Mother Teresa Magnificat

Mother Teresa's upbringing in the Balkans as part of a minority group formed her mission and ministry to the poorest of the poor, beginning in India and expanding throughout the world. The book especially explores her Albanian roots and upbringing in the midst of a Muslim majority population, as well as the complicated political history of the region that made it what it was. The Missionary Position Modern Spiritual Masters

In the 1940's, Calcutta had become decimated by famine, poverty, war and unemployment. Slums began to surface throughout the city and thousands were homeless, dying of disease or starvation. Alone and forgotten, these poorest of the poor were desperate for someone, anyone, to recognize their plight and help them. That help arrived in the form of Mother Teresa. Albanian-born, Mother

Teresa knew from a young age that she wanted to become a nun and devote her life to God. What she could not envision, however, was exactly where that service to God would take her. Sent to Calcutta to teach history and geography from within the safe confines of a convent, Mother Teresa could not ignore the plight of the homeless and the dying. So she chose to give up everything in her life to serve those most in need. With nothing but her faith to guide her, she took to the slums with the hope that she could make a difference in the lives of at least a few lost souls. And with her pure heart and beautiful spirit, she wound up touching millions.

Mother Teresa broke death's stranglehold on the poor of Calcutta, and she showed us how to conquer the sin and darkness in what she called the "slums of the hearts of modern man." You will learn her approach to reading Scripture, what enabled her to persevere through agonizing nights, and the remarkable some would say mystical events that led her to start the Missionaries of Charity. In considering Mother Teresa, her private visions, and her secret sufferings, David Scott has discovered scores of early episodes and chance encounters that point to later, larger meanings. These remarkable patterns, he suggests, show

that Mother Teresa's life was choreographed from above, as if a divine script had been written for her from before her birth. In these pages, you will meet for the first time the Mother Teresa who challenged the ancient Goddess of Death and became the first saint of our global village. You will read as she describes, in long-secret letters, the dark night of her soul. The woman you will meet is one that God himself sent to you as a clear sign that despite pain and suffering in our lives and in our world, God's good love will prevail . . .

beginning in the slums of our hearts. We are all called to holiness, and the saints are sent to us as "real life" examples of God's love. The Love That Made Mother Teresa Magnificat

A personality of Mother Teresa's calibre and global reach does not come about by chance. To provide a well-rounded portrait of this influential figure, this book approaches her in the context of her familial background and ethnic, cultural and spiritual milieus. Her life and work are explored in the light of newly-discovered information about her family, the Albanian nation's spiritual tradition before and after the advent of Christianity, and the impact of the Vatican and other influential powers on her people since the early Middle Ages. Focusing on her traumas, ordeals and achievements as a private individual and a public missionary, and her complex spirituality, this book contends that

Mother Teresa's life and her nation's history, especially her countrymen's relationship with Roman Catholicism, are interconnected. Unravelling this interconnectedness is essential to understanding how this modern spiritual and humanitarian icon has come to epitomise her ancient nation's cultural and spiritual DNA.
