Berlin in the spring of 1939. Hitler is preparing for war. Colonel Noel Macrae, a British diplomat, plans the ultimate sacrifice to stop him. The West's appeasement policies have failed. There is only one alternative: assassination. The Gestapo, aware of Macrae's hostility, seeks to compromise him in their infamous brothel. There Macrae meets and falls in love with Sara, a Jewish woman blackmailed into becoming a Nazi courtesan. Macrae finds himself trapped between the blind policies of his government and the dark world of betrayal and deception in Berlin. As he seeks to

save the woman he loves from the brutality of the Gestapo, he defies his government and plans direct action to avert what he knows will be a global war. Inspired by true events and characters, James MacManus's *Midnight in Berlin* is a passionate story that will leave you in awe of the human capacity for courage, sacrifice, and love set against a world on the brink of war.

At an excavation of the Great Aztec Temple in Mexico City, amid carvings of

skulls and a dismembered warrior goddess, David Carrasco stood before a container filled with the decorated bones of infants and children. It was the site of a massive human sacrifice, and for Carrasco the center of fiercely provocative questions: If ritual violence against humans was a profound necessity for the Aztecs in their capital city, is it central to the construction of social order and the authority of city states? Is civilization built on violence? In *City of Sacrifice*, Carrasco chronicles the fascinating story of Tenochtitlan, the Aztec capital, investigating Aztec religious practices and demonstrating that religious violence was integral to urbanization; the city itself was a temple to the gods. That Mexico City, the largest city on earth, was built on the

ruins of Tenochtitlan, is a point Carrasco poignantly considers in his comparison of urban life from antiquity to modernity. Majestic in scope, *City of Sacrifice* illuminates not only the rich history of a major Meso American city but also the inseparability of two passionate human impulses: urbanization and religious engagement. It has much to tell us about many familiar events in our own time, from suicide bombings in Tel Aviv to rape and murder in the Balkans.

In Wall Street Journal bestselling author Melinda Leigh's edgy new thriller, Louisa Hancock thought she was safe...but there's a new killer in town. When a mysterious package lands on Louisa Hancock's doorstep, the Philadelphia museum curator can hardly anticipate the nightmare that's about to envelop her. The package is addressed to her father--an expert in Viking culture--and inside is a ninth-century sword, a chilling thank-you note, and photos of two dead bodies in a tableau evoking a Nordic funeral. The gruesome images match a recent crime scene. But before the police can investigate the killer's connection to

Louisa's father, Ward Hancock vanishes. Sports bar owner Conor Sullivan wants nothing more than to spend his life with Louisa. Devoted and protective, he refuses to leave her side after her father's disappearance. When a troubled young boxer he's been coaching is suspected of the murders, Conor is pulled in even deeper. Desperate, Louisa and Conor take it upon themselves to find her father, but soon another ritualistic slaying makes it clear there's a Viking-obsessed serial killer on the loose. And he has a new target: Louisa.
