first covers basic crochet stitches. The emphasis here is on texture, and we show how combinations of these stitches can be used to make a huge

variety of different crochet fabrics, featuring shells, chevrons, puff stitches, trellis stitches and loop stitches, among others. The second section focuses on motifs in a variety of shapes: circular, square, polygonal, triangular as well as leaf and petal shapes. Regular-shaped motifs can be made in multiples and stitched together to create items such as

throws and blankets. The third section covers edgings and trims, ranging from simple cords and braids to more elaborate ruffles and frills. Crochet trims can be used to decorate a plain knit or crochet item, adding a special something to a hem, cuff, neckline or plain blanket edge. This inspiring volume will provide a wealth of ideas to bring new creative elements to your crochet

work. Whether you are new to crochet or a seasoned pro, there is always something new to learn. Word count: 60,000

 Steiner Marie-Claire Album S.A.
 A classic of stitchwork, *The Complete Book of Crochet Stitch Designs* has now been updated with all-new diagrams and full-color photography, and showcases 500 designs--from traditional

favorites to originals found nowhere else. There are soft and lacy patterns; some that mimic knitting, weaving, or patchwork; and others that use large openwork and popcorn stitches. And every stitch design features a photo, reader-friendly instructions, and a diagram showing each stitch and its placement--so it's easy to understand the entire design at a glance. The guide also

includes a pictorial index, which displays the complete pattern, and directions for all basic crochet stitches. Both beginners and experienced crocheters alike will turn to this invaluable reference for years to come. A Main Selection of the Crafter's Choice Book Club.

The Crochet Book. Tenth Series David & Charles
 Now available in paperback, this best-selling title is

THE essential guide to crochet. Ultimate Crochet Bible is a definitive reference for all aspects of crochet - from the first chain to the care and maintenance of your projects. The first two chapters are packed with useful information such as choosing and using a hook, how to read a pattern, holding the yarn and basic stitches. Once you are armed with the basics, you can go on to

learn about a wide range of techniques. Traditional, lace-weight crochet is covered in the Thread Crochet section. The yarn used tends to be fine and the hooks are small, but this allows you to put more detail into a piece of work. Filet and Irish crochet are covered here. The section on Tunisian and Entrelac Crochet shows how elements of crochet and knitting can be combined. Entrelac is a method of

creating square shapes in order to make a textured fabric that resembles basket weave. In Working with Colour, the two main techniques of adding colour to a piece of crochet – Intarsia and Jacquard – are explained. And to create some really exciting effects, you can add beads and sequins to your crochet. It's a relatively easy technique. In addition, there are techniques for edgings,

braids, fringes and tassels. Professional Finishing Techniques provides all the know-how you need to take your crochet to a whole new level. But whatever your level of experience, this book will be an invaluable treasure trove of crochet techniques that you will turn to time and time again. Over 35,000 copies sold worldwide. This volume (in French) contains the editio princeps of the second part (4Q550-583) of the Aramaic texts from Cave 4 at Qumran which were originally assigned to Pere Jean Starcky (4Q521-578). The first part of the Aramaic texts were published in volume XXXI of the Discoveries in the Judaean Desert series, while the Hebrew texts were published in volume XXV. These Aramaic and Hebrew texts include primarily parabiblical and pseudepigraphical compositions, often named 'Apocryphon', 'Testament', 'Pseudo-', or 'Visions'. They reflect the interest in biblical themes characteristic of Second Temple period Judaism, and exhibited in many of the Qumran compositions.

The Crochet Stitch Bible contains over 200 stitches, explained in full, and is a perfect starter guide for beginners, with advanced projects and details for experts. The handy spiral bound design allows this book to be laid open on a work surface for easy reference, and makes a wonderful addition to the library of any crafter, crocheter, or knitter. This comprehensive guide includes step-by-step instructions for basic stitches,

textured stitches, fans and shells stitches, mesh and filet stitches, openwork and lace stitches, trims and edgings, clusters, puffs, bobbles, spike, relief, tunisian, multi-color, squares, and special stitches. Each crochet stitch is accompanied by a photograph sample, row-by-row instructions, and easy-to-follow symbol charts. Crochet is the technique of making a

looped fabric from a continuous length of yarn, using a single hook. The word "crochet" itself derives from the French "croc," meaning a hook (or crook); an old scottish name for crochet is "shepherd's knitting." It is one of the most portable and flexible of crafts, requiring only a hook and some yarn. Once you have mastered the basic techniques, you can create a

fascinating variety of effects. The Knitting and Crochet Bible La Plage Dive into the intricate world of tatting and crochet with "Golden Stars in Tatting and Crochet." Authored by the renowned Eléonore Riego de la Branchardière, this book offers a collection of exquisite patterns and designs, showcasing the beauty and artistry of these timeless handicrafts. A must-have for enthusiasts and crafters

looking to master the art of tatting and crochet.
